Hotel Ever After Liza Penn,2021-05-10 This special edition collection features all four initial novellas in the Hotel Ever After Series! Each story is short--perfect for an afternoon tryst--featuring a different character based loosely on a fairy tale story you'll recognize with a scorching heat level

you'll love. **BETTE & THE BEAST:** Bette owns Fairhaven's only bookstore...but only barely. She's struggling with bills, but she refuses to sell to the hotel mogul, Richard Dickson, because he only wants to tear down the beloved store and replace it with a hotel. Can these two find a compromise and save the bookstore? **ZEL & THE TOWER:** Zel is totally focused on her job--she has her eyes set on moving up the ladder in the prestigious Dickson Hotel Company. Not even her paranoid adoptive mother can stop her from doing her job. But the new IT guy at Hotel Ever After is quite distracting...especially after he saves her from being trapped in the penthouse suite alone... **ARIA & THE SEA:** Aria loves the sea. It makes her think of endless adventure and freedom--two things she doesn't have, trapped in the tiny town of Fairhaven. When she meets Eric, the party planner who's launching the new hotel, she thinks a one-night stand is just the adventure she needs. But Eric has different plans...**ELLA & THE BALL:** Ella is no stranger to hard work. After her father died, she became her stepmother's caretaker, and the medical bills have to be paid somehow. But her new job at Hotel Ever After isn't working out. She just wants to be noticed for who she is--but will that cost her everything? Each of the Hotel Ever After books is (very) loosely based on a fairy tale. Which means they're all guaranteed to have a happily ever after. They're also guaranteed to have a (very) sexy twist. My heroines aren't literally princesses, but they are very much in control of their destiny--and they're not afraid to take exactly what they want from their prince charmings!

Strictly Business: The Kwek Leng Beng Story Leng Beng Kwek, 2023-10-31 Kwek Leng Beng may be one of Singapore's most successful businessmen, but he is also among the country's most enigmatic. While his companies and brands are blue-chip counters and household names, the man behind one of Asia's largest conglomerates has steadfastly remained reticent and at times mysterious. As his business empire extends into five continents and includes some of the most

prestigious hotels in the world, the man often avoids the limelight. Few can recall that he once had the measure of Donald Trump in New York, was welcomed by Boris Johnson in London, and went into a venture with Prince Alwaleed of Saudi Arabia. Even at home in Singapore, many have only a faint inkling that he has had a hand in the iconic architectures that dot the Marina Bay skyline, from The Sail to The South Beach, and also Marina Bay Sands. For the first time, the legendary dealmaker opens up on his six decades of breakthroughs in sectors ranging from real estate to hospitality, from finance to manufacturing. Strictly Business tells the story of a maverick tycoon whose outfits Hong Leong and City Developments have consistently overcome crises and recessions with aplomb. This authorised biography shares the secrets of his success and the lessons he learnt through setbacks and challenges. Kwek reveals his difficult relationship with his father and his plans for succession to the next generation in a family business which has been among the most resilient in Southeast Asia. In the hands of bestselling author and journalist Peh Shing Huei, this first biography of Kwek reveals the negotiations behind the biggest corporate deals in real estate and hospitality, and the little-known details of the straight-talking business leader in boardrooms. Strictly Business offers rare access and insights into one of Singapore and Asia's most influential success stories.

Hubbing for Tourists Evan R. Ward, 2023-09-05 Dubai International Airport (DXB), Emirates Airlines, and the Burj al-Arab. Changi International Airport (SIN), Singapore Airlines, and Marina Bay Sands. Chek Lap Kok (HKG), Cathay Pacific, and The Peninsula Hotel. Kingsford Smith (SYD), Qantas Airlines, and the Wentworth Hotel. What do these collective entities have in common? Not only do they link global air hubs with city-centric long-haul airlines and destination-worthy hotels, but they are the product of a distinct strategy to boost tourism development through the synergies created by aviation development. This volume explores the evolution of tourism development through synergies created by airline, airport, and hotel development in the Persian Gulf (namely Dubai); Southeast Asia (primarily Singapore); and East Asia (mainly Hong Kong) during the twentieth and twenty-first centuries. These hubs included, but went beyond traditional models of hotel development as models for economically viable tourism programs, particularly after World War II. The book also examines how such systems integrated travelers, airlines, and airports in Australasia and Europe, while at the same time competing with imperial systems of airport and airline development. This book illuminates the strategies behind and competition between cities during the current century for air traffic, tourists, and airlines transiting between Europe, Southeast

Asia, and Australasia.
