This Charming Man C. K. McDonnell,2022-02-17 Vampires do not exist. Everyone knows this. So it's particularly annoying when they start popping up around Manchester . . . Nobody is pleased about it. Not the Founders, the secret organisation for whom vampires were invented as an allegory, nor the Folk, the magical people hidden in plain sight who only want a quiet life. And definitely not the people of Manchester, because there is nothing more irksome than being murdered by an allegory run amok. Somebody needs to sort this out fast before all Hell really breaks loose - step forward the staff of The Stranger Times. It's not like they don't have enough to be dealing with. Assistant Editor Hannah has come back from getting messily divorced to discover that someone is trying to kidnap a member of their staff and while editor Vincent Banecroft would be delighted to see the back of any of his team, he doesn't like people touching his stuff - it's the principle of the thing. Throw in a precarious plumbing situation, gambling debts, an entirely new way of swearing, and a certain detective inspector with what could be kindly referred to as 'a lot of baggage' and it all adds up to another hectic week in the life of the newspaper committed to reporting the truth that nobody else will touch. This Charming Man is the second book in the critically acclaimed The Stranger Times series. 'A gag-filled romp . . . in the spirit of Terry Pratchett.' The Times 'Great characters, a jet-propelled plot, and a winning premise.' Guardian 'Fresh and genuinely funny.' SFX

Girl on the Edge: A Memoir Carneson, Ruth,2015-03-05 Ruth was four years old when her father was arrested for high treason and her world was turned upside-down. She grew up in constant fear of Special Branch policemen knocking on the door to arrest her mother or father, prominent South African communists. Ruth learned how to keep her mouth shut, to look out for microphones in the walls and to beware of friends who could betray her trust. At fourteen, Ruth left South Africa, clutching her teddy bear in one hand and her drawings in the other. A plan to England carried her into exile, a new world where she struggled to reconstruct a life fractured by fear. With an artist's eye for detail and colour, Ruth recalls her life with unflinching honesty: the Treason Trial; her struggle to conform; Friern Barnet Asylum for the 'hopeless insane'; LSD, protests, and free love in London, art school and motherhood; communes and camping - all steps in a journey that finally brought her home to South Africa on the brink of change. Heart- wrenchingly sad one minute, bursting with life and vigour the next, seamed throughout by strength and courage, girl on the edge allows us to look deep into one woman's life and travel with her to the brink and back again.

Wartime Manchester is a dangerous place, besieged by crime and poverty. So when Helen joins the Women's Auxiliary Police Corps, working with evacuees, the destitute and the vulnerable, she finds a renewed sense of purpose. She's come a long way from her place behind the counter in the corner shop. But there's still something missing in her heart. Is Helen able to accept love and happiness and find the courage to change her life?

Compartment No. 6 Rosa Liksom,2016-08-02 In the waning years of the Soviet Union, a sad young Finnish woman boards a train in Moscow. Bound for Mongolia, she's trying to put as much space as possible between her and a broken relationship. Wanting to be alone, she chooses an empty compartment--No. 6.--but her solitude is soon shattered by the arrival of a fellow passenger: Vadim Nikolayevich Ivanov, a grizzled, opinionated, foul-mouthed former soldier. Vadim fills the compartment with his long and colorful stories, recounting in lurid detail his sexual conquests and violent fights. There is a hint of menace in the air, but initially the woman is not so much scared of or shocked by him as she is repulsed. She stands up to him, throwing a boot at his head. But though Vadim may be crude, he isn't cruel, and he shares with her the sausage and black bread and tea he's brought for the journey, coaxing the girl out of her silent gloom. As their train cuts slowly across thousands of miles of a wintry Russia, where everything is in motion, snow, water, air, trees, clouds, wind, cities, villages, people and thoughts, a grudging kind of companionship grows between the two inhabitants of compartment No. 6. When they finally arrive in Ulan Bator, a series of starlit and sinister encounters bring Rosa Liksom's incantatory Compartment No. 6 to its powerful conclusion.

The Last Girl Jane Casey,2013-05-21 Maeve Kerrigan [is] a fascinating and plausible character...What she has is persistence, integrity and emotional intelligence, and a very deft way of insinuating herself into a reader's affections.—The Irish Independent (UK) Vast wealth offers London defense attorney Philip Kennford a lot of things: a gorgeous house with a pool in the backyard, connections in the top echelons of society, a wardrobe worthy of Milan runways. But his money doesn't provide a happy marriage, or good relationships with his twin daughters...and it does nothing to protect his family when someone brutally murders his wife and daughter in their own home. When Detective Constable Maeve Kerrigan arrives at the scene, the two survivors—Philip and his second favorite daughter, Lydia—both claim to have seen nothing, but it's clear right away that this is an unhappy family accustomed to keeping secrets. Maeve soon finds herself entangled in a case with a thousand leads that all seem to point nowhere, and it doesn't help that her boss, whom she trusts more than almost anyone, is starting to make decisions that Maeve finds questionable at best. In The Last Girl, Jane Casey once again demonstrates her ability to write vivid, three-dimensional characters and spin a gripping, unpredictable mystery.

The Girl in the Wind Gregory Ashe,2023-10-06 The price for the truth might be their family. When Theo and Auggie return home—safe and sound and miraculously alive after being dragged into a murder investigation—all Theo wants is for life to get back to normal. No more murders. No more investigations. Nothing, in other words, that might put Auggie in danger. But when a girl from school goes missing, Theo finds himself reluctantly drawn into looking for her. Shaniyah was his former student, for one reason. And, for another, no one else seems interested in where she's gone. Worse, her disappearance seems to be linked to a

break-in at Theo and Auggie’s house. The search, though, quickly becomes more complicated than either Theo or Auggie could have expected. Shaniyah, they discover, had been conducting an investigation of her own, looking for another missing student. And the path to learning the truth about both disappearances, Theo fears, leads back to the Cottonmouth Club.

Kill Process William Hertling,2016-07-15 By day, Angie, a twenty-year veteran of the tech industry, is a data analyst at Tomo, the world's largest social networking company; by night, she exploits her database access to profile domestic abusers and kill the worst of them. She can't change her own traumatic past, but she can save other women. When Tomo introduces a deceptive new product that preys on users’ fears to drive up its own revenue, Angie sees Tomo for what it really is—another evil abuser. Using her coding and hacking expertise, she decides to destroy Tomo by building a new social network that is completely distributed, compartmentalized, and unstoppable. If she succeeds, it will be the end of all centralized power in the Internet. But how can an anti-social, one-armed programmer with too many dark secrets succeed when the world’s largest tech company is out to crush her and a no-name government black ops agency sets a psychopath to look into her growing digital footprint? “Awesome, thrilling, and creepy: a fast-paced portrayal of the startup world, and the perils of our personal data and technical infrastructure in the wrong hands.” —Brad Feld, managing director of Foundry Group “His most ambitious work yet. A murder thriller about high tech surveillance and espionage in the startup world. Like the best of Tom Clancy and Barry Eisner.” —Gene Kim, author of The Phoenix Project “Explores the creation and effects of the templated self, the rise of structured identity and one-size-fits-all media culture, and feasible alternatives.” —Amber Case, author of Calm Technology

Hot Dog Girl Jennifer Dugan,2024-04-02 A fresh and funny contemporary YA rom-com about teens working as costumed characters in a local amusement park. Elouise (Lou) Parker is determined to have the absolute best, most impossibly epic summer of her life. There are just a few things standing in her way: She's landed a job at Magic Castle Playland . . . as a giant dancing hot dog. Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou's never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after. Her best friend, Seeley, the carousel operator, has always been up for anything, but she's decidedly not on board when it comes to Lou's quest to set her up with the perfect girl or Lou's scheme to get close to Nick. And it turns out that this will be their last summer at Magic Castle Playland—ever—unless she can find a way to stop it from closing. Jennifer Dugan's sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator who find love—and themselves—in unexpected people and unforgettable places.

The Wild Colonial Girl Ann Clancy,2016-03-24 The gold rush begins, and Kate O'Mara is determined to never go hungry again. Kate O'Mara, orphaned by the great potato famine, is driven by her fear of hunger - first to take the four-month voyage to the other side of the world, then to consider the long, dangerous journey along an unformed track to the remote north of South Australia. Brigid Mulcahey has been with her since the workhouse, and begs her not to put her life in danger, but Kate must secure a job. Life in the Flinders Ranges is rougher and more perilous than she or Brigid could ever have imagined. Every day that she stays, the dangers loom closer. But she cannot leave. There is little work elsewhere, and the wealthy, polished pastoralist James Carmichael is an eligible man. Could fine dinners, silk gowns, and her very own share of this great golden land be within Kate's grasp? And what about Rory O'Connor? Charming, footloose Rory, with a twinkle in his eye and a place in his heart, offering a carefree life on the track. There could be nothing better than lying in his arms, a blanket of stars across the sky and the chorus of birds heralding the dawn, but memories of Ireland, and fears of the hunger, still haunt her. Gold fever erupts throughout the colony, and for James, Rory, Brigid and Kate, life will never be the same again. But can Kate ever, truly, leave Ireland behind? And in whose arms will she find what she really needs? This historical romance is perfect for readers of Judy Nunn, Diana Gabaldon and Colleen McCollough.

Panorama Steve Kistulentz,2018-03-06 A Chicago Review of Books Most Anticipated Fiction Book of 2018 Fast-paced, energetic, searing. There are moments in Steve Kistulentz's Panorama that will take your breath away. ---Daniel Alarcón, author of Lost City Radio Richard MacMurray, a cable news talking head, is paid handsomely to pontificate on the issues of the moment. On New Year's Day he is scheduled to be a guest on a prominent morning talk show. As he awaits the broadcast, the network interrupts with news that a jet airliner has crashed in Dallas and that everyone aboard has perished. Within an hour, amateur videotape surfaces of the plane's last moments, transforming the crash into a living image: familiar, constant, and horrifying. Richard learns that his sister, Mary Beth, was aboard the doomed flight, leaving behind her six-year-old son, Gabriel. Richard is the boy's only living relative. When he is given an opportunity to bring Gabriel home, it may be that the loss of his sister will provide him with the second chapter he never knew he wanted. In this powerful debut, Steve Kistulentz captures the sprawl of contemporary America--its culture, its values, the workaday existence of its people--with kaleidoscopic sweep and controlled intensity. Yet within the expansive scope of Panorama lies an intimate portrait of human loss rendered with precision, humanity, and humor.
