Futa Car Wash Gia Maria Marquez, On a sunny summer day, what could be better than three wet girls in cheer uniforms? If you've got a car, these girls will put on a show. Step right up to the Futa Car Wash! They'll take any man with money...

Lady's Night Mark Anthony,2005-09 From the Essence bestselling author of Paper Chasers comes an unforgettable urban tale about a young girl who gets caught up in the game . . . until it's almost too late.

Bikini Babes' Carwash Suzie McLean, The BetaZed sorority sisters were gorgeous, stacked...and out of work. Then Phoebe hit on the absolutely insane idea of starting their own bikini babes' carwash. Little did they know how their lives were about to change as, one by one, they met the men of their sexiest dreams while they tried to solve the mystery of a 20-year old jewelry heist! ?Phoebe? Phoebe was confident that her carwash would be a success. But Riley Thompson was a clever businessman. And if the girls couldn't afford to lease his prime location, he knew other ways to make a tidy profit. Besides, he lusted after Phoebe, and longed to teach her that an experienced man could be an even better lover than a lusty football jock! ?Antonia? Toni had more worries on her plate than she cared to count. The battered old carwash they'd leased was in even worse shape than they'd thought. Phoebe had been alarmingly withdrawn for weeks. And why did their sexy new building inspector keep coming back to pester her? If only he wasn't so gorgeous! ?Muriel? The rugged day laborer who'd joined their small crew seemed disturbingly familiar. And even though Muriel ached to feel his hands gliding all over her body, something about him was making her keen senses hum with alarm. Who was he?and why was he lurking around their sorority house every night? ?Andrea? She'd adored Mac forever?but he barely even knew that she was alive. Or that's what Andi thought, anyway, until she was nearly killed in a freak swimming accident, and Mac had to use every bit of his unorthodox skill to keep her alive. Now that she knew differently?would he be the one to teach her the glorious delights of making love? ?Astra? Their exciting grand opening was only 2 weeks away, and Astra was working hard to remodel the damaged bay that would become her luxurious 'massage parlor.' She didn't need sexy Jared Montrose sniffing around, trying to cozy up to her, just so that she'd hire him! Or was a job the only thing he wanted? Just how far could she trust him...with their new business, or her vulnerable heart? ?Tamika? Seven years ago, Tamika's life was shattered when Logan's parents divorced, and his mother dragged him off to Europe against his will. Now he was back--and even the thought of seeing him again reduced her to a mindless panic. She knew she had to face her fears...but not yet. She wasn't just ready! Then, without warning, he appeared at the carwash--and everything blew up in her face! ?Selena? Jared's twin brother, Jory, was tall and devastatingly handsome?but everything about him made Selena want to run away screaming in panic! She'd known Riley's nephew, Brad, for years, but never thought of him as a possible lover. So why were her nerves suddenly humming with eager anticipation every time he touched her hand? And since she knew that he felt it, too?why wouldn't he make love to her? ?Elle? Jory had been a thorn in Elle's side ever since he'd arrived in town. He had no scruples about using his raw male beauty to charm...and exploit. If only he didn't make her pulse race with breathless excitement every time he turned those gorgeous brown eyes in her direction! But Jory was about to realize that he'd just met his match in sweet, soft-spoken Elle Sutherland! ?Nina? Nina and Muriel had been best friends forever! So why hadn't she ever really taken a serious look at Muriel's older brother, Asher, and realized how incredibly sexy he was? And now that she had finally noticed?and couldn't think about anything else?how could she manage to cross the slippery line between friend and lover without destroying the deep bond they'd always shared? Epilogue Ben finally solves the mystery of the stolen money?and must learn to live with the tragic knowledge that one of his closest friends was not what he claimed to be.

The Bikini Car Wash Pamela Morsi,2014-02-28 After Andrea Wolkowicz abandons corporate life to help care for her sister, she quickly wears out the want ads in their rustbelt hometown. Time to be her own boss.

Muriel's Passion Suzie McLean,2016-02-08 Work on the battered old carwash the BetaZed sorority girls leased is going well?and for Muriel, the pleasure of working alongside her lifelong mentor is an extra thrill. But the rugged day laborer who's joined their small crew seems disturbingly familiar. Even though she aches to feel his clever hands gliding all over her body, something about him is making her keen senses hum with alarm. Who is he?and why is he lurking around their sorority house every night? ~~~~~ ÿExcerpt ÿ~~~~ Ben was fiddling with a well-worn pair of tinsnips, trying to find a comfortable grip through the heavy gloves he was wearing. Muriel watched in silence as he began to trim sharp edges off the heavy wire mesh. She could have done it in half the time; why hadn't Reid told him to stir the wet stucco, and let her do the more intricate work? He was definitely an odd sort for a day laborer. Most of them were a sorry lot?scrawny, underfed, and usually looking like they were a half-step away from being homeless. Many of them probably were, she suspected, since jobs were so hard to find nowadays. In contrast, Ben was strong, solidly built, and?under that coating of hard-earned grime?clean-cut enough to pass for a Boy Scout. It made her wonder why he hadn't bothered to shave that morning. And why did he look so eerily familiar? She was sure that she'd seen his distinctive face somewhere before! His low rumbling voice was drowned out by the distinctive crunch of tires on gravel. Muriel glanced over just as a familiar pickup truck turned into the carwash lot, and an eager grin curved her lips. ?Morning, Ashe!? she yelled, waving one hand in greeting. Her older brother tossed her a cheery salute before parking the truck a few yards away, and energetically vaulting out. ?Hey, MacGyver!? he boomed, clapping Reid on the shoulder. ?Gimme a hand? Santa Claus just made a special delivery on the other side of town, and asked me to bring over the first load in person.? Ben helped Reid peel back a dusty weatherstained tarp, and then they all gaped over the stacks and stacks of faded red bricks piled neatly beneath it. ?There are three more loads just like this one,? Ashe boasted, ?plus a whole bunch of old wiring and pipes that they salvaged. We just gotta go over and get it all hauled it away before sundown.? Pandemonium reigned as everyone tried to scramble into the pickup at once. ?Hang on, hang on!? Reid had to shout to be

heard above the excited chatter. "There's too many of us all at once, and someone's gonna get hurt." Muriel, you finish patching that section of wall. Phoebe, you stir the mix until Muriel needs it, so that it doesn't harden. And the rest of you, get back to cleaning the third bay. If you hustle, you can be done by noon. "Ben, you and I will set up an assembly line. Ashe can hand us the bricks, and we'll pile them neatly back there." He pointed toward the far end of the first bay, where they'd been working all morning. "Ben?" Ashe's surprised voice made Muriel stop and glance curiously over her shoulder. "It really is you under all that dirt!? Were her eyes playing tricks on her, or did Ben rapidly shake his head, as if he didn't want to be recognized? Then he stepped forward with an easy laugh, and reached up to clap Ashe on the shoulder and she wondered if she'd imagined it. No, she must have been wrong. There was absolutely nothing furtive about his cheerful greeting as he began energetically reaching for bricks. The sun must have gotten in her eyes at exactly the wrong moment. So why did she feel so uneasy as she slowly turned back to her own work?

Hollywood Car Wash Lori Culwell, 2009-05-05 College drama student Amy Spencer dreams of starring in independent films. When her roommate signs her up for a mysterious television project audition, she blows away the competition with her girl-next-door looks and impressive acting chops, inadvertently getting a starring role on a major TV show and going from Michigan teen to Hollywood starlet overnight. To keep the part she didn't even know she wanted, Amy finds herself taking a spin through the Hollywood Car Wash to make her more marketable. First, she'll have to lose twenty pounds (don't ask how). Then it's new clothes, new teeth, blonder hair, new friends, and a megastar, high-profile boyfriend (though hers comes with a big secret). Bombarded by jealous, two-faced colleagues, overeager plastic surgeons, and manipulative network executives, Amy slowly learns that the only way to survive in Hollywood is to lose her identity. Will Amy get too caught up by the glitz or will she get a grip on her life before it's too late? The hands-down winner of Touchstone's Media Predict Contest -- a competition similar to American Idol for books, Hollywood Car Wash is as delicious and addictive as the celebrity gossip that inspired it.

Seduced in the Car Wash Restroom Lexy Vibes, 2019-07-23 Taking a job as a package delivery driver wasn't how Olive saw her life going after college, but beggars can't be choosers and she needs the money. A late evening trip to the car wash after a long day gets her a perk, however. When the job is over, she needs to use the restroom and the owner of the place follows her inside. Being seduced by a kinky, older woman wasn't how Olive imagined her day would end, but sex in a public place is one of her dirtiest fantasies and she's all for it coming to life.

Phoebe's Desire Suzie McLean, 2016-01-29 Phoebe is confident that her bikini babes' carwash will be a success. But Riley Thompson, the property owner, is a clever businessman. If the girls can't afford to lease his prime location, he knows of other ways to make a tidy profit. Besides, he lusts after pretty Phoebe, and longs to teach her that an experienced older man can be an even better lover than a lusty football jock! ~~~~~ Excerpt ~~~~~ Riley stopped suddenly, and turned toward her so rapidly that she took an involuntary step back. "Tell me again exactly what you're planning to do here." "There are nine of us—my younger sisters and my sorority sisters," she said. "We want to start a carwash—but not an ordinary pull-your-car-into-the-bay-and-let-the-machines-handle-it kind of carwash. We'll be washing the cars ourselves, using brushes and sponges and hoses. That way we can make sure the cars are absolutely sparkling clean, and put on a good show at the same time. Plus two of them are dancers, and we're all on the cheerleading team. So we know how to attract male attention, and keep it fixed exactly where we want it." Slowly he licked his lips. "Yeah, I'll just bet you do." The nasty old lecher! Why, he had to be as old as her father! "We'll take shifts, with some of us doing our cheerleading routines along the sidewalk to draw in traffic, and the rest of us washing cars as they come through. Oh—and while the customers are waiting for us to finish, our Scandinavian twins will be providing full-body massages in the last bay, the one that had all the equipment ripped entirely out of the wall." He sucked in a deep breath, then gradually let it out again. "You'll have 'em all standing at attention, won't you?" Somehow she didn't quite think he was talking about customers lining up in neat rows, and a hot flush stained her fair cheeks. She was no innocent virgin—but his sly innuendoes were starting to make her a little uncomfortable. "That's the plan," she replied, with just a touch of cool reserve. "It won't take long before we'll have so many customers that we'll need to hire extra girls." A faint shudder seemed to ripple down his long body. "And they'll all look like you. Wearing hot G-string bikinis, doing sexy dance routines, looking like they just crawled out of bed and are itching to climb back in." She supposed that was one way of describing it, but he didn't have to be quite so crude about it. And the raw lust gleaming in his eyes was disturbing. "My nephew is on the football team. I've seen you out there, flaunting your gorgeous little body. You and your 'sisters' are a sight for sore eyes." His low voice was subtly mocking. "And I think you're gonna grab all the men in this town by their collective glands, and drag them in here whether they need a carwash or not." He'd managed to shock her, and she took a defensive step away. "Mr. Thompson?" "Riley." His lips curved in a lopsided grin. "I didn't mean to offend you—just saying it like it is. Let's head back to my office, and we'll discuss terms. I think we'll be able to reach an agreement that works well for both of us." She swallowed hard, and tried not to edge past him when he politely gestured toward the street again. But she didn't breathe comfortably until a few feet of space were between them. This was ridiculous! She didn't like him, she didn't entirely trust him, and she didn't think he was sexy. And yet? When he'd laid his hand on her shoulder, and spoken so bluntly to her, she'd felt a bewildering surge of heat arrow right through her belly. It was still there, churning around like molten lava, as he fell back into step beside her, and led the way across the empty lot to his weatherbeaten pickup truck. Slick wetness began to glide between

her thighs as he slid a big hand down her back, courteously ushering her through the heavy chain link fence, and then securely locked it behind him?
