Estonian Vocabulary Book Pinhok Languages, 2022-05-01 Estonian vocabulary book + Estonian dictionary This Estonian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of

the book provides you with a basic Estonian-English as well as English-Estonian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Estonian learning resource is a combination of Estonian vocabulary book and a two-way basic Estonian dictionary: Part 1 - Topic based Estonian vocabulary book: This is the main part of the book and represents a list of chapters each containing Estonian vocabularies for a certain topic. The Estonian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Estonian dictionary: The index in the second half of the book can be used as a basic Estonian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Estonian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Estonian words and directly find the English translation

How to use this Estonian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Estonian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Estonian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Estonian dictionary parts, this vocabulary book is a great resource to support you throughout the process of

learning Estonian and comes in particularly handy at times when there is no internet to look up words and phrases.

Estonian Life Stories Tiina Kirss, Rutt Hinrikus, 2009-01-01 After a short period of independence, Estonia was occupied in World War II by the Red Army, then Nazi Germany, and again, for a lasting occupation, by the Soviets. No wonder that a greater part of the roughly one million Estonians had harshly eventful lives. This anthology contains 25 selected life stories collected from Estonians who lived through the tribulations of the 20th century, and describe the travails of ordinary people under numerous regimes. The autobiographical accounts provide authentic perspectives on events of this period, where time is placed in the context of life-spans, and subjects grounded in personal experience. Most of the life stories reveal sufferings under foreign (Russian) oppression. The product of a large-scale national project to record history

by collecting autobiographical accounts, and a process of engaged selection for publication which followed. The variety of life-experiences recorded offers comparison across cultures, as well as an overview of the powerful neighbors as they relinquish and strengthen their hold on Estonia.

The Estonian People on the Road to a New Life Aleksei Müürisepp,1961

Learn Estonian - Quick / Easy / Efficient Pinhok Languages,2019-05-14 A curated Estonian word frequency list Are you looking for unconventional ways to speed up the process of learning Estonian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is

built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Estonian words and phrases ordered by their frequency of use. Who this Estonian learning book is for: This book is for beginners and intermediate learners of Estonian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Estonian frequency list is not for: This book is not for you if you are an advanced learner of Estonian. In this case, please go to our website or search for our Estonian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Estonian learning book that guides you through the various steps of learning Estonian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Estonian workbook: This book is ideally used on a daily basis,

reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.
