Didn't We Almost Have It All Gerrick Kennedy,2022-02-01 Named a BEST BOOK OF THE YEAR... SO FAR by The New Yorker Named a BEST BOOK OF THE MONTH by The Washington Post A candid exploration of the genius, shame, and celebrity of Whitney Houston a decade after her passing On February 11, 2012, Whitney Houston was found submerged in the bathtub of her suite at the Beverly Hilton Hotel. In the decade since, the world has mourned her death amid new revelations about her relationship to her Blackness, her sexuality, and her addictions. Didn't We Almost Have It All is author Gerrick Kennedy's exploration of the duality of Whitney's life as both a woman in the spotlight and someone who often had to hide who she was. This is the story of Whitney's life, her whole life, told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice. Hers was a once-in-a-generation talent forged in Newark, NJ, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She redefined "The Star-Spangled Banner." She became a box-office powerhouse, a queen of the pop charts, and an international superstar. But all the while, she was forced to rein in who she was amid constant accusations that her music wasn't Black enough, original enough, honest enough. Kennedy deftly peels back the layers of Whitney's complex story to get to the truth at the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard family; the two romantic relationships that shaped the entirety of her adult life, with Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shame that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, Didn't We Almost Have It All contextualizes her struggles against the backdrop of tabloid culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon.

The Virgin and the Gipsy D. H. Lawrence,2023-11-08 The Virgin and the Gipsy is a novella written by the English author D. H. Lawrence. It was written in 1926 but was not published until 1930, after Lawrence's death. The

novella tells the story of Yvette Saywell, a sheltered and repressed young woman from a respectable family, and a charismatic and free-spirited gipsy named Carroway. When the gipsy encampment arrives near her family's home, Yvette is drawn to Carroway and begins to question the constraints of her conventional upbringing. The story explores themes of sexuality, desire, and the clash between societal expectations and individual freedom. D. H. Lawrence is known for his explorations of human psychology and the complexities of human relationships. The Virgin and the Gipsy is no exception, as it delves into the inner lives and desires of its characters. It is celebrated for its lyrical and sensual prose and its depiction of a young woman's awakening to her own desires and emotions.

Chasing the Light Oliver Stone,2020 An intimate memoir by the controversial and outspoken Oscar-winning director and screenwriter about his complicated New York childhood, volunteering for combat, and his struggles and triumphs making such films as Platoon, Midnight Express, and Scarface. Before the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while driving taxis in New York, finally venturing westward to Los Angeles and a new life. Stone, now 73, recounts those formative years with in-the-moment details of the high and low moments: We see meetings with Al Pacino over Stone's scripts for Scarface, Platoon, and Born on the Fourth of July; the harrowing demon of cocaine addiction following the failure of his first feature, The Hand (starring Michael Caine); his risky on-the-ground research of Miami drug cartels for Scarface; his stormy relationship with The Deer Hunter director Michael Cimino; the breathless hustles to finance the acclaimed and divisive Salvador; and tensions behind the scenes of his first Academy Award-winning film, Midnight Express. Chasing the Light is a true insider's look at Hollywood's years of upheaval in the 1970s and '80s.

A Strange Woman Leylâ Erbil, 2022-06-28 The pioneering debut novel by one of Turkey's most radical female authors tells the story of an aspiring intellectual in a complex, modernizing country. In English at last: the first novel by a Turkish woman to ever be nominated for the Nobel. *A Strange Woman* is the story of Nermin, a young woman and aspiring poet growing up in Istanbul. Nermin frequents coffeehouses and underground readings, determined to immerse herself in the creative, anarchist youth culture of Turkey's capital; however, she is regularly thwarted by her complicated relationship to her parents, members of the old guard who are wary of Nermin's turn toward secularism. In four parts, *A Strange Woman* narrates the past and present of a Turkish family through the viewpoints of the main characters involved. This rebellious, avant-garde novel tackles sexuality, the unconscious, and psychoanalysis, all through the lens of modernizing 20th-century Turkey. Deep Vellum brings this long-awaited translation of the debut novel by a trailblazing feminist voice to US readers.

I Will Never See the World Again Ahmet Altan, 2019-03-07 Longlisted for the 2019 Baillie Gifford Prize for Non-Fiction The destiny I put down in my novel has become mine. I am now under arrest like the hero I created years ago. I await the decision that will determine my future, just as he awaited his. I am unaware of my destiny, which has perhaps already been decided, just as he was unaware of his. I suffer the pathetic torment of profound helplessness, just as he did. Like a cursed oracle, I foresaw my future years ago not knowing that it was my own. Confined in a cell four metres long, imprisoned on absurd, Kafkaesque charges, novelist Ahmet Altan is one of many writers persecuted by Recep Tayyip Erdogan's oppressive regime. In this extraordinary memoir, written from his prison cell, Altan reflects upon his sentence, on a life whittled down to a courtyard covered by bars, and on the hope and solace a writer's mind can provide, even in the darkest places.

Mozart in the Jungle Blair Tindall, 2007-12-01 The memoir that inspired the two-time Golden Globe Award-winning comedy series: "Funny . . . heartbreaking . . . [and] utterly absorbing" (Lee Smith, *New York Times*—bestselling author of *Guests on Earth*). Oboist Blair Tindall recounts her decades-long professional career as a classical musician—from the recitals and Broadway orchestra performances to the secret life of musicians who survive hand to mouth in the backbiting New York classical music scene, where musicians trade sexual favors for plum jobs and

assignments in orchestras across the city. Tindall and her fellow journeymen musicians often play drunk, high, or hopelessly hungover, live in decrepit apartments, and perform in hazardous conditions—working-class musicians who schlep across the city between low-paying gigs, without health-care benefits or retirement plans, a stark contrast to the rarefied experiences of overpaid classical musician superstars. An incisive, no-holds-barred account, *Mozart in the Jungle* is the first true, behind-the-scenes look at what goes on backstage and in the orchestra pit. The book that inspired the Amazon Original series starring Gael García Bernal and Lola Kirke, this is “a fresh, highly readable and caustic perspective on an overglamorized world” (Publishers Weekly).

A Book About Love Jonah Lehrer, 2016-07-12 “Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, *The New York Times* Book Review Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it’s easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

The Winning Way Brian Tracy, Nick Nanton, Esq., Jw Dicks, Esq., 2014-04-15 By definition, winning means that you competed and you came out ahead. Human nature requires us to compete in order to survive. Therefore, winning and survival have the element of success in common. To ascend to a winning position, you need a goal, a desire to achieve it, and the qualities of discipline, perseverance and action to attain it. Having your goal and setting yourself up to achieve your goal is the first step in the process. You adjust your mindset and begin to plan diligently. Goals may be as different as DNA, but methodologies have much in common. Furthermore, your plans and expectations will need adjustments as you go along. That is why the knowledge shared by the *CelebrityExperts(r)* in this book will be of importance to you. The advice and suggestions of these *CelebrityExperts(r)* are based on their experiences - both their accomplishments and their shipwrecks. The knowledge they share will allow you to make plans that can propel you in the right direction. That is the function of a mentor - to guide you where you are going and to advise what to avoid. If you wish to develop *The Winning Way* to your goals, read on... You will never win if you never begin. Helen Row
