Noisy Creek Pamela Foster, Busy running an upscale spa and beauty salon, Alyson Ruth Barr is floating into old age supported by her big, quirky, southern family. Three times widowed, at 55, she's looking forward to a quiet life in the shady pool of small town Noisy Creek. With dozens of nieces and nephews—and aging parents who are beginning to slow—being matriarch of the Barr family fills her days just fine. If her nights are sometimes lonely, well, she has the memory of three good men with which to console herself. Until Colin Jenkins—a contractor twenty years her junior—steps into her life. A birthday prank perpetuated by her sisters? Or a young man looking for financial gain? With the help of family and friends, Ruth is forced to reexamine her life, to look the changes of her own aging body squarely in the eye, and decide whether to float in the shallows or swim for the wild current.

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life,

H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.
