I Didn't Do the Thing Today Madeleine Dore,2022-01-11 How to release productivity guilt and embrace the hidden values in our daily lives. Any given day brings a never-ending list of things to do. There's the work thing, the catch-up thing, the laundry thing, the creative thing, the exercise thing, the family thing, the thing we don't want to do, and the thing we've been putting off, despite it being the most important thing. Even on days when we get a lot done, the thing left undone can leave us feeling guilty, anxious, or disappointed. After five years of searching for the secret to productivity, Madeleine Dore discovered there isn't one. Instead, we're being set up to fail. *I Didn't Do the Thing Today* is the inspiring call to take productivity off its pedestal—by dismantling our comparison to others, aspirational routines, and the unrealistic notions of what can be done in a day, we can finally embrace the joyful messiness and unpredictability of life. For anyone who has ever felt the pressure to do more, be more, achieve more, this antidote to our doing-obsession is the permission slip we all need to find our own way.

Under the Wide and Starry Sky Nancy Horan,2014-01-21 NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists' colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years

her junior, who falls instantly in love with the earthy, independent, and opinionated “belle Americaine.” Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson’s charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson’s own unforgettable tales. Praise for *Under the Wide and Starry Sky* “A richly imagined [novel] of love, laughter, pain and sacrifice . . . *Under the Wide and Starry Sky* is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership.”—USA Today “Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it’s meant to be.”—Fort Worth Star-Telegram “Horan’s prose is gorgeous enough to keep a reader transfixed, even if the story itself weren’t so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist’s art.”—The Dallas Morning News “A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance.”—The New York Times Book Review

Wouldn't you like to know how Jesus would respond to today's troubling issues, such as poverty, wealth, sickness, the sexual revolution, and more? What Will I Do with My Love Today? Kristin Chenoweth,2022-03-08 Broadway and screen star Kristin Chenoweth's whimsical adventure about adoption reminds kids they have an abundance of love and kindness to share, whether adopting a pet or expanding their family. *What Will I Do with My Love Today?* is a sweet adventure picture book by celebrity Kristin Chenoweth, known for her role in Broadway's *Wicked* and her Emmy Award-winning performance in the ABC hit series *Pushing Daisies*. Join young Kristi Dawn as she joyfully walks around New York City, sharing her love through acts of generosity—from singing in the church choir to helping a neighbor weed her garden. When she meets a lonely dog looking for a home, Kristi shows that adoption is one of the most loving and life-changing gifts of all. Through delightful rhyme and examples of child-friendly (and pup-friendly!) acts of generosity and kindness, Chenoweth shares the powerful message that the more love you give, the more love you get back! This read-aloud picture book is perfect for kids ages 4 to 8, tells a meaningful story alongside playful illustrations from Maine Diaz, is a great gift for baby showers, adoption parties, soon-to-be older siblings, and dog-loving kids, is a meaningful way to celebrate Random Acts of Kindness Day, National Dog Day, and National Adopt a Shelter Pet Day, and is a fun gift for fans of Kristin Chenoweth. Inspired by Chenoweth's inspiring, love-filled message, your kids will jump out of bed every morning and say, What will I do with my love today?

How Do You Feel Today? (EasyRead Super Large 18pt Edition) Cynthia Macgregor,2001

The Chariots Flew Then And Still Do Today! Dr. Ron Pleune,2019-12-12 Dr. Pleune confronts the religious community, and in specific the Christian faith (which is very broad), by looking at the challenges of faith and its reliability as well as its unreliability by asking some very basic questions to get people thinking about their faith and the authority that backs up their faith as being reliable or not. A follow-up question that kicks off the subject of reliability is the appearance of Truth. Does something exist that is relied upon by means of a person's say-so or textual authority which may or may not be initially written in correct interpretation from earlier writings as well as the injection of the writers own view, bias or prejudice? In disseminating the Truth, Dr. Pleune examines writings, archeology, the bible and the immense information stored in the Storage Banks of which the Plejaren from the planet of Era introduce to Billy Meier. The storage banks go back hundreds of thousands of years and are more accurate than Biblical and archeological records that exist. In this context, Dr. Pleune discusses what and why people accept religious beliefs...even though they are false. Dr. Pleune brings out two distinct subjects that deal with what is truth and what is not truth. The first subject discussed is the dating of the Noah's Ark Flood. This has been severely misunderstood and even errantly neglected in research. It is even skewed in its time frame and what caused the so-called Flood. The research on this topic even changes the Religionists concept of dating the earth...that is to say if they dare to learn the truth! It also correctly aids in the dating of the end of the ice age and the answer to why we have twenty-four hours in a day and what the axis of the earth was prior to the Destroyer Comet. In addition to this profound information, Dr. Pleune also explains the Sumerian King List and its relationship to alien life ruling the Sumerian populace and aspects of their longevity, technology and rulership. This aspect of study had a bearing on early Biblical faith in what was considered the worship of a God. Dr. Pleune explains the true definition of God as well as JHWH (King of Wisdom) and the relationship it has with Adam and his descendents (those who believed in a God or not) down to Abraham, as well as who was the God of Abraham. Dr. Pleune follows this up with a history of what is called the God of the Hebrews, Christians, and whoever else follows the belief of God, with the true and accurate information from the storage banks of the universe that no other scripture of any kind has stated before. Sadly, there are those who will cling to a Savior and God that have been put on a pedestal because they only accept what feels good or sounds right even though there is so much proof that states otherwise. The whole matter has a direct influence on the skewed social interaction and treatment between mankind, which in turn results in a religious denomination turning against itself and splitting neighbor against neighbor, parent against child; religious texts being misunderstood; and finally coming full circle to who is right and who is wrong. Dr. Pleune points out the hatred and carnage that religious convictions have cost in wars, splits in family circles and neighborhoods, and our nation's stand on issues as well as treaties and working relationships with other nations. Finally, Dr. Pleune discusses false teachings, delusional beliefs, and skewed interpretation of Biblical script as it relates to the authoritative revelations from the Plejaren (those from the area of the Pleiades) who have historical information that is far more accurate than any religious texts on Earth. If you fail to research these

accurate revelations, you will lack the wisdom of life and continue to be blinded by self and delusional concepts.
