The All-New Real Estate Foreclosure, Short-Selling, Underwater, Property Auction, Positive Cash Flow Book Chantal Howell Carey, Bill Carey, 2009-08-07 Praise for *How to Sell Your Home Without a Broker* On a scale of 1 to 10, this book is a 10. —Robert Bruss Jump into the real estate game—and win big! Home values are crashing and foreclosures are way up. You might think this is a terrible time to get into the real estate market—but you'd be wrong! A crashing real estate market offers plenty of opportunity to profit, if you know how to change your strategy and adjust to the new market reality. In *The All-New Real Estate Foreclosure, Short-Selling, Underwater, Property Auction, Positive Cash Flow Book*, top real estate investors and authors Chantal and Bill Carey show you how to get in safely and get out profitably. They present four new strategies for taking advantage of today's high foreclosure rate and explain how to invest for the long-term as the market resets to more realistic levels. Novice investors will find plenty of strategies for profiting without risking all they have, and old hands will find new, unconventional techniques that will help them continue to profit even if the market continues to struggle. Inside, you'll learn how to: Combine short-term and long-term investing strategies for cash flow today and tomorrow Buy mortgages in foreclosure at rock-bottom short-sale prices Avoid dealing with lenders by using the seller as your banker Utilize the right type of real estate auction for your investment needs Maximize your cash flow for big profits now and in the future Prepare yourself to profit from rising prices and near-term inflation Whether you're a first-timer or an experienced real

estate pro, this is the ultimate guide to getting into the real estate market safely and cheaply—and getting out rich!

Bidding to Buy David Osborn, Aaron Amuchastegui, 2020-09-07 Welcome to the world of buying foreclosed homes at auction--a real estate strategy that lets you remove the middleman, decrease your competition, and buy at a discount. Bidding for properties on the courthouse steps while competing in real time with other investors is a thrilling experience. There's nothing like it in the world of real estate, but there's also a lot to learn. With dozens of insider auction secrets that are proven to help maximize returns, Bidding to Buy will show you the skills you need to successfully bid at auction, then turn a healthy profit on your investment. Successfully buying foreclosures isn't a matter of luck, and it isn't for insiders only. However, it does require a process--one that can be repeated for optimal returns. In this book, you'll find a full blueprint of the foreclosure process, including the repeatable five-step method that the authors have used to buy thousands of properties. Discover a new kind of real estate investment and uncover profits on your local courthouse steps! Inside, you'll learn how to: Find properties before they are broadly exposed to the market Understand the entire foreclosure process and how it differs from state to state Conduct complete title research and develop an eye for red flags Navigate the potential risks and pitfalls behind a live auction Access property listings and early posting data Build an accurate financial analysis on any available property Acquire creative and alternative financing methods, including no-cash solutions Complete critical post-auction steps, such as evicting tenants

Make Money in Short-Sale Foreclosures Chantal Howell Carey,Bill Carey,2005-07-08 MAKE MONEY IN SHORT-SALE FORECLOSURES Foreclosures are the most profitable way to invest in real

estate. But most real estate books on foreclosures don't tell you how to invest in short-sale foreclosures--properties with even more profit potential than regular foreclosures. A short-sale foreclosure is a lender accepting a loan payoff for less than the amount owed. This comprehensive new guide from renowned real estate authors Chantal and Bill Carey covers all the ins and outs of short-sale foreclosure investing, from finding properties to negotiating with lenders, to closing the deal and making a bundle. Inside you'll find all the information you need to succeed: * Finding great short-sale foreclosure deals * Dealing with owners in financial distress * When to buy short-sale foreclosures * Creating equity in foreclosure properties * Writing successful short-sale offers * FHA, VA, and private mortgage insurance short-sales * Purchasing short-sale properties at auction * Understanding escrow, closing, and title insurance * Flipping short-sale properties
