Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying–“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

Because of the vast range of material included, beginners will profit from the book, while experts will still find a challenge. For beginners through dan level players Use it as a text to study life and death in detail Use it as a problem book to sharpen your reading skills. Use it as an encyclopedic reference. Volume 1 covers basic corner shapes and the 'comb' pattern. Volume 2 analyzes the 'carpenter square', shapes on the sides and corner shapes arising from josekis and attacks on corner enclosures. About the Author: Cho Chikun is the foremost Korean practitioner of the Game of Go. He began his professional study at the game of six, becoming the youngest-ever professional at 11. At the age of 24, he won the prestigious title Meijin, and is the only go player ever to have held all top four Japanese titles at the same time.
