A Good Little Girl Kenzie O’Hara,2017-04-19 In A Good Little Girl, Kenzie OHara shares the powerful lessons she learned from growing up with distant, unloving parents who finally divorce. She becomes an introverted, obliging person who doubts her own worth, always seeking to please others, and ends up a target for a violent, explosive husband who abuses her for two decades. While A Good Little Girl is the story of Kenzie's personal journey, many women will relate to her situation. Abandonment, anorexia, physical, sexual,mental, and emotional abuse, bad decisions, you name it: this woman has experienced it all. Feeling defeated, deflated, frightened, and alone became her normal. Yet the good little girl possesses strengths that manage to carry her through all kinds of adversity. Kenzie's story originated as an autobiographical piece for her children, written in hopes that it would provide them with a history and a better understanding of the person she was in her youth, and the person she became. After it was written, she realized that others could benefit from reading about how an abandoned little girl and abused woman managed to wrangle herself from the depths of overwhelming torments and odds.

From Scratch Tembi Locke,2020-02-04 Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro’s traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro’s family just as he faced a formidable cancer that would consume all their dreams. From Scratch chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro’s family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law’s table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro’s romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke’s case, it is both. “Locke’s raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones” (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

But when she’s hired for a night with the gorgeous, mysterious Diana Silver, her professionalism can’t hold a candle to the heat between them. Diana Silver is already overworked and undervalued by her wealthy parents, and now they’re pressuring her to date a “suitable” colleague. Hiring an escort would never have occurred to her, but when her best friend treats her to a relaxing night with Ronnie, sparks fly. Diana hires Ronnie again. And again. Soon, the women don’t have an arrangement so much as a full-blown affair. But money can’t buy everything, and Ronnie can’t risk blurring the lines between personal and professional, no matter the reward. It’ll take more than a healthy paycheck to turn their steamy nights into a life together—and if they try, it could cost them everything.

Unable to achieve sexual pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full sexual potential. By any means necessary. with her. After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isn't yet smart enough to refuse: "Let me find you a good master." Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving? Surrender: Julie wants Gabe Griffin like fish want water, but what she wants is sweet domestic bliss and a white picket fence. What Gabe wants is to put a collar around Julie's throat and train her in the finer points of being his slave. At first too innocent, then too broken, can Julie ever surrender to the man intent on claiming her? Pretty Lies: She told pretty lies to the wrong man and now she must give herself to him to save her sister's life As a phone sex operator, Annette Waincott knows how to tease to get what she wants. That is, until she teases the wrong man at a club, claiming kinky fantasies she doesn't really have. It must have been too much vodka and his tantalizing Russian accent. Too bad he believes her. When the Russian accidentally kidnaps her twin sister as part of an ill-fated sex game, things quickly get real. In a desperate bid to free her twin, Annette offers herself to him in trade. He both terrifies and excites her, but she knows she can never trust him. The things he wants will push her to her limits and beyond. And this time, she can't tell pretty lies and run away. Twisted Fates: When Lindsay Smith brought her to the house, it was to train and sell her. They both knew it. She'd agreed to this arrangement. She wanted to belong to someone. But Lindsay wanted her to be his. Three days into her stay at the pleasure house, Shannon Foster's life is forever destroyed by a sociopathic monster. Lindsay saved her life that day, but the scars bind her to the house without a future. Now, eight years later, Lindsay saves her once again, only this time he's playing for keeps.

And several of his short stories have appeared in magazines like the Georgia Review and Kenyon Review. Now, writing in the spirit of Dave Barry and Garrison Keillor, Hall wins a new kind of reader with this collection of essays that run from insightful to opinionated, funny to wise. Hall ponders subjects as diverse as his own love affair with Florida which began on a trip after college from which he never returned, to his equally passionate romance with books. He ponders the nature of summer heat, the writing of Hemingway and James Dickey, television, teaching, politics, fatherhood and much more. In the vibrant and elegant prose which characterize his fiction and poetry, Hall now proves himself a master of the essay as well.
Allison's Wedding Dress Charlie Brough,2004-07 Allison's Wedding Dress, one of the 46 short stories in this book is based on a young woman the author met and observed while living and working in Aberdeen, Washington. The fictionalized account of her life was chosen to be the cornerstone of this collection of short stories, all of which are written by the author of this book. This collection is sure to entertain readers of all ages. Allison, raised by her great aunt and uncle, lived under extremely rigid conditions. She was forced to marry a total stranger who used her in place of frequenting the local brothel. Emotionally battered and practically brainwashed that she was going to go to hell, Allison lived a lonesome and forlorn life in her and John's tiny rundown home next to the railroad tracks. The very same house where her mother, by the same name, had died. Many of these stories are true to life or based on real events from newspaper articles. Mega Woman details how winning the Mega Bucks lottery, may have changed the life of a young woman struggling to make ends meet. Other stories answer questions never before answered, like, how did the SCUD missile come by its name? The Mystery Of The Mima Mounds is my offering of science fiction.
