

I Am Indigo

Vikram

**Indigo Adults** Kabir Jaffe, Ritama Davidson, 2009-01-01 Indigo people hold great hope for the future - the promise of a new humanity and civilization. They are visionary and creative, progressive and independent. They carry new energies and manifest different ways of thinking and feeling. Are you an indigo adult soul and just don't know it? This book will help you identify if you (and your children) are Indigos, and will help you understand yourself more clearly.

**I Am Indigo** Heather Prince, 2014-06-17 Indigo children are those that have been prophesied, those that will bring with them a new understanding of life. This book aims to show you who you really are. Indigo children are intuitive, bright and strong-willed. Being a teenager is challenging anyway but being an Indigo is both wonderful and extra challenging. They are often misunderstood as they don't fit into the 'one size fits all' established rules and patterns. This causes problems at school and in the home. The book explains what an Indigo is and a questionnaire to discover if a person is an Indigo and which type. You'll be fascinated to discover why Indigos are here, what qualities they have and how to help Indigos using alternative solutions to improve self image, achieve their goals, and get along with parents/teachers.

**The Indigo Children** Lee Carroll, Jan Tober, 1999-05-01 The Indigo Child is a boy or girl who displays a new and unusual set of psychological attributes, revealing a pattern of behavior generally undocumented before. Throughout this work, Carroll and Tober bring together some very fine minds (doctors, educators, psychologists, and more) who shed light on the Indigo Child phenomenon. These children come in knowing who they are—so they must be recognized, celebrated for their exceptional qualities, and guided with love and care. This book is a must for parents!

Indigo Celebration Lee Carroll, Jan Tober, 2001-10-01 By now, tens of thousands of readers have enjoyed our book The Indigo Children. The book not only stirred the interest of many people throughout the world with respect to the profound change in consciousness being manifest in these special kids, but it also taught parents, teachers, and caregivers how to interact with these very special Indigo children. So, what do you do with thousands of letters and comments from parents and others about their Indigo experiences? Well . . . you write another book! An Indigo Celebration is a group of stories, articles, and additional insights into the Indigo child phenomenon. Although we will undoubtedly be writing more academically oriented Indigo books down the line, we wanted to stop for a moment and celebrate these kids—how they think, how they act, and what they're bringing to our lives. This book is not only meant to entertain, but also to inspire, teach, and provide meaningful insights. Indigo children are part of the positive transformation and shift of the new millennium—and this celebration of them is one we hope you will share in.

**Indigo-E. T. Connection** Marshall Masters, 2004-12 Indigos are awaking in great numbers to the gentle call of a living universe. Some are cherished and nurtured, but most are forced to struggle with the emotional pain of misunderstanding. Yet, each will feel the same need to explore their own 'Indigo-ness' and their own destiny of evolution and contact. Indigos are here to help humanity achieve its oldest dream - universal harmony. They will do it by living in service-to-others in the hope of seeing humanity overcome its service-to-self failings. When that happens, our civilizations will no longer grow quickly, erode slowly and then die suddenly. Rather, they will last and they will know love. As we evolve, off-world races will freely contract us, and Indigos will become our honest liaisons, for they will instinctively know friend from foe. All are born to this role, but not all are destined to fulfill it. This book is dedicated to those who do, and it offers helpful suggestions for future encounters. Are You an Indigo? The term Indigo describes the hue of the aura (life energy color) that surrounds an

Indigo, according to psychic Nancy Ann Tappe, but this is not the only measure. An Indigo will also possess a high IQ, an indomitable sense-of-self and a strong psychic intuition. Born to a natural knowing of things, they quickly sense goodness, compassion, evil intent and crisis in others. How do true Indigos define themselves? Through their feelings. Do these questions sound familiar? Am I a recent genetic freak of nature, as the experts suggest? Why am I so out-of-sync with this materialistic, consumption-driven society about me? Why, when all I crave is oneness with the universe, do others subjugate me with emotional abuse and drugs? Is there any purpose to my life that can possibly justify all this emotional pain? The true Indigo instinctively knows that the answers to such questions are found within. Only in this way, can they resonate completely. Regrettably, the quest within is all-too-often marked by the loneliness and emotional pain caused by those who do not understand Indigos, or worse yet, fear them. Still, each Indigo must eventually accept the responsibility of his or her own knowledge quest as no two are exactly alike. For this reason, the author wrote this book in the hope of giving comfort to young Indigos, by sharing knowledge gained through his own quest. It is also to say to every Indigo, Each of us follows a different quest, but we all feel and understand your pain. Put it aside and revel in your 'Indigo-ness' and know that you are not alone

**I Am an Indigo Child - Hear My Words** Sasha Brisk, 2012-11 As an Indigo, a wise soul in a young body, Sasha is passionate about evolving others through the upcoming change in consciousness and into the next dimension. In the current state of humanity there is a need for individuals to focus their attention on the feeling of love, rather than fear.

**Indigo 7** 11, 2011-08-30 if you read this you are supposed to why else would you read it this way reading instead of staying i think i should be going ok

**Anger and the Indigo Child** Dianne Lancaster, 2002

**The Care and Feeding of Indigo Children** Doreen Virtue, 2001-05-29 Indigo children are bright, intuitive, strong-willed, and sometimes self-destructive individuals. They are often labeled (and misdiagnosed) as having ADD or ADHD because they won't comply with established rules and patterns; and they may exhibit behavioral problems at home and at school. In *The Care and Feeding of Indigo Children*, Doreen Virtue, Ph.D., explores the psyche of these special kids and offers alternative solutions to Ritalin based on her extensive research and interviews with child-care experts, teachers, parents, and the Indigo Children themselves. Read the accounts of these remarkable children as they explain why they act-out, are aggressive or withdrawn; and what they want from the adults in their lives. You'll also be fascinated by the psychic experiences that these kids have had in their lives so far. This is a groundbreaking book that can positively affect the ways in which you interact with your child, altering the shape of their future in miraculous ways.

**The Indigo Soul** Arnette Lamoreaux, 2015-12-09 When I started my professional career I was told I was tenacious. I had to look up the definition. Determined or stubborn: tending to stick firmly to any decision, plan or opinion without changing or doubting it. The last few years I have been anything but tenacious. I tried one thing, if it didn't work, I immediately changed course and looked for another viable option. My heart goes out to parents who may find themselves in a similar situation. I had the background. I had resources. More than that, I had an undeniable fear. Fear that my kids would be lost in a world that didn't understand, nor WANTED to understand. Not everyone can function in our educational infrastructure and how dare anyone pass judgment and say they are inferior in any way. My lesson: to not be afraid of the mandates of this society. This is the true story of a mom, protecting her children, and learning that their true purpose is to not only protect me, but everything else as

well. I am again tenacious; for all that is Indigo.

*Beyond the Indigo Children* P. M. H. Atwater, 2005-09-29 Connects the arrival of a new type of children with the fulfillment of the Fifth World of the Mayan Calendar and other great prophecies • Provides detailed information about the world changes that will take place before and after December 21, 2012 • Explores the seven root races representing the genetic gene pool of the human family and the phenomenon of soaring intelligence • Explains the grand sweep of human evolution and the worldwide ascension of energy now occurring, which will take humanity to the next level of development According to prophecy, the fifth sun or fifth world of the Mayan calendar moves into a higher octave of vibration, or ascension, on December 21, 2012. This date represents a gateway of planetary development that will open humanity to new ways of living and new worlds of opportunity. Ancient traditions have foretold that our successful passage through this gateway depends on the fifth root race--new stock in the human gene pool--destined to help us through the exciting and massive changes ahead. In *Beyond the Indigo Children* P. M. H. Atwater illuminates the characteristics of the fifth root race, the capstone being the extraordinary new children, those brilliant and irreverent kids born since 1982. She explores the relationship of the new children to the prophecies in the Mayan calendar and other traditions, providing extensive background information about the seven root races (the sixth and seventh of which haven't yet appeared) and the great shifting of consciousness already underway. She reveals the connection of the seven root races to the seven chakras, and how the fifth chakra--the chakra of willpower--will be opened for humankind as the new children grow to maturity. She also discusses the phenomenon of soaring intelligence and undeveloped potential and provides concrete guidance and tools for those who seek to understand and help the new children achieve their full potential. *Beyond the Indigo Children* is the first major study of today's children, and their place in our rapidly changing world, that combines objective research with mystical revelation and prophecy.

The Complete Idiot's Guide to Indigo Children Carolyn Flynn, Wendy H. Chapman Dir. MA Ed, 2007-08-07 Forget the Age of Aquarius and hang on tight . . . The term "Indigo Children" entered the lexicon in 1982 when psychic and author Nancy Ann Tappe talked about the coming Indigo Age in her book, *Understanding Your Life Through Color*. In this guide, the authors explain why Indigo Children require lots of attention: they tend to think holistically and intuitively, and they process emotions differently. Parenting these high-level children is a challenge, and their years in school may be challenging. • Articles about the Indigo phenomenon have appeared in newspapers throughout the U.S. and as far away as Russia over the last few years, including one in the *New York Times* (1/06) • Author Wendy H. Chapman is considered one of the foremost experts on Indigo Children

**The Indigo Child Survival Guide** Baker Jacinto, Mama Indigo, Sim1 Indigo, 2012-09-06 What is an Indigo Child? There really isn't one definitive answer. In simple terms it is a person with a warrior spirit, always questioning and challenging the ways of the world and has a strong sense of a higher purpose. The name Indigo Child is the gateway that leads you to more answers. The Indigo Child is what I like to call the system-busters of our society. They share a collective mission of taking down old, outdated, negative, fear-based, ego-dominated structures and lower conscious related systems to make room for creating a world of peace, harmony, and love for humanity and for future generations to come. The purpose of this book is to help those seeking guidance. Here are some questions to which the Indigo Children answer YES. 1. Do you sometimes feel a lot wiser beyond your years? 2. Do you feel alone or isolated in your beliefs? 3. Do you have trouble conforming to the ways of society? 4. Are you a seeker of truth? 5. Do you feel out of place in today's society? If you read them and you answered YES to at least one of them, then this book might be the answer you've been searching for. Find yourself in a different world, one that

understands you and that you understand. And while you're at it don't forget to LIVE, LOVE, LAUGH.

Indigos Kathy Altaras, Nancy Tappe, 2011-11 In the 1970s Tappe identified a new group of children being born as Indigo, a term which has rapidly spread around the world ever since. Today she speaks out for these remarkable individuals who are bringing the winds of change to every level of society and culture.

**Empowering Your Indigo Child** Wayne D. Dosick, Ellen Dosick Kaufman, 2009-03-01 Since the 1980s people have been writing about the indigo children. Today, many believe that nearly 80 percent of all children born are indigos. These are exceedingly creative, high-energy, perceptive kids who often don't fit in. They seem to have an awareness that is light years beyond their age and quite often they are labeled as ADD, ADHD, or ODD when in actuality they are, in the words of the Dosicks, simply "children of spirit." What sets this book apart from other books is that it approaches the issues facing indigos on a spiritual-energetic rather than purely cognitive level, and it is prescriptive, teaching a specially developed set of games that can help heal indigo children both in their own bodies and in their earthly relationships. Here the Dosicks name seventeen particular emotional wounds indigos hold in their bodies and give specific exercises for healing each one. The games have proven enormously helpful to these often-troubled kids—even preteens and teenagers. They celebrate the children's different ways of perception and calm their agitation. The games involve some hands-on healing techniques, some scripted meditations, and other quick and simple techniques. Each game takes no more than two minutes to play, and this book features 101 black-and-white photographs showing parents exactly how to use the practices.

*The Awakening Of An Indigo* Vikram, 2017-12-16 Vikram is a special child with special powers. As he begins to discover the psychic abilities within him, he comes in contact with Dr. Myra, who helps him through a journey of self-discovery. Past life regression therapy helps him understand the glorious lives he has led in his previous births. Will this help Vikram understand the purpose of his current life? Can divine guidance help him cope with the effects of his past and help him realize his full potential? Will he get past the challenges on the way and fulfill his life purpose? Read *The Awakening of an Indigo* to find out.

**The Indigo Book** Christopher Jon Sprigman, 2017-07-11 This public domain book is an open and compatible implementation of the Uniform System of Citation.

*The Indigo Child* Stani Slava, 2019-12-08 Viktoria Nova was born during the darkest of times in a country that wants her kind dead. Her parents' risk everything when they decide to save their newborn and move to the only country accepting of people like Viktoria. But will that be enough? Who is Viktoria and what makes her so different from the rest? Thirteen years later, Viktoria is no longer a child. She grew up in a world that did not accept her, and still doesn't, with questions she did not have answers to. After thirteen years, the truth that will shake her world upside down is finally revealed.

*The Indigo Journals* Yol Swan, 2015 Whether you are an Indigo or not, everyone and especially every woman needs to take a look at this book ... It is a revelation to those who need to understand the feminine soul. Readers' Favorite If you've ever wondered what your purpose is and why you feel disempowered and disconnected in a world that doesn't make sense to you, *The Indigo Journals* holds the answers you've been looking for. From her mystical experiences, channeled messages and encounters with enlightened masters to the cosmic memories that led her to an in-depth exploration of the wounded Feminine, the author takes you on a spiritual healing journey of self-discovery and personal growth to unlock your hidden power, fulfill your purpose and bring balance to this overly masculine world.

*Indigo* Ellen Bass, 2020-04-07 "A bold and passionate new collection... Intimacy is rarely conveyed as gracefully

as in Bass's lustrous poems." —Booklist Indigo, the newest collection by Ellen Bass, merges elegy and praise poem in an exploration of life's complexities. Whether her subject is oysters, high heels, a pork chop, a beloved dog, or a wife's return to health, Bass pulls us in with exquisite immediacy. Her lush and precisely observed descriptions allow us to feel the sheer primal pleasure of being alive in our own "succulent skin," the pleasure of the gifts of hunger, desire, touch. In this book, joy meets regret, devotion meets dependence, and most importantly, the poet so in love with life and living begins to look for the point where the price of aging overwhelms the rewards of staying alive. Bass is relentless in her advocacy for the little pleasures all around her. Her gaze is both expansive and hyperfocused, celebrating (and eulogizing) each gift as it is given and taken, while also taking stock of the larger arc. She draws the lines between generations, both remembering her parents' lives and deaths and watching her own children grow into the space that she will leave behind. Indigo shows us the beauty of this cycle, while also documenting the deeply human urge to resist change and hang on to the life we have, even as it attempts to slip away.
