Candy Girl Diablo Cody, 2005-12-29 Decreed by David Letterman (tongue in cheek) on CBS TV's The Late Show to be the pick of "Dave's Book Club 2006," Candy Girl is the story of a young writer who dared to bare it all as a stripper. At the age of twenty-four, Diablo Cody decided there had to be more to life than typing copy at an ad agency. She soon managed to find inspiration from a most unlikely source— amateur night at the seedy Skyway Lounge. While she doesn't take home the prize that night, Diablo discovers to her surprise the act of stripping is an absolute thrill. This is Diablo's captivating fish-out-of-water story of her yearlong walk on the wild side, from quiet gentlemen's clubs to multilevel sex palaces and glassed-in peep shows. In witty prose she gives readers a behind-the-scenes look at this industry through a writer's keen eye, chronicling her descent into the skin trade and the effect it had on her self-image and her relationship with her now husband.

*Strip Club Mastery* Stro Diggs, 2017-05-05 Have you ever been to a

strip club and noticed that some guys seem to get all the attention from the strippers? If you're like most men, you probably assume that these guys are spending a lot of money, offering illicit drugs, or are some kind of alpha males that you either can't or don't want to compete with. What if I told you that this was an illusion... a **MIRAGE** to help separate you from your money? Nothing in a strip club is as it appears... don't be fooled! Sure, there will always be the guy who throws money around strip clubs and dominates the strippers' time (after all, it's their job to take their money), but do you think these guys are actually going home with them and having any kind of sexual relations with them? Hell no, they aren't! If you think all it takes is deep pockets and good looks to attract strippers then prepare to have your mind blown... I'm going to show you a simple and flawless way to walk into any strip club in the world and pull any stripper you want, night after night, without spending **ANY** of your hard-earned money. I'm going to show you how to be the guy who **DOES** go home with strippers and experiences the thrill and validation of being chosen by women who have a vast selection of men to choose from. But, it gets **WAY** better than that... I'm going to show you how to get the hottest strippers to come over to your place, night after night, without you even having to go into the club anymore! But, before I get too far ahead, let me to introduce myself. My name is Stro Diggs (Twitter), but most people just call me Stro, or Diggs (PUA Forum). I've spent a ridiculous amount of time in strip clubs over the last 15 years. I know just about everything there is to know about how strip clubs operate. I know the who, what, where, when, and why of the strip club game. I can get **VIP** status (or its equivalent) at strip clubs in days and weeks, instead of months and years, and I can do it without spending hardly any money at all. I've

been to strip clubs all around the globe and I've learned the ONE weakness they all have. They can all be played using simple social and psychological tactics that ANYONE can learn. But, there's a catch! Strip clubs are designed and operated to give the clubs, dancers, and staff an unfair advantage over the customers who walk in the door. Much like a casino, the odds are stacked against you. Here's where I come in... I've been in the middle of the strip club game for so long that I'm willing to bet that I can teach you how to master it just like me. It doesn't matter what you look like or how much money you spend in the club. (Actually, spending a lot of money in the club makes it HARDER to seduce strippers, but more on that later.) It's all about having the right attitude and working a solid game plan! Over the years I have developed and perfected word-for-word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort. I have perfected them through rigorous testing and tweaking, finally reducing them to their purest form, and made them incredibly easy to learn. I have helped many men experience some of the best nights of their lives in strip clubs. After compiling all of my strip club secrets, advice, tips, tactics, and techniques into an informative ebook, I am making it available online for the first time. Take a look inside my book and see why it's the ultimate guide to stripper seduction and VIP status...

**Strip Club** Kim Price-Glynn, 2010-09-14 In *Strip Club*, Kim Price-Glynn takes us behind the scenes at a rundown club where women strip out of economic need, a place where strippers' stories are not glamorous or liberating, but emotionally demanding and physically exhausting. *Strip Club* reveals the intimate working lives of not just the women up on stage, but also the patrons and other workers who make the place run: the owner-manager, bartenders, deejays, doormen, bouncers, housemothers, and cocktail waitresses. Price-Glynn spent fourteen months at The Lion's Den working as a cocktail waitress, and her uncommonly deep access reveals a conflict-ridden workplace, similar to any other workplace, one where gender inequalities are reproduced through the everyday interactions of customers and workers. Taking a novel approach to this controversial and often misunderstood industry, Price-Glynn draws a fascinating portrait of life and work inside the strip club.
