

HOURLASS

MYRA McENTIRE

📖 **Hourglass** Dani Shapiro, 2017 Hourglass is an inquiry into how marriage is transformed by time--abraded, strengthened, shaped in miraculous and sometimes terrifying ways by accident and experience. With courage and relentless honesty, Dani Shapiro opens the door to her house, her marriage, and her heart, and invites us to witness her own marital reckoning--a reckoning in which she confronts both the life she dreamed of and the life she made, and struggles to reconcile the girl she was with the woman she has become.

📖 **Infinityglass: An Hourglass Novel** Myra McEntire, 2013-08-06 The stakes have risen even higher in this third book in the Hourglass series. The Hourglass is a secret organization focused on the study of manipulating time, and its members -- many of them teenagers -- have uncanny abilities to make time work for them in mysterious ways. Inherent in these powers is a responsibility to take great care, because altering one small moment can have devastating consequences for the past, present, and future. But some time travelers are not exactly honorable, and sometimes unsavory deals must be struck to maintain order. With the Infinityglass (central to understanding and harnessing the time gene) at large, the hunt is on to find it before someone else does. But the Hourglass has an advantage. Lily, who has the ability to locate anything lost, has determined that the Infinityglass isn't an object. It's a person. And the Hourglass must find him or her first. But where do you start searching for the very key to time when every second could be the last?

📖 **Hourglass** Myra McEntire, 2011-06-14 One hour to rewrite the past . . . For seventeen-year-old Emerson Cole, life is about seeing what isn't there: swooning Southern Belles; soldiers long forgotten; a haunting jazz trio that vanishes in an instant. Plagued by phantoms since her parents' death, she just wants the apparitions to stop so she can be normal. She's tried everything, but the visions keep coming back. So when her well-meaning brother brings in a consultant from a secretive organization called the Hourglass, Emerson's willing to try one last cure. But meeting Michael Weaver may not only change her future, it may change her past. Who is this dark, mysterious, sympathetic guy, barely older than Emerson herself, who seems to believe every crazy word she says? Why does an electric charge seem to run through the room whenever he's around? And why is he so insistent that he needs her help to prevent a death that never should have happened? Full of atmosphere, mystery, and romance, Hourglass merges the very best of the paranormal and science-fiction genres in a seductive, remarkable young adult debut.

📖 **The Hourglass** Barbara Metzger, 2013-04-19 Coryn, Earl of Ardeth, has spent an eternity in Hell. Fed up, he gambles with the Devil and wins a second chance: if he can find his heart, his soul, and his hourglass in six months, he can return to life. Then he meets Genie, a disgraced water-girl at the Battle of Waterloo. Now, her only hope is this crazy stranger--and she's half-terrified of and half-in-love with the eccentric Earl. Together they have to find his humanity, her social acceptance, and overcome someone bent on destroying their lives.

📖 **Hourglass** Liz. Heron, 2018

📖 **Hourglass** Pauline C. Harris, 2015-02-05 Jude Sprocket has been a pirate her whole life. Taken in by a man who found her alone on a distant planet at the age of seven, all she has to remember of her past life is the loss her hand - the vague memory of a race through the woods and a bloody aftermath. Now, her father recently dead, seventeen-year old Jude has inherited his spaceship - Hourglass. Determined to get off Earth and continue her father's legacy of piracy, she assembles a crew and takes to the stars. But more than abandoned ships and hidden treasure await Jude in the vast void of space. She's haunted by dreams of a distant land, children hiding in the shadows, and a little girl she somehow feels the need to find. When Jude and her crew stumble across an uncharted planet, curiosity gets the better of them and they land, unaware of the dangers that wait. Suddenly, Jude's worst nightmares are coming true as she lands on the planet she was never meant to leave.

📖 **Timepiece: An Hourglass Novel** Myra McEntire, 2012-06-12 Kaleb Ballard was never supposed to be able to see ripples--cracks in time. Are Kaleb's powers expanding, or is something very wrong? Before Kaleb can find out, Jonathan Landers, the man who tried to murder his father, reappears. Why is he back, and what, or whom, does he want? In the wake of Landers's return, the Hourglass organization is offered an ultimatum by a mysterious man. Either they find Landers and the research he has stolen on people who might carry the time gene, or time will be altered--with devastating results for the people Kaleb loves most. Now Kaleb, Emerson, Michael, and the other Hourglass recruits have no choice but to use their extraordinary powers to find Landers. But where do they even start? And when? Even if they succeed, just finding him may not be enough. . . . The follow-up to Hourglass, Timepiece blends the paranormal, science-fiction, mystery, and suspense genres into a nonstop thrill ride where every second counts.

📖 **The Hourglass** Elizabeth Gage, 2000 Kate is among three adolescent friends, brought together by tragedy, who vow to reunite in 15 years. After becoming a successful writer in New York, Kate returns to the prescribed meeting spot in the town of her youth and meets an unexpected destiny with her friends.

📖 **Hourglass** Dani Shapiro, 2018-04-03 The New York Times bestselling author of *Inheritance* delivers her most intimate and powerful work: a piercing, life-affirming memoir about marriage and memory, sorrow and love. • A beautiful book by a writer of rare talent.”—Cheryl Strayed, bestselling author of *Wild* *Hourglass* is an inquiry into how marriage is transformed by time—abraded, strengthened, shaped in miraculous and sometimes terrifying ways by accident and experience. With courage and relentless honesty, Dani Shapiro opens the door to her house, her marriage, and her heart, and invites us to witness her own marital reckoning—a reckoning in which she confronts both the life she dreamed of and the life she made, and struggles to reconcile the girl she was with the woman she has become. What are the forces that shape our most elemental bonds? How do we make lifelong commitments in the face of identities that are continuously shifting, and commit ourselves for all time when the self is so often in flux? What happens to love in the face of the unexpected, in the face of disappointment and compromise—how do we wrest beauty from imperfection, find grace in the ordinary, desire what we have rather than what we lack? Drawing on literature, poetry, philosophy, and theology, Shapiro writes gloriously of the joys and challenges of matrimonial life, in a luminous narrative that unfurls with urgent immediacy and sharp intelligence. Artful, intensely emotional work from one of our finest writers.

📖 **Measuring Time - By an Hourglass** Kitty Crockett Robertson, 2008-08 Ipswich Chronicle Photo Kitty Robertson’s *Measuring Time* is an exquisite collection of essays, reflections on a 20th century life in small town New England, that first were published in the Ipswich Chronicle. Kitty is the author of *The Orchard: A Memoir*. That remembering of hard times and kind people received glowing reviews: Boston Globe: In graceful prose, ‘*The Orchard*’ makes the old seem new; it unsettles us from the uncertainties of our own modern truths. New York Times: The book is nothing short of a hymn. San Jose Mercury: This book is a gem. Washington Post: Adele Crockett Robertson turns out to have been a very good writer, and *The Orchard* is a lovely book. Kitty’s writing has a rhythm like the tides. Like music. Like the best bluegrass music, which from me is the ultimate compliment. North Shore Sunday editor Taylor Armerding continues: Mostly she taught those of us who had the good fortune to know her, that you can see the world without having to see the whole world. That when you choose a tiny corner of it, get to know its land and its people, train your eyes and your mind to look for beauty in the great, small and tiniest things, that you have seen a world and lived a life as exquisite as any. *Measuring Time* is like that, petals, perhaps, of the apple blossoms of *The Orchard*. Look through my eyes for a little while, Kitty invites, and may what you see bring you the joy it brings to me.

📖 **Hourglass** Danilo Kiš, 1997 Of all Danilo Kiš’s books, *Hourglass*, the account of the final months in one man’s life before he is sent to a concentration camp, is generally considered his masterpiece. A finely sustained, complex fictional performance. It is full of pain and rage and gusto and joy of living, at once side-splitting and a heartbreaker.--Washington Post Book World.

📖 **Hourglass** Claudia Gray, 2010-03-09 Bianca will risk everything to be with Lucas. After escaping from Evernight Academy, the vampire boarding school where they met, Bianca and Lucas take refuge with Black Cross, a fanatical group of vampire hunters. Bianca must hide her supernatural heritage or risk certain death at their hands. But when Black Cross captures her friend—the vampire Balthazar—hiding is no longer an option. Soon, Bianca and Lucas are on the run again, pursued not only by Black Cross, but by the powerful leaders of Evernight. Yet no matter how far they travel, Bianca can’t escape her destiny. Bianca has always believed their love could survive anything . . . but can it survive what’s to come?

📖 **Bearing an Hourglass** Piers Anthony, 2012-02-14 Like *On a Pale Horse*, this second, complete-in-itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the *Hourglass*, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.

📖 **The Hourglass Solution** PhD Jeff Johnson, 2010-05-21 Seventy-five million baby boomers are finding themselves bound by habits and pursuits instigated many years ago - and for a large percentage of those boomers, significant aspects of their lives no longer satisfy. But by joining revolutionary insight to highly proprietary prescriptive advice, *The Hourglass Solution* provides a proactive and pragmatic way to lead a better life after 50. Johnson and Forman evaluate the life narrative through the lens of an hourglass - proposing that those in early adulthood are at the top of the hourglass, able to select from many options, while those in middle age are in the hourglass’s neck, constrained by the choices they made earlier in their lives. *The Hourglass Solution* explains how those approaching their fifties (and beyond) can still find a wealth of opportunity by recognizing and pursuing new directions, free from the restrictions imposed by an earlier choice. Like Gail Sheehy’s

PASSAGES BEFORE IT, THE HOURGLASS SOLUTION WILL ENLIGHTEN AND INSPIRE A GENERATION OF READERS TO REGAIN CONTROL OVER THEIR LIVES AND WELL-BEING.
