Memory Improvement Ron White, 2013-07 Have you ever walked into a room and couldn't remember what you went there for? * Have you ever grasped the hand of a potential client and then when the handshake broke, the name seemed to disappear from your memory? * Or have you ever left a prospect or an important meeting and as you drove away remembered a key point that you should have shared with them? The problem is NOT with your memory. The problem is with the Filing System your brain currently uses to store and retrieve memory items. Change the filing system and you'll double and even triple your memory comprehension. Two-time USA Memory Champion Ron White will teach you the same 2,000-year-old memory method that he has already taught thousands to: * Give presentations and speeches without notes... * Memorize chapters of books word for word... * Retain information from workshops or training classes... * Improve your grades and study skills... * Remember

names and faces, even years later... * Routinely memorize 100 digit numbers after hearing them only once... * And lots more! Includes an offer for a FREE video of Easy As 1-2-3 Memory Tricks

Improve Your Memory Robert Allen, 2015-01-22 Memory is like a muscle - you either use it or lose it. Memory plays a crucial role in our lives because it is closely linked to intelligence. Unless your memory is well stocked with information, what have you got to draw upon when you need to solve problems, make decisions, or think creatively? Then there's all the everyday stuff like remembering where you put your car keys, not missing anniversaries, or revising for exams. So, can you really improve your memory in one day? Yes, you undoubtedly can. This book provides you with the all tools you need to improve your memory radically. And the more you practice, the better your memory gets, so we've included a month's worth of day-by-day tests and exercises to make your memory super strong.

Memory Power Scott Hagwood, 2007-01-09 An exciting and innovative plan for developing a great memory, from america's four-time national Memory Champion.

Your Memory Kenneth L. Higbee, Ph.D., 2008-03-03 Do you want to stop forgetting appointments, birthdays, and other important dates? Work more efficiently at your job? Study less and get better grades? Remember the names and faces of people you meet? The good news is that it's all possible. Your Memory will help to expand your memory abilities beyond what you thought possible. Dr. Higbee reveals how simple techniques, like the Link, Loci, Peg, and Phonetic systems, can be incorporated into your everyday life and how you can also use these techniques to learn foreign languages faster than you thought possible, remember details you would have otherwise forgotten, and overcome general absentmindedness. Higbee also includes sections on aging and

memory and the latest information on the use of mnemonics.

Moonwalking with Einstein Joshua Foer, 2011-03-03 "Highly entertaining."
—Adam Gopnik, The New Yorker "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." —The Boston Globe The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top mental athletes. He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.

How to Develop a Good Memory for Names, Faces, and Facts Robert Nut, 2011-06-21 Your Poor Memory is Costing You Money... Has simple forgetfulness ever cost you a client, a great opportunity, or even respect? It can be embarrassing to forget things. It can make you look stupid in front of your peers and it can make you look incompetent in front of employers. It can also be frustrating to forget names, numbers, and dates...and deal with the aftermath, like having to explain yourself and apologize for the mix-ups you've caused. But now there's a way for you to end your humiliation, earn respect, and gain the mental power you wish you had. Memory is not something you're born with...it's something that we learn when we're very young, using the skill to remember people, places, colors, facts, and figures. As we get older though, we tend to stop using our memory skills...and they disappear. Now, you can get your memory back...and improve it! The process is both simple and easy. Turn Your Mind into a Powerful Mental Filing System... With a few simple techniques, you can learn how to sharpen your memory, increase your brain power, and gain more knowledge than you ever thought possible. You can start using these techniques immediately. Turn your mind into a powerful mental filing system that will allow you to start remembering 100 times as much (or more) as you do right now. With this book you will discover: - How to recall any fact, figure, or image with lightning-fast speed! - The secret to remembering names and faces without having to think about it! - 5 little words that will increase your memory by 33% - virtually overnight! - How you can memorize everything you read - and keep it stored it in your mind for years! - The 5 keys that will unlock your memory and allow you to memorize entire paragraphs, speeches, or proposals - word for word - with ease! - How you can speak in public without any notes and even store entire shopping

lists in your memory - without forgetting a thing! If you're ready to develop an amazing memory that can store and remember every name, date, face, fact, or figure you need... get this book!
