The Knights Code Todd Beblow,2019-02-11 The Knights Code introduces the reader to the author who had received a parcel from a Central American country, containing a number of intriguing legal documents, including the most valuable, Apollo's Journal. During her investigation she begins to unravel a deep mystery into a number of recorded Historical Events that have coincided with Apollo's Journal Entries. Following the trail, the author travels from North America to Saudi Arabia, where she obtains factual evidence and documentation that parallel many of the journal entries. As the investigation unfolds, the author discovers an ancient rivalry that has existed for hundreds, even thousands of years. The scale of time, often tipped in the favour of this ancient evil, they have spun a web of deception across the entire planet, continuing to oppress the Chosen People of God! Apollo's arrival on Earth to a predestined place in time when the inhabitants of this Blue Planet and Technological Advancements have evolved to a pinnacle of the cosmos. Apollo, quite unknowingly is thrust into this ancient rivalry. Refusing to be subject to another lifetime of oppression, he eventually becomes enlightened, his DNA the very key to unlocking the code. The author unravels the clues of the journal that has led to a cluster of cells of this ancient enemy, nestled in the Desert of the Rub' al Khali, where these opposing forces meet head on, as Apollo attempts to recover an Ancient Relic, that had been stolen and lost for many years! This syndicate reveals just how complex and adaptive they have become, incorporating the most advanced of this technology to push their parasitic agenda, infecting all levels of society, preying on the unsuspecting. Revealing one of many heads of The Serpent, The Snake Dynasty, NAZIS and ISIS, the offspring of this mafia run organization have feared the day, when the Ancient Scripture is deciphered. A code that has been hidden in plain sight for thousands of years, the Ancient Scripture will spawn the first novel of The Knights Code.
