Hipgnosis Aubrey Powell,2017-05-09 The complete catalogue of design collective Hipgnosis, showcasing groundbreaking cover art created for iconic rock 'n' roll giants, including the Rolling Stones, Paul McCartney, Led Zeppelin, and Pink Floyd The complete, definitive, and never-before-published catalogue of album covers created by the legendary design agency Hipgnosis, this volume finally does justice to the work of the most important design collective in music history. Founded in 1967 by Storm Thorgerson, Aubrey "Po" Powell, and Peter Christopherson, Hipgnosis gained a legendary status in graphic design, transforming the look of album art forever and winning five Grammy nominations for package design. Their revolutionary cover art departed from the conventional group shots favored by record companies of the day, resulting in groundbreaking, often surreal designs inextricable from the major albums of many of the biggest names in the history of popular music: AC/DC, Black Sabbath, The Police, Genesis, Led Zeppelin, Pink Floyd, Paul McCartney, Syd Barrett, The Who, Wings, Yes, and XTC, to name but a few. Arranged chronologically, Vinyl . Album . Cover . Art features stunning reproductions of every single Hipgnosis cover—more than 300 in total—for the first time, along with pertinent insights from the rock 'n' roll legends whose albums are featured and behind-the-scenes photography. The text, written by Powell, and with contributions by Peter Gabriel, Robert Plant, and Nick Mason, brims with information that illuminates the album art and the compelling stories behind each cover's creation.

Role Models is, in fact, a self-portrait told through intimate profiles of favorite personalities—some famous, some unknown, some criminal, some surprisingly middle-of-the-road. From Esther Martin, owner of the scariest bar in Baltimore, to the playwright Tennessee Williams; from the atheist leader Madalyn Murray O'Hair to the insane martyr Saint Catherine of Siena; from the English novelist Denton Welch to the timelessly appealing singer Johnny Mathis—these are the extreme figures who helped the author form his own brand of neurotic happiness. Role Models is a personal invitation into one of the most unique, perverse, and hilarious artistic minds of our time.
