How to Write Clearly Edwin Abbott Abbott,1872

How to Write Clearly Edwin A. Abbott,2018-10-09 How to Write Clearly By Edwin A. Abbott Almost every English boy can be taught to write clearly, so far at least as clearness depends upon the arrangement of words. Force, elegance, and variety of style are more difficult to teach, and far more difficult to learn; but clear writing can be reduced to rules. To teach the art of writing clearly is the main object of these Rules and Exercises.

How to Write Clearly Edwin Abbott,2016-02-28 Almost every English boy can be taught to write clearly, so far at least as clearness depends upon the arrangement of words. Force, elegance, and variety of style are more difficult to teach, and far more difficult to learn; but clear writing can be reduced to rules. To teach the art of writing clearly is the main object of these Rules and Exercises. This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk

How to Write Clearly and Effectively Frank Howland McCloskey,2012-09-01

How to Write Clearly: Rules and Exercises on English Composition Edwin Abbott,2017-05-08 How to Write Clearly: Rules and Exercises on English Composition The art of writing forcibly is, of course, a valuable acquisition - almost as valuable as the art of writing clearly. But forcible expression is not, like clear expression, a mere question of mechanism and of the manipulation of words; it is a much higher power, and implies much more. How to Write Clearly: Rules and Exercises on English Composition has a beautiful glossy cover and a blank page for the dedication.

Writing Public Prose Robert M. Knight,2012-03 Offering aspiring authors dependable skills beyond the high school classroom, this reference covers the essentials of composing superior prose. Clear instructions on all aspects are featured, including approaching a topic, penning a solid introduction, bringing a story together, and editing for precision. Guaranteed to make every word count and maintain an appropriate energy level, this expert handbook is also filled with real-world examples of published writing—both good and bad—providing quick and humorous advice for all writers looking to showcase their work in speeches, broadcasting, or on the internet.

Put it in Writing Albert Joseph,1998 Guidelines for writing effective business reports cover organization, grammar, punctuation, commonly misused words, proofreading, and political correctness.

How to Write Clearly Edwin Abbott Abbott,2021-01-08 Almost every English boy can be taught to write clearly, so far at least as clearness depends upon the arrangement of words. Force, elegance, and variety of style are more difficult to teach, and far more difficult to learn; but clear writing can be reduced to rules. To teach the art of writing clearly is the main object of these Rules and Exercises. Ambiguity may arise, not only from bad arrangement, but also from other causes—from the misuse of single words, and from confused thought. These causes are not removable by definite rules, and therefore, though not neglected, are not prominently considered in this book.

Writing at Work Neil James,2007-09-01 Effective writing is a key to professional success.

Clear Concise Compelling Simon Hertnon,2007

How to Write Clearly Edwin Abbott,2017-10-09 Ambiguity may arise, not only from bad arrangement, but also from other causes-from the misuse of single words, and from confused thought. These causes are not removable by definite rules, and therefore, though not neglected, are not prominently considered in this book. My object rather is to point out some few continually recurring causes of ambiguity, and to suggest definite remedies in each case. Speeches in Parliament, newspaper narratives and articles, and, above all, resolutions at public meetings, furnish abundant instances of obscurity arising from the monotonous neglect of some dozen simple rules. The art of writing forcibly is, of course, a valuable acquisition-almost as valuable as the art of writing clearly.

Writing Clearly Dawn Sova,2004-04-14 Improve your writing skills at your own pace How do you target a specific audience in writing? What makes up a strong thesis statement? Is there a trick to maintaining clear communication in cyberspace? How do you achieve unity and coherence in a final draft? With *Writing Clearly: A Self-Teaching Guide*, you'll discover the answers to these questions and many more about the basics of communicating effectively through the written word. Each chapter in this hands-on guide focuses on key steps in the writing process, identifying the shared and differing skills demanded by each type of writing, be it a persuasive essay, a business letter, or a scientific report. The straightforward, structured format of *Writing Clearly* makes it fully accessible, providing an easy-to-understand, comprehensive overview for everyone-from students beginning to build skills, to adults looking to improve their writing, to the experienced writer hoping to further hone skills in a certain area. Like all Self-Teaching Guides, *Writing Clearly* allows you to build gradually on what you have learned-at your own pace. Questions and self-tests reinforce the information in each chapter and allow you to skip ahead or focus on specific areas of concern. Packed with useful, up-to-date information, this clear, concise volume is a valuable learning tool and reference source for anyone who wants to develop or improve his or her basic writing skills.

How to Write Clearly Edwin Abbott,2008-02-01

How to Write Clearly Rules Edwin A Abbott,2020-02-07 Almost every English boy can be taught to write clearly, so far at least as clearness depends upon the arrangement of words. Force, elegance, and variety of style are more difficult to teach, and far more difficult to learn; but clear writing can be reduced to rules. To teach the art of writing clearly is the main object of these Rules and Exercises. Ambiguity may arise, not only from bad arrangement, but also from other causes-from the misuse of single words, and from confused thought. These causes are not removable by definite rules, and therefore, though not neglected, are not prominently considered in this book. My object rather is to point out some few continually recurring causes of ambiguity, and to suggest definite remedies in each case. Speeches in Parliament, newspaper narratives and articles, and, above all, resolutions at public meetings, furnish abundant instances of obscurity arising from the monotonous neglect of some dozen simple rules. The art of writing forcibly is, of course, a valuable acquisition-almost as valuable as the art of writing clearly. But forcible expression is not, like clear expression, a mere question of mechanism and of the manipulation of words; it is a much higher power, and implies much more. Writing clearly does not imply thinking clearly. A man may think and reason as obscurely as Dogberry himself, but he may (though it is not probable that he will) be able to write clearly for all that. Writing clearly so far as arrangement of words is concerned-is a mere matter of adverbs, conjunctions, prepositions, and auxiliary verbs, placed and repeated according to definite rules. Even obscure or illogical thought can be clearly expressed; indeed, the transparent medium of clear writing is not least beneficial when it reveals the illogical nature of the meaning beneath it. On the other hand, if a man is to write forcibly, he must (to use a well-known illustration) describe Jerusalem as sown with salt, not as captured, and the Jews not as being subdued but as almost exterminated by Titus. But what does this imply? It

implies knowledge, and very often a great deal of knowledge, and it implies also a vivid imagination. The writer must have eyes to see the vivid side of everything, as well as words to describe what he sees. Hence forcible writing, and of course tasteful writing also, is far less a matter of rules than is clear writing; and hence, though forcible writing is exemplified in the exercises, clear writing occupies most of the space devoted to the rules

How to Write Clearly Edwin Abbott, 2015-06-26 How to Write Clearly, written by the Rev. Edwin A. Abbott, is a great paradigm of archaic English language. It was first published in 1876 and gives a lovely example of language as it was nearly 150 years ago. Abbott was an English schoolmaster, becoming headmaster of the City of London School at the tender age of 26. He was educated in mathematics, 'classics' and theology and after his retirement in 1889 he devoted the majority of his time to theological and literary pursuits. Although the book is somewhat dated in its relevance to today's world, it is still of historical significance and is a great read for anyone interested in the progression of the English language. His clear and concise instruction leaves nothing to be questioned and is still very understandable today. It is a great book, with much information still usable today, albeit with a bit of tweaking! It is a lovely book that will give you a glimpse of a bygone era as well as being informative and interesting; a really good read for anyone with a passion for language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

How to Grow a Novel Sol Stein, 2014-02-11 Each year thousands of fiction writers, from beginners to bestselling author, benefit from Sol Stein's sold-out workshops, featured appearances at writers' conferences, software for writers, on-line columns, and his popular first book for writers, Stein on Writing. Stein practices what he teaches: He is the author of nine novels, including the million-copy bestseller The Magician, as well as editor of such major writers as James Baldwin, Jack Higgins, Elia Kazan, Budd Schulberg, W. H. Auden, and Jacques Barzun, and the teacher and editor of several current bestselling authors. What sets Stein apart is his practical approach. He provides specific techniques that speed writers to successful publication. How to Grow a Novel is not just a book, but an invaluable workshop in print. It includes details and examples from Stein's editorial work with a #1 bestselling novelist as well as talented newcomers. Stein takes the reader backstage in the development of memorable characters and fascinating plots. The chapter on dialogue overflows with solutions for short-story writers, novelists, screenwriters, and playwrights. Stein shows what readers are looking for-- and what they avoid-- in the experience of reading fiction. The book offers guidelines-- and warnings-- of special value for nonfiction writers who want to move into fiction. Stein points to the little, often overlooked things that damage the writer's authority without the writer knowing it. And this book, like no other writing book, takes the reader behind the scenes of the publishing business as it affects writers of every level of experience, revealing the hard truths that are kept behind shut doors.

Make It Clear Patrick Henry Winston, 2020-08-25 The essentials of communication for professionals, educators, students, and entrepreneurs, from organizing your thoughts to inspiring your audience. Do you give presentations at meetings? Do you ever have to explain a complicated subject to audiences unfamiliar with your field? Do you make pitches for ideas or products? Do you want to interest a lecture hall of restless students in subjects that you find fascinating? Then you need this book. Make It Clear explains how to

communicate—how to speak and write to get your ideas across. Written by an MIT professor who taught his students these techniques for more than forty years, the book starts with the basics—finding your voice, organizing your ideas, making sure what you say is remembered, and receiving critiques (“do not ask for brutal honesty”)—and goes on to cover such specifics as preparing slides, writing and rewriting, and even choosing a type family. The book explains why you should start with an empowerment promise and conclude by noting you delivered on that promise. It describes how a well-crafted, explicitly identified slogan, symbol, salient idea, surprise, and story combine to make you and your work memorable. The book lays out the VSN-C (Vision, Steps, News-Contributions) framework as an organizing structure and then describes how to create organize your ideas with a “broken-glass” outline, how to write to be understood, how to inspire, how to defeat writer's block—and much more. Learning how to speak and write well will empower you and make you smarter. Effective communication can be life-changing—making use of just one principle in this book can get you the job, make the sale, convince your boss, inspire a student, or even start a revolution.
