*India's National Security* Satish Kumar, 2012-02-27 Each year, this annual gives readers an in-depth and up-to-date account of India's external and internal threats in a deteriorating global security environment. It shows that while partnerships with some countries have strengthened, anxieties persist with others such as China and Pakistan. Similarly, India has not been able to cope with the challenges of internal security emerging from violence in Kashmir, insurgency in the northeast, to mention a few. A unique series with contributions from academics, political commentators and

military personnel.

*Darfur* Julie Flint, Alex de Waal, 2008-12-08 Written by two authors with unparalleled first-hand experience of Darfur, this is the definitive guide. Newly updated and hugely expanded, this edition details Darfur's history in Sudan. It traces the origins, organization and ideology of the infamous Janjawid and rebel groups, including the Sudan Liberation Army and the Justice and Equality Movement. It also analyses the brutal response of the Sudanese government. The authors investigate the responses by the African Union and the international community, including the halting peace talks and the attempts at peacekeeping. Flint and de Waal provide an authoritative and compelling account of contemporary Africa's most controversial conflict.

Boots on Iran's Soil Abdollah Dashti, 2023-07-31 This powerful journal depicts the tumultuous time during WW II when the British and the Russians forces had a significant influence on Iran, especially in the south and north regions respectively. The author's firsthand account of the atrocities committed against his community by foreign forces serves a powerful reminder of the human toll of politics and war. Through his leadership and unwavering dedication to justice, Dashti inspires hope and galvanizes the resistance movement against oppressive foreign domination, leaving a lasting legacy on the history of Iran. This journal is a must-read for anyone seeking a deeper understanding of the human experience during times of political upheaval and global conflict.

**The Sheikh's Meddling Sisters** Leslie North, The Sheikh's Tempting Assistant Laura Bliss is an assistant location scout with no sense of direction—which is how she got stuck with a faulty GPS and the job of scouting sand dunes rather than the oasis her boss is currently viewing. With the sun going down and Laura seriously worrying for her life, she stumbles across a tent that looks more like a palace than a campsite. Dehydrated and burnt, it seems like salvation—until men wearing desert garb

and toting AK47's ride out in jeeps to gather her. Sheikh Raheem can barely believe his luck when an American woman is brought into his tent. He is passionate about his country's natural splendor, but its PR is in desperate need of a makeover—perhaps as much as the dirty beauty in front of him. He makes an offer: Laura, with her eye for finding the beauty in a location, will help him craft a campaign promoting his country, and when she completes the project he'll send her back to America with a paycheck she can live on for years. Seeing a chance for financial freedom, Laura jumps at the opportunity. As Raheem shows off the magnificence of his land, Laura finds herself getting swept into a fairy tale full of palaces, five-star luxury, and the most sensuous sex she's ever experienced. Though she values her independence, the temptation to stay—not just for Raheem, but for the beautiful country that isn't getting the attention it deserves—holds her in place. But when the country's natural treasures are threatened, Raheem and Laura must decide what means more to them: their love for one another or their original plans. The Sheikh's Island Fling Anastasia knows she's been wallowing, but what else can she do when her ex-fiancé slips her three-carat diamond ring onto another woman's finger? Her sister, however, has had enough of the pity party, and shoves a suitcase in Anastasia's hand instead. She's signed Anastasia up for "Recover Love Rehab" on one of those man-made islands in the Middle East. It's the height of luxury and Anastasia's last chance to kick her ex to the curb. So, try as she might, the sight of the frothy pink sundress and the promise of relaxation does her in. Maybe her sister's right. And if Anastasia's going to move on...why not do it in paradise? Rehaj appreciates the island's seclusion, but isn't really looking to Recover Love. Not until he sees the beautiful woman in the villa next door. Despite their chemistry, Rehaj's knee jerk reaction is to suppress his feelings for Ani. He already has a love: his country, and he doesn't think there's room for anything—or anyone—else. Especially not after losing his school sweetheart as a teenager.

Yet the couple begins to click as they share activities, share meals, and come to share even more, and their island getaway turns into a passionate escape. The Sheikh's Pregnant Fake Wife Isabella Germain is stuck between a rock and a hard place. She'd agreed to act as her identical twin sister's surrogate for an IVF procedure because she needed the money to save their sick mother. No one was ever supposed to know, least of all her sister's husband—Sheikh Feraz bin Haik al Nazrani. But when her twin, Roxanne, is killed in a car accident while jet-setting with some playboy in Europe, Isabella must choose whether to stay silent about her true identity, making her pretend marriage to Feraz real in every sense of the word, or risk losing her baby through a swift rejection and the vicious custody battle that's sure to follow. When Feraz sees his unborn child on ultrasound for the first time, he's smitten, even if his relationship with his estranged wife is less than ideal. As Feraz and his wife spend more time together he realizes that she's a different woman from the person he married—warm, kind, generous to a fault. He's falling in love all over again, until an earth-shattering realization threatens to destroy it all.

*Desert Rogues: The Bride Who Said No* Susan Mallery, 2018-01-01 A fan favorite from #1 New York Times bestselling author Susan Mallery, originally published as *The Sheik and the Bride Who Said No* in 2005. Including the incredibly handsome crown prince himself. There's no denying that Murat is a man of mystery, power and many talents. But for a husband, Daphne Snowden wants more. Sure, "future queen" sounds lovely, but she wants someone who sees her as more than a woman to bear the next heir to the throne—someone who loves her. Still, there's not only unfinished business between them, but burning desire. And though time has changed Murat, it hasn't erased her interest in the only man she's ever loved.

The Gulf War John Bulloch,Harvey Morris,2016-07-28 After a million deaths and twice that number injured, after the destruction of much of the infrastructure of Iran and Iraq, disruption of trade throughout the Gulf and the involvement of the USA and USSR, was the Gulf War a pointless exercise, a futile conflict which achieved nothing and left the combatants at the end of it all back in exactly the same position from which they started in 1980? In this book, first published in 1989, the authors argue that the lack of territorial gain was irrelevant: the real advantages won by each side were far more important, intangible though they were. For Iran, the channelling of the energies of her people away from domestic concerns meant the continuation of the Islamic revolution and ensured the stability of the mullahs. In Iraq, the war propped up the increasingly shaky regime of Saddam Hussein. The outside world, especially the superpowers, was terrified of the spread of Muslim fundamentalism, so made no effort to prevent Iraq from trying to halt this spread. But Israel, Saudi Arabia, Syria and the oil states also had vested interests in promoting the continuation of the war.

*Desert Queen* Janet Wallach,2010-11-30 The definitive biography, mesmerizing and “richly textured ” (Chicago Tribune), that inspired the acclaimed documentary, Letters from Baghdad. With a new Afterword *Desert Queen*...plucks Gertrude Bell out of the shadow of Lawrence of Arabia. —The

Boston Globe Here is the story of Gertrude Bell, who explored, mapped, and excavated the Arab world throughout the early twentieth century. Recruited by British intelligence during World War I, she played a crucial role in obtaining the loyalty of Arab leaders, and her connections and information provided the brains to match T. E. Lawrence's brawn. After the war, she played a major role in creating the modern Middle East and was, at the time, considered the most powerful woman in the British Empire. In this masterful biography, Janet Wallach shows us the woman behind these achievements—a woman whose passion and defiant independence were at odds with the confined and custom-bound England she left behind. Too long eclipsed by Lawrence, Gertrude Bell emerges at last in her own right as a vital player on the stage of modern history, and as a woman whose life was both a heartbreaking story and a grand adventure.

**Done Deal** Ty Hutchinson, 2022-09-20 To rid herself of a \$50 million problem, Sei recruited her daughter. Ethan Carmotte, Sei's ex, put a bounty on her head, making her the target of assassins worldwide. The only sure way to end this spiteful nonsense is to kill him. Sei believes Carmotte is somewhere in the UAE, but planning a final assault requires weapons. Sei travels to dangerous South Sudan to resupply but finds it challenging to locate a weapons trafficker with the right equipment who isn't interested in double-crossing her. Mui and the rest of Sei's team are waiting in Zanzibar. Their orders are to zero in on Carmotte's exact location. While the tropical location is idyllic, peaceful, and relaxing, someone lurks in the shadows and watches their every move. Will Sei be forced to bring a knife to a gunfight? Will Mui's lowered guard jeopardize the mission ahead? Find out in *Done Deal*, the final book in a heart-pounding series.

In Strange Company Roland J. Tiso, 2024-01-15 “Colonel Tiso’s experience with operational planning and combat service with multinational forces in Iraq provides an exceptional background for this riveting, exciting, and most interesting book that superbly captures the challenges of Coalition Warfare.” — Lieutenant General (Retired) Joseph W. Kinzer, USA The decision to not deploy reoriented, trained Iraqi divisions and other allied forces in numbers significant enough to adequately stabilize the situation in Iraq in 2003–04 resulted in significant shortages of manpower and equipment that eventually led to a less-than-satisfactory ending to the campaign, and significantly challenged the entire Coalition effort in the first year of Operation Iraqi Freedom. The roles and missions assumed by allies were vitally important in the under-resourced effort to bring order to the chaos of Iraq but would remain relatively unheralded throughout most of the campaign. Colonel Tiso’s account of this time offers unique insights into the challenges of planning the Iraqi campaign and the intricacies and challenges of multinational service through the lens of his assignments as a war planner at U.S. Central Command, Senior Military Adviser of the Arab Peninsula Shield Force and the Polish-led Multinational Division (Central-South), and Chief of Staff and Deputy Chief of Staff for Operations (C-3) of the Coalition Military Assistance Training Team tasked to develop the New Iraqi Army. His observations cast significant light on the missions these units undertook and the challenges they confronted. His firsthand account of operational planning for war in Iraq captures the concerns of the military planners and senior commanders to liberate and stabilize the country, enabling the reader to better understand the challenges of operational war planning, coalition warfare, the difficulty of stabilizing Iraq after the fall of Baghdad, the development of the New Iraqi Army, and ultimately a deeper understanding of America’s “long war” in Iraq.
