My Tutor Alex (MF) McAnders,2021-06-01 CAGE'S PROBLEM: He needs to pass his class or he won't be able to play football, get

drafted, or become the NFL star he was meant to be. **HARLEQUIN'S PROBLEM:** People Luckily, Cage is great with people. Everyone loves him as soon as they meet him, including Harlequin. And Quin is the smartest girl in the class. So, what's the problem? Cage, the drop-dead gorgeous quarterback, has a girlfriend. And Quin, who can figure out everything in the world, can't figure out guys, much less relationships, or, you know... people. But when the two of them agree to tutor the other in what they're good at, more than a few sparks fly. Where those sparks take them is 'Snowy Falls', a small town that causes the two even more problems in this steamy sports romance. Swoon-worthy guys; twisting story; crackling sexual tension. For readers who love college sports romances by Ilsa Madden-Mills. Note: This book is a part of the author's 'Love is Love Collection', meaning that it is available as a spicy romance in 'My Tutor', a wholesome romance in 'Going Long', and a Male/Male romance in 'Serious Trouble'.

The Tutor Peter Abrahams, 2002-06-25 Master of psychological suspense Peter Abrahams returns with an ingenious tale of an ordinary family that unknowingly invites the agent of their destruction into their own home. When Scott and Linda Gardner hire Julian Sawyer to tutor their troubled teenage son Brandon, he seems like the answer to a prayer. Capable and brilliant, Julian connects with Brandon in a way neither of his parents can. He also effortlessly helps Linda to salvage a troubled business deal and gives Scott expert advice on his tennis game. Only eleven-year old Ruby—funny, curious, devoted to Sherlock Holmes—has doubts about the stranger in their midst who has so quickly become like a member of the family. But even the observant Ruby is far from understanding Julian's true designs on the Gardners. For Julian, the Gardners are like specimens

in jars, creatures to be studied— and manipulated. Scott is a gambler with no notion of odds, festering in the shadow of his more successful brother. Linda is ambitious, hungry for the cultured stimulation Julian easily provides. Brandon is risking his future late at night in the town woods. And Ruby—well, she's just a silly little girl. And in that miscalculation lies the Gardner family's only possible salvation. In *The Tutor*, Peter Abrahams creates a living, breathing portrait of an American family, their town, their secrets, their dreams—and a portrait just as compelling of the menace they welcome into their home. It is his most chilling, suspenseful novel to date.

Taming His Tutor Natalie Anderson, 2014-08-25 A sexy category romance from Entangled publishing's Brazen imprint... When the bedroom becomes the classroom... Computer guru Abbi Hayes needs to kick her sex life into overdrive—and she's designing the perfect App to make it happen. Thanks to all of the self-help bedroom tips she's accumulating, she'll be able to go from boring and passive to own-him-now vixen with a couple of swipes of a touch screen. And when former NBA basketball star Joe Burns offers to help her test out her 'product,' how can she say no? Joe can't quite believe this temptress-in-training is his formerly shy, geeky ex-math tutor. If Abbi wants to discover her inner vamp, he'll happily be her how-to guide. But it only takes few face-to-face lessons to realize that underneath the talk, there's a truly passionate woman begging to be claimed by someone strong. Someone like him. Maybe it's time to teach his former teen fantasy a few tricks of his own...

Making the Most of Tutor Time Helen Peter, 2018-10-24 Most secondary school teachers and some support staff will be expected to take on the role of form tutor or mentor along side their other work. What is surprising is how little time, status or attention is given to

training and preparation for this pastoral aspect of education, in comparison to subject teaching. This book helps to redress the balance by providing a look at the structure and organisation of pastoral support as well as being full of practical ideas for tutors to use in tutor time. The chapters include: Establishing Routines; The Self Managing Tutor Group; How to Help and Support Individuals; Engaging Parents and Carers; and, Tutoring Over a Whole Year. There is also a Resource Section and CD-ROM which includes a PowerPoint for staff training, proformas for gathering information for parent's evenings and examples of practical activities such as, Jigsaw, Diamond Nine and Hot Seating, as well as useful books and organisations. One secondary academy head wrote, 'I really like it! It is very fresh, practical and full of wisdom. I like the whole section on parental engagement and all the games suggestions, really clear and so simple to pick up and use. And the calendar of the year with tutorial themes is great! But of most use to me and my school is the opening section on routines, expectations and setting the scene, fantastically useful reminders. Thank you so much, this will be my tutorial bible.'

The Tutor K. D. Grace, 2016-10-11 When physical touch is impossible, intimacy may become a powerful work of art or a devastating nightmare--but, above all, it's an act of trust. Struggling writer Kelly Blake has a secret life as a sex tutor--it pays the bills. Celebrated sculptor and recluse Alexander 'Lex' Valentine can't stand to be touched. When he seeks out Kelly's advice incognito for what he sees as his 'self-abuse problem', the results are too hot to handle. Kelly terminates their sessions due to her unprofessional behavior, and Lex takes a huge risk, revealing his identity to her at a gala exhibition, his first ever public appearance. After Kelly helps the severely haphophobic Lex escape the grope of reporters and paparazzi, rumors fly that the two are engaged, rumors encouraged by well-meaning friends and colleagues. The press feeding frenzy forces Kelly

into hiding at Lex's mansion, where he convinces her to be his private tutor. They discover quickly that touch is not the only road to sizzling, pulse-pounding intimacy. But intimacy must survive the secrets uncovered as their sessions become more and more personal.
