Hotel Ever After Liza Penn,2021-05-10 This special edition collection features all four initial novellas in the Hotel Ever After Series! Each story is short--perfect for an afternoon tryst--featuring a different character based loosely on a fairy tale story you'll recognize with a scorching heat level you'll love. **BETTE & THE BEAST:** Bette owns Fairhaven's only bookstore...but only barely. She's struggling with bills, but she refuses to sell to the hotel mogul, Richard Dickson, because he only wants to tear down the beloved store and replace it with a hotel. Can these two find a compromise and save the bookstore? **ZEL & THE TOWER:** Zel is totally focused on her job--she has her eyes set on moving up the ladder in the prestigious Dickson Hotel Company. Not even her paranoid adoptive mother can stop her from doing her job. But the new IT guy at Hotel Ever After is quite distracting...especially after he saves her from being trapped in the penthouse suite alone... **ARIA & THE SEA:** Aria loves the sea. It makes her think of endless adventure and freedom--two things she doesn't have, trapped in the tiny town of Fairhaven. When she meets Eric, the party planner who's launching the new hotel, she thinks a one-night stand is just the adventure she needs. But Eric has different plans... **ELLA & THE BALL:** Ella is no stranger to hard work. After her father died, she became her stepmother's caretaker, and the medical bills have to be paid somehow. But her new job at Hotel Ever After isn't working out. She just wants to be noticed for who she is--but will that cost her everything? Each of the Hotel Ever After books is (very) loosely based on a fairy tale. Which means they're all guaranteed to have a happily ever after. They're also guaranteed to have a (very) sexy twist. My heroines aren't literally princesses, but they are very much in control of their destiny--and they're not afraid to take exactly what they want from their prince charmings!

Grand Hotels of the Jazz Age Marianne Lamonaca, 2005-10-27 The Breakers, the Waldorf, the Biltmore, the Sherry, the Pierre these landmark hotels are synonymous with grand luxury and style. When they were built, in the 1920s, their refined elegance and grandeur set the bar for hotels and resorts the world over. Responsible for creating these and countless other hotels throughout the United States, were the partners of a single architectural firm: Schultze & Weaver. Together, this duo an architect and an engineer virtually invented the glamorous lifestyle made famous in films like Grand Hotel. Catering to the social elite of which they were themselves a part, Schultze & Weaver synthesized the Old World style of Renaissance Italy, Moorish Spain, and Georgian England with all of the modern amenities that made hotel living luxurious. This book presents portfolios of fifteen of the firm's most spectacular hotels, culminating in the Art Moderne masterpiece of the Waldorf-Astoria. Over two hundred period photographs and hand-colored architectural renderings chart the ascent of the American hotel in all its glory and glamour, before the Great Depression forever changed the lifestyles of America's rich and famous. Essays address the cultural and technological developments that underpin the creation of resort and residential hotels, including the elemental role played by Schultze & Weaver. This book is published in conjunction with an exhibition at the Wolfsonian-Florida International University, Miami, held in celebration of their tenth anniversary.

Strictly Business: The Kwek Leng Beng Story Leng Beng Kwek, 2023-10-31 Kwek Leng

Beng may be one of Singapore's most successful businessmen, but he is also among the country's most enigmatic. While his companies and brands are blue-chip counters and household names, the man behind one of Asia's largest conglomerates has steadfastly remained reticent and at times mysterious. As his business empire extends into five continents and includes some of the most prestigious hotels in the world, the man often avoids the limelight. Few can recall that he once had the measure of Donald Trump in New York, was welcomed by Boris Johnson in London, and went into a venture with Prince Alwaleed of Saudi Arabia. Even at home in Singapore, many have only a faint inkling that he has had a hand in the iconic architectures that dot the Marina Bay skyline, from The Sail to The South Beach, and also Marina Bay Sands. For the first time, the legendary dealmaker opens up on his six decades of breakthroughs in sectors ranging from real estate to hospitality, from finance to manufacturing. *Strictly Business* tells the story of a maverick tycoon whose outfits Hong Leong and City Developments have consistently overcome crises and recessions with aplomb. This authorised biography shares the secrets of his success and the lessons he learnt through setbacks and challenges. Kwek reveals his difficult relationship with his father and his plans for succession to the next generation in a family business which has been among the most resilient in Southeast Asia. In the hands of bestselling author and journalist Peh Shing Huei, this first biography of Kwek reveals the negotiations behind the biggest corporate deals in real estate and hospitality, and the little-known details of the straight-talking business leader in boardrooms. *Strictly Business* offers rare access and insights into one of Singapore and Asia's most influential success stories.
