Love in the Time of Foreclosure Stephanie Alison Walker,2011-10-07 Stephanie Alison Walkers *Love in the Time of Foreclosure* is a frontline account of one couples battle to save their Los Angeles home. From the first foreclosure notice to the day she and her husband finally moved out, Walker details a maze of lenders, last-ditch phone calls to the governor, realtors from hell and awkward looks across the office. She also writes about the costs no one talks about: the gut-wrenched anxieties, the stress-tested marriage and the endless support from family and friends. She's sharing her story so others know what to expect - from banks, from brokers, from the family down the street. Walker hopes to remove the stigma of financial hardship, and her positive attitude, even as she loses everything, is a lesson for everyone in times like these.

Hell's Harlem Boxed Set J.M. Walker,2019-07-30 -GREYSON- Confusion. Lust. Fear. Passion. It started the moment she passed out in my arms. Desire. Vile. Seduction. Depraved. She couldn't remember her past but looked to me like I was her future. My walls were built. My heart was cold. My emotions vacant. After being alone for five years with only my motorcycle club at my side, she was who I had been searching for. The one I had needed all along to light up the darkness surrounding my life. Just when I thought I had her, just when I thought I could finally allow myself that happiness I didn't think I deserved. She was ripped from my hands... -TRAY- Despair. Hunger. Pain. Need. It started the moment she bumped into me. Ecstasy. Danger. Seduction. Terror. She was off-limits, but it didn't stop me from wanting her. My life was empty. My thoughts were dark. My heart was stone. Feeling unwanted for most of my life, I didn't know where I belonged or what my purpose was. He was all I had until she came along and brought out emotions I never knew were possible. She was innocent. Pure. Untouched. She was the daughter of a rival club member, but that didn't stop us. It only heightened the desire, the passion we felt. We were happy...until someone she trusted made a move that no one saw coming... -CATCH- Loss. Passion. Rage. Love. It started the moment she left me. Submission. Wrath. Savage. Resentment. She rejected me when I needed her most. My walls were up. My life was lonely. My world was dark. I opened up to her and gave her every piece of me only to have her rejection slap me in the face. I needed her. I wanted her. But hated her just the same. After years of giving myself to others, she falls back into my life when I least expected it. With so many years between us, we fell back into an easy routine. She was no longer the girl I had fallen in love with, but a woman who was running from her demons only to land in the arms of a monster...

Walker's Way Isabelle Storey,2007-10 Isabelle Storey's memoir of her 10-year marriage to Walker Evans. The story of an elegant young woman's infatuation with a great American artist - with the man himself, with what he stood for aesthetically and with his artistic and social circle and how her initial passion gradually cooled into disenchantment. In candid, poignant narrative, which draws on the couple's correspondence, Isabelle describes how their marriage grew more formal, cooler and eventually failed altogether as Isabelle felt compelled to move on.

Kara Walker Kara Elizabeth Walker,2015-11-13 *Go to Hell or Atlanta, Whichever Comes First* is a special printed project created by the celebrated American artist Kara Walker in collaboration with Ari Marcopoulos.The project, which comprises a twenty-four-page booklet with an accordion cover, was produced to accompany Walker's first exhibition at Victoria Miro, London, in autumn 2015.The project documents a trip by the artist and Marcopoulos to Stone Mountain in Georgia. The main tourist attraction there is a large stone mountain into which has been carved a monument to three Confederate generals.Consecrated in the 1970s, the monument, and hence the mountain itself, is thus a contentious symbol of white supremacy and the struggle for race equality in the South and beyond.Featuring a newly commissioned text from James Hannaham and a conversation between Walker and Marcopoulos, the project presents photographic documentation along with a selection of the powerful drawings and paintings produced by Walker during and following her trip.

Blue Cadillac Chariss K. Walker, An antique blue Cadillac... What could it mean? What relevance could it have to this dystopian crime story? The sequel to *Purple Kitty* continues Serena's courageous story in *Blue Cadillac*. You will NOT enjoy this story unless you have read the first book, *Purple Kitty*. This series is not for everyone. As one 5 Star reviewer said, Chilling as an ice bath! When I reviewed the first book of the series, I said I wanted resolution. I found it in this book. Serena McKay has gone into hermit mode after the events of the other book, drinking and not allowing anyone inside her door. Her foster father Henry has finally had enough and goes to Serena's sixth-floor apartment and kept knocking for hours until she finally reacted and let him in. The two of them talked as they never had before. They talked about the erosion of rights for the illusion of safety. Serena asked the questions and Henry answered. The destruction of society, the ceding of rights without realizing it, the utter lack of privacy, all the things our current society is facing right now, and Henry had answers for Serena. By the next morning, they both had renewed purpose and were determined to catch the Cellophane Killer. This was every bit the resolution I needed. Thanks, Ms. Walker! Serena McKay, P.I., lives in a post-apocalyptic time where the rich get richer and the poor become destitute. In August City, you are either rich or poor. Existence there is nightmarish and chilling for most of its residents. Fans of Jessica Jones and post-apocalyptic fiction will love Serena McKay's Crime Novels! Serena has suffered from devastating emotional and physical abuse - first as a child and then during her career with the Police Department. You'd think it would have made her bitter, but it didn't. Instead, it made her a little crazy in relatable ways and, despite that flaw and others, she continues to do her job with bravery. Serena McKay caught The Cellophane Killer in *Purple Kitty*, Book 1; however, she gets a freaky message that blows her mind. He's coming for you! It could have only come from one person. Did this notorious serial killer escape from the Supermax Prison? Is he really back? If he is back, can Serena finally put him away for good this time? Author warning: Emotional triggers of all kinds. Language. Alcohol and drug use. Physical and emotional abuse.

Uphill Walkers Madeleine Blais,2007-12-01 “The story of a family, united by blood, pride, and the bonds that defy logic” from the national bestselling author of In These Girls, Hope Is a Muscle (Ellen Kanner, The Miami Herald). In 1952, Madeleine Blais’s father died suddenly, leaving his pregnant wife and their five young children to face their future alone. Uphill Walkers is the story of how the Blais family pulled together to survive and ultimately thrive in an era when a single-parent family was almost unheard-of. As they came of age in an Irish-American household that often struggled to make ends meet, the Blais children would rise again and again above all obstacles—at every step of the way inspired by a mother who expected much but gave even more, as she saved and sacrificed to provide each child with the same education they would have received had their father lived. Beautiful, heartbreaking, and full of wonderful insights about sisterhood, brotherhood, and the ties that bind us together, Uphill Walkers is a moving portrait of the love it takes to succeed against the odds—and what it means to be a family. “This is a book about a real family, the kind we used to know before Reality TV; it’s about resilience and love, told with heart and grace.” —St. Petersburg Times

Smoke Over Malibu Tim Walker,2017-01-26 The Hon. Lucius Kluge - honourable, lucky, clever - might be the only guy in Los Angeles who's still living in the past. Lucky pines for the old days of the New Hollywood, before Star Wars and superheroes blew up the movies for good. He spends his days working for an antiques business, his nights boozing and brooding on his former life as an almost-successful screenwriter. But when his ex-best friend goes AWOL and his elderly boss is assaulted during the theft of a vintage cookie jar, Lucky and his partner Raul are spurred reluctantly into something like action. A satire of sundered friendships and frayed male egos at the Hollywood intersection of art and commerce, Smoke Over Malibu is a soft-boiled mystery, a fish-out-of-water farce, a buddy comedy, an inaction thriller, a hipster indie. It's Raymond Chandler meets Nick Hornby; it's The Big Lebowski meets Lovejoy. It is absolutely, positively not a superhero blockbuster.
