The Hours / Mrs. Dalloway Michael Cunningham, Virginia Woolf, 2022-05-03 Michael Cunningham brings together his Pulitzer Prize-winning novel with the masterpiece that inspired it, Virginia Woolf's *Mrs. Dalloway*. In *The Hours*, the acclaimed author Michael Cunningham draws inventively on the life and work of Virginia Woolf and the story of her novel, *Mrs. Dalloway*, to tell the story of a group of contemporary characters struggling with the conflicting claims of love and inheritance, hope and despair. In this edition, Cunningham brings his own Pulitzer Prize-winning novel together with Woolf's masterpiece, which has long been hailed as a groundbreaking work of literary fiction and one of the finest novels written in English. The two novels, published side by side with a new introduction by Cunningham, display the extent of their affinity, and each illuminates new facets of the other in this joint volume. In his introduction, Cunningham re-creates the wonderment of his first encounter with *Mrs. Dalloway* at fifteen—as he writes, “I was lost. I was gone. I never recovered.” With this edition, Cunningham allows us to disappear into the world of Woolf and into his own brilliant mind.

The Hours Michael Cunningham, 2013-03-28 Winner of the 1999 Pulitzer Prize and Pen Faulkner prize. Made into an Oscar-winning film, ‘*The Hours*’ is a daring and deeply affecting novel inspired by the life and work of Virginia Woolf.

168 Hours Laura Vanderkam, 2011-05-31 It's an unquestioned truth of modern life: we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices- taking time out from other things in order to fit it all in. There has to be a better way...and Laura Vanderkam has found one. After interviewing dozens of successful, happy people, she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the

important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.

Book of Hours Kevin Young, 2015-10-13 A decade after the sudden and tragic loss of his father, we witness the unfolding of grief. "In the night I brush / my teeth with a razor," he tells us, in one of the collection's piercing two-line poems. Capturing the strange silence of bereavement ("Not the storm / but the calm / that slays me"), Kevin Young acknowledges, even celebrates, life's passages, his loss transformed and tempered in a sequence about the birth of his son: in "Crowning," he delivers what is surely one of the most powerful birth poems written by a man, describing "her face / full of fire, then groaning your face / out like a flower, blood-bloom, / crocused into air." Ending this book of both birth and grief, the gorgeous title sequence brings acceptance, asking "What good/are wishes if they aren't / used up?" while understanding "How to listen / to what's gone." Young's frank music speaks directly to the reader in these elemental poems, reminding us that the right words can both comfort us and enlarge our understanding of life's mysteries.

Books for Idle Hours Donna Harrington-Lueker, 2019-08-30 The publishing phenomenon of summer reading, often focused on novels set in vacation destinations, started in the nineteenth century, as both print culture and tourist culture expanded in the United States. As an emerging middle class increasingly embraced summer leisure as a marker of social status, book publishers sought new market opportunities, authors discovered a growing readership, and more readers indulged in lighter fare. Drawing on publishing records, book reviews, readers' diaries, and popular novels of the period, Donna Harrington-Lueker explores the

beginning of summer reading and the backlash against it. Countering fears about the dangers of leisurely reading—especially for young women—publishers framed summer reading not as a disreputable habit but as a respectable pastime and welcome respite. Books for Idle Hours sheds new light on an ongoing seasonal publishing tradition.

The Wee Hours Stephanie Watson, 2013-08-27 Late, late, late, when you are fast asleep, wondrous things happen. One by one, small creatures called the Wee Hours come out to play. They dance and clap and sing and create. Their adventures are the things of your dreams. Wee readers will delight in finding numbers, clocks, and other surprises hidden in the gorgeous artwork on every page of this dreamy book.

Human Hours Catherine Barnett, 2018-09-04 Winner of the Believer Book Award The triumphant follow-up collection to The Game of Boxes, winner of the James Laughlin Award Catherine Barnett's tragicomic third collection, Human Hours, shuttles between a Whitmanian embrace of others and a kind of rapacious solitude. Barnett speaks from the middle of hope and confusion, carrying philosophy into the everyday. Watching a son become a young man, a father become a restless beloved shell, and a country betray its democratic ideals, the speakers try to make sense of such departures. Four lyric essays investigate the essential urge and appeal of questions that are "accursed," that are limited—and unanswered—by answers. What are we to do with the endangered human hours that remain to us? Across the leaps and swerves of this collection, the fevered mind tries to slow—or at least measure—time with quiet bravura: by counting a lover's breaths; by remembering a father's space-age watch; by envisioning the apocalyptic future while bedding down on a hard, cold floor, head resting on a dictionary. Human Hours pulses with the absurd, with humor that accompanies the precariousness of the human condition.

61 Hours Lee Child, 2010-05-18 #1 NEW YORK TIMES BESTSELLER • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER "Reacher gets better and better. . . . In nearby Bolton, South Dakota, one brave woman is standing up for justice in a small town threatened by sinister forces. If she's going to live long enough to testify, she'll need help. Because a killer is coming to Bolton, a coldly proficient assassin who never misses. Reacher's original plan was to keep on moving. But the next 61 hours will change everything. The secrets are deadlier and his enemies are stronger than he could have guessed—but so is the woman he'll risk his life to save.

A Book of Hours Thomas Merton, 2007-03-01 Thomas Merton was the most popular proponent of the Christian contemplative tradition in the twentieth century. Now, for the first time, some of his most lyrical and prayerful writings have been arranged into A Book of Hours, a rich resource for daily prayer and contemplation

that imitates the increasingly popular ancient monastic practice of praying the hours. Editor Kathleen Deignan mined Merton's voluminous writings, arranging prayers for Dawn, Day, Dusk, and Dark for each of the days of the week. A Book of Hours allows for a slice of monastic contemplation in the midst of hectic modern life, with psalms, prayers, readings, and reflections.

100 Hours Rachel Vincent, 2017-03-28 A decadent spring break beach getaway becomes a terrifying survival story when six Miami teens are kidnapped. A pulse-pounding thrill ride from New York Times bestselling author Rachel Vincent. Maddie is beyond done with her cousin Genesis's entitled and shallow entourage. Genesis is so over Miami's predictable social scene with its velvet ropes, petty power plays, and backstabbing boyfriends. While Maddie craves family time for spring break, Genesis seeks novelty—like a last-minute getaway to an untouched beach in Colombia. And when Genesis wants something, it happens. But paradise has its price. Dragged from their tents under the cover of dark, Genesis, Maddie, and their friends are kidnapped and held for ransom deep inside the jungle—with no diva left behind. It all feels so random to everyone except Genesis. She knows they were targeted for a reason. And that reason is her. Now, as the hours count down, only one thing's for certain: If the Miami hostages can't thwart their captors' plan, no one will make it out alive. Tapping into our darkest fears while exploring issues of injustice, loss, and the courage to fight for what matters most, this thrilling read is perfect for fans of Nova Ren Suma, Becca Fitzpatrick, and Jennifer L. Armentrout.

The Paris Hours Alex George, 2020-05-05 "Like All the Light We Cannot See, *The Paris Hours* explores the brutality of war and its lingering effects with cinematic intensity. The ending will leave you breathless." —Christina Baker Kline, author of *Orphan Train* and *A Piece of the World* One day in the City of Light. One night in search of lost time. Paris between the wars teems with artists, writers, and musicians, a glittering crucible of genius. But amidst the

dazzling creativity of the city's most famous citizens, four regular people are each searching for something they've lost. Camille was the maid of Marcel Proust, and she has a secret: when she was asked to burn her employer's notebooks, she saved one for herself. Now she is desperate to find it before her betrayal is revealed. Souren, an Armenian refugee, performs puppet shows for children that are nothing like the fairy tales they expect. Lovesick artist Guillaume is down on his luck and running from a debt he cannot repay—but when Gertrude Stein walks into his studio, he wonders if this is the day everything could change. And Jean-Paul is a journalist who tells other people's stories, because his own is too painful to tell. When the quartet's paths finally cross in an unforgettable climax, each discovers if they will find what they are looking for. Told over the course of a single day in 1927, *The Paris Hours* takes four ordinary people whose stories, told together, are as extraordinary as the glorious city they inhabit.

13 Hours Mitchell Zuckoff, 2014-09-09 The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. *13 Hours* presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. *13 Hours* sets the record straight on what happened during a night that has been shrouded in mystery and controversy. Written by New York Times bestselling author Mitchell Zuckoff, this riveting book takes readers into the action-packed story of heroes who laid their lives on the line for one another, for their countrymen, and for their

country. *13 Hours* is a stunning, eye-opening, and intense book--but most importantly, it is the truth. The story of what happened to these men--and what they accomplished--is unforgettable.

The Distant Hours Kate Morton, 2011-07-12 Edie Burchill visits Milderhurst Castle where her mother stayed during World War II, discovering the three elderly sisters of the castle still alive but haunted by the secrets of their past life with their father, a famous children's author.

The First 20 Hours Josh Kaufman, 2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what

your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Little Hours: A Novel Lil Copan, 2021-06-09 2022 GOLD WINNER: NAUTILUS BOOK AWARDS - FICTION/SMALL PRESS 2022 FINALIST: NEXT GENERATION INDIE BOOK AWARDS - REGIONAL FICTION Book Description When Miriam—restless, and longing for something she cannot name—picks up a copy of *Sister Bird's Guide to Small Birds* she finds on the last page an invitation from the Sisters at St. Hildegard Monastery on Plover Point—"we gladly respond to questions about the life of birds and the life of faith." Debut novelist Lil Copan brings us a book for birdwatchers, coffee drinkers, baseball fans, bumper-sticker readers, animal lovers and all those who care about life's most piercing, unanswerable, tender, humanizing questions. One set of letters over the course of two years reveals deep internal conflicts, a small farm on the verge of going under, a nun with a gambling addiction, and another with a profound secret that might upend everything the community worked so hard for. When an innocent birding question begins this special correspondence, what emerges is a revelatory journey of the spirit. Reviews I read it straight through. I'm not confident that I even breathed while reading it. The novel is a wonder! Formally, literarily, and spiritually, it's just staggering.

Wise and absorbing. Reading *LITTLE HOURS*, I had the all too rare experience of losing the self-conscious awareness that I was reading; I was, instead, simply and suddenly placed in a world that was both familiar and unfamiliar to me. What a gift. —Lauren F. Winner, author of *Girl Meets God* What characters they are: finely drawn, indelibly comic, charming, irascible, forbidding, wise. And foolish, as we all are, in most compelling, most believable, ways. Beautiful writing and penetrating intelligence . . . [reminding us] sometimes wayward paths end up being the surest. —Carlene Bauer, author of *Frances and Bernard* Gorgeously written. Lil Copan's luminous new book will do wonders for your soul. —James Martin, author of *Building a Bridge* *Little Hours* is immediately funny, intimate, and soul-tending. From the first exchange of letters, you love the women writing them. You realize that their questions, desires, and temptations are your own, so you hang on every word, waiting to learn and grow along with these beautiful characters. This book is so true, and so gentle and loving in its truth telling. —Vinita Hampton Wright, author of *Velma Still Cooks in Leeway* This is one of the best models for spiritual companionship I've seen in print. It's a profound book. I hope that my listeners will pick it up and will love it as I have loved it. —David Dault, host of *Things Not Seen* radio show and podcast

Nyx Llorca keeps two secrets: the moon speaks to her, and she's in love with her best friend, Dahlia. Braeden Tennant wants two things: to get out from his mother's shadow, and to unlearn his colony's darkest secret. To save everyone they love, they'll both have to commit treason. During one twenty-seven-hour night, these four runaways must stop the war between the colonies and the monsters from becoming a war of extinction, or the things they fear most will be
