*Free-to-Play* Christopher A. Paul, 2020-10-13 An examination of free-to-play and mobile games that traces what is valued and what is marginalized in discussions of games. Free-to-play and mobile video games are an important and growing part of the video game industry, and yet they are often disparaged by journalists, designers, and players and pronounced inferior to games with more traditional payment models. In this book, Christopher Paul shows that underlying the criticism is a bias against these games that stems more from who is making and playing them than how they are monetized. Free-to-play and mobile games appeal to a different kind of player, many of whom are women and many of whom prefer different genres of games than multi-level action-oriented killing fests. It's not a coincidence that some of the few free-to-play games that have been praised by games journalists are League of Legends and World of Tanks.

*How to Sweet-Talk a Shark* Bill Richardson, Kevin Bleyer, 2013-10-15 Sharks are not evil. But they're single-minded and very, very hungry. On land, they take the form of bosses, businesspeople, colleagues, family, and sociopathic neighbors. In the world of former governor of New Mexico and US ambassador to the United Nations Bill Richardson, they have taken the form of the most powerful people in the world. He's engaged in high-stakes, face-to-face negotiations with Castro, Saddam, the Taliban, two generations of North Korean leadership, and many more of the world's most infamous dictators—and done it so well he was known as the Undersecretary of Thugs while with the Clinton administration. Now the 5-time Nobel Peace Prize nominee tells these stories—from Washington, DC, to the Middle East to Pyongyang—in all their intense and sometimes absurd glory. *How to Sweet-Talk a Shark* is a rare, candid, and entertaining glimpse into an insider's world of high-stakes negotiation—showing Richardson's successes and failures in some of the world's least friendly places. Meanwhile, readers get frank lessons in the art of negotiation: how to prepare, how to size up your opponent, how to understand the nature of power in a standoff, how to give up only what is necessary while getting what you want, and many other strategies Richardson has mastered through at-the-table experience—and from working with other master negotiators like Presidents Obama and Clinton, and Nelson Mandela. These are takeaways that anyone can use to negotiate with the power brokers, dealmakers, and, yes, the hungry sharks in their own lives.

**Shark Week 2** Steve Hutchison, 2023-02-23 Nothing puts a smile on a shark's face like Shark Week. Getting your leg bitten off is trendier than getting a tattoo, nowadays. It makes a great story to tell and you can even make a movie about it. When they are not exploring space, growing five additional heads, or traveling by means of tornadoes, sharks are busy getting turned into robots, lava, sand, ice, or ghosts. Sharks are our friends, except when they're hungry, which they usually are. If you show signs of weakness or hostility, you will be attacked. If you bleed, you will be attacked. Shark Week is the time of the year when you do not want to be swimming with sharks. In this second edition of *Shark Week*, I review 78 shark movies and rank them from pathetic to great. Watch them in order; they will only get better!

The Hungry Shark Dwayne Douglas Kohn, 2015-07-24 This undersea adaptation of the story of *The Three Billy Goats Gruff* features the shark in the role of the troll. One day he sees a seahorse and says, I am going to eat you! No, no, no, the seahorse responds. I am much too little. But I know someone bigger. And with that he swims off and sends over the fish. Each time the shark is sent a slightly larger sea animal until finally the dolphin sends over the orca (killer whale). The simple, repetitive text is perfect for beginning readers to read all on their own. Children, as well as adults, will love the bright colors and illustrations.

**I Escaped The World's Deadliest Shark Attack** Scott Peters, Ellie Crowe, 2019-09-28 A young sailor is trapped in the ocean, surrounded by hundreds of man-eating sharks, during the deadliest attack the world has ever seen. Can he escape? From multi-award-winning Ellie Crowe and Scott Peters. 16-year-old Josh is thrilled to be a crew member aboard the mighty USS Indianapolis. But when a Japanese torpedo strikes in the middle of the night, it tears the warship in half. Josh is thrown from the deck and plunged deep into the

black ocean. In horror, he watches the massive vessel begin its death plunge, threatening to pull him down with it. Josh is no swimmer. He's a baseball player from San Antonio, Texas. He's way out of his element. Soon, hundreds of sharks begin to circle. He's living his worst nightmare, but for how long? How can he survive with no lifeboat, no food or water, and countless hungry sharks? Every hour is a fight because if he gives up, he'll never make it home. But does he have what it takes to survive? With no rescue team in sight, can Josh ever hope to escape? On July 30, 1945, the USS Indianapolis was torpedoed at 15 minutes past midnight. It sank in 12 minutes. The survivors spent four days fighting off the deadliest shark attacks in history. This is the 3rd children's book in the I Escaped Series about brave kids who face real-world challenges and find ways to escape.
