Family Budgeting 101 the Ultimate Guide Philip E Emmanuel, 2022-09-03 A common saying that doesn't pertain to the positive flow of money is Money Comes, Money Goes, which emphasizes our inability to determine what happened to all of the money that was present yesterday. Tracking every dollar that enters your pocket and giving it a place in your household's affairs is made possible by budgeting, which is both an art and a science. How, therefore, can you be confident that they are all protected at all times? It doesn't have to be difficult or tedious to learn how to create a budget; in fact, I teach you how here without making you fall asleep.
