**Deer Camp** Meg Ostrum,1992 Neither advocacy nor indictment of deer hunting, Deer Camp documents the rituals and traditions of hunting season in Vermont's fabled Northeast Kingdom, a landscape increasingly threatened by development and changing social values.

**Whitetail Deer Hunting My Way** Frank W.

Wathley,2015-09-23 10 years ago if it was deer season, I was in the woods. I still try to follow that rule but New York State has made the hunting season so long, I can't afford the loss of income for that amount of time. On top of that, 70 or more days open for deer season is a wicked strain on my senses. I am hung up on the quarter moon phase for my dream buck hunt. I always plan my hunting around these two moons. The length of the bow/gun deer season allows for two full moon phases. A small part of my reasoning here for a shorter deer hunting season is, envy I suppose. The fact is, I'm a self employed landscaper, watching these two extra quarter moons go through their phases and not being able to fit them in to my hunting budget. I will hopefully make more sense of this moon theory, later on in this book. Pay attention because there is tip after tip buried in each story. Maybe not always a new one but there's a bunch of them here. My stories are true facts, my methods and techniques have all proven themselves many times for me, over a life time of whitetail deer hunting. Now hopefully, you have time to kick back and enjoy a fact filled humorous book about whitetail deer hunting done my

way in Columbia and Greene Counties of New York State.

**Blaze Orange** Travis Dewitz,2014-08-27 In Blaze Orange, photographer Travis Dewitz captures the joy, excitement, and camaraderie of deer hunting in Wisconsin. A lone hunter in a tree stand as dawn arrives. A girl and her grandfather scanning a field in the fresh snow. Tired hunters laughing around the evening fire back at camp. These are snapshots of a culture touchstone. With more than 600,000 hunters taking to the fields and woods of the state each year, the whitetail deer season is by far Wisconsin's largest sporting event. Dewitz documents the hunt and more as he rides along with hunters and a game warden, visits local mom-and-pop stores where hunters gather, and records the industries that operate alongside the deer season—a taxidermist and knife maker, butchers and sausage makers. The result is a stunning and keen-eyed chronicle of one season of the Wisconsin deer hunt.

**That Wild Country** Mark Kenyon, 2019 From prominent  
outdoorsman and nature writer Mark Kenyon comes an engrossing  
reflection on the past and future battles over our most revered

landscapes--America's public lands. Every American is a public-land owner, inheritor to the largest public-land trust in the world. These vast expanses provide a home to wildlife populations, a vital source of clean air and water, and a haven for recreation. Since its inception, however, America's public land system has been embroiled in controversy--caught in the push and pull between the desire to develop the valuable resources the land holds or conserve them. Alarmed by rising tensions over the use of these lands, hunter, angler, and outdoor enthusiast Mark Kenyon set out to explore the spaces involved in this heated debate, and learn firsthand how they came to be and what their future might hold. Part travelogue and part historical examination, *That Wild Country* invites readers on an intimate tour of the wondrous wild and public places that are a uniquely profound and endangered part of the American landscape.

**Hunting Season** Nevada Barr,2013-06-06 The tenth Anna Pigeon mystery When Anna answers a call to historic Mt. Locust, once a producing plantation and inn on Mississippi's Natchez Trace Parkway and now a tourist spot, the last thing she expects to encounter is murder. But the man Anna finds in the stand's old bedroom is no tourist in distress. He's nearly naked, and very dead, his body bearing marks consistent with an S&M ritual gone awry. On a writing table nearby is an open Bible, ominous passages circled in red. It seems the deceased is the brother of Raymond Barnette, local undertaker and a candidate for sheriff, who wants to keep any hint of kinkiness out of the minds of the God-fearing populace. Ray may be hiding a house full of secrets in the old family homestead, but before Anna can start her investigation, she's waylaid by malevolent poachers, peevish co-workers, and a suddenly turbulent romantic life. And when hidden agendas and old allegiances are revealed, it's suddenly Anna's life that's on the line.
