

I Hate My Bookie

Carl Chinn

The Smart Money Michael Konik,2006 An inside look at the lucrative world of professional high-stakes sports betting by a journalist who lived a secret life as a key operative in the world's most successful sports gambling ring. When Konik landed an interview with Rick Big Daddy Matthews,

Harbinger of Doom JURGEN v. BAYER,2008-11-14 Alexander Bayerlein had everything he wanted in life. He had a wife he adored and who loved him back just as intensely. He had three children who loved him. He had a great job in a Chicago ad agency that he really enjoyed. He had the house and cars he liked. He had friends all over the world and enough money to visit them. He had everything until... They took it all away. Now Alex finds himself in a strange city, running with a few loyal comrades trying to unravel the mystery that has him called the Mad Bomber. He's hunted by the Feds, the police, by bounty hunters and even some well-meaning glory hounds. His world has been tossed upside down and chaos rules as each of his new friends disappear, one after another, leaving him alone again. Now, he's lost in the Seattle metro-plex, homeless and almost hopeless, with everyone hunting him as Washington's Governor Marilyn Schultz posts a string of expanding bounties on him. He's wanted: dead or alive. Through everything, he struggles to find his enemies and bring them to justice. Along the way, he finds a few new friends and more than enough determination to help him crash his tormentors' party and get a piece of vengeance. He becomes their Harbinger of Doom!

Odysseus Nickos J. Lambros,2002-04 This fiction is a historical epic concerning an illegal immigrant who chases the American Dream. He achieves it at the expense of his heritage and perhaps his soul. This Odyssey starts in an immigrant neighborhood but evolves into a journey with university avant-garde students. Their dead end road leads him to the American Business School geared for middle management. Here, he steps into a new mind-set. He evolves through the corporate ladder, but a corporate buy out throws him unknowingly into a den of Latin American Espionage and trading weapons for cocaine. When he arrives back to Chicago he becomes a business mogul with all of the trappings of the rich and famous. September 11 2001 shakes him up.

Hate Crime William Bernhardt,2005-01-25 Bestselling author William Bernhardt is an unsurpassed master at blending psychological suspense with gripping, surprise-filled legal action. Now, Bernhardt and his crusading attorney Ben Kincaid return in a thrilling story of love, hate, and the power of a courtroom to separate deception from the truth. In Tulsa, Ben Kincaid has built a national reputation as a stalwart defense attorney who will fight

tirelessly for his clients. In Evanston, Illinois, Johnny Christensen has built a national reputation as a sadistic bigot who beat and stabbed a gay man and left him to die. When Johnny's mother comes to Ben and begs him to defend her son, he has one secret reason for saying no. But while Ben turns down the case, his younger, beautiful partner, Christina McCall, does not. Traveling to Chicago and facing an explosion of controversy and deadly violence surrounding the trial, Christina steps into a case that is already nearly lost. Her client's only defense is his claim that he left his victim bludgeoned but alive. To prove that someone else committed the actual murder, Christina needs a little bit of evidence—and a good motive to go with it. When unforeseen circumstances force Ben Kincaid to enter the trial, the defense attorney sees only one way to prove Johnny's innocence. But Ben's plan means luring a killer out of the woodwork—even though he may kill again. . . . A novel of gut-wrenching twists and surprises, this thriller brilliantly explores the passions between lovers—and the passions behind society's most heinous crimes. Once again, the remarkable William Bernhardt makes us challenge every assumption, second-guess every judgment, and feel the terror of the truth.

The Economics of Sports Betting Plácido Rodríguez,Brad R. Humphreys,Robert Simmons, This unique book delves into a number of intriguing issues and addresses several pertinent questions including, should gambling markets be privatized? Is the 'hot hand' hypothesis real or a myth? Are the 'many' smarter than the 'few' in estimating betting odds? How are prices set in fixed odds betting markets? The book also explores the informational efficiency of betting markets and the prevalence of corruption and illegal betting in sports.

Dear Gangster... Gangster of Love,1996-02-01 He's the Ann Landers of anomie, the antidote for sniveling sensitivity, a caustic balm for our broken hearts--he's The Gangster of Love. This collection of his columns features questions from anxious readers--with the Gangster's more or less helpful replies--which are loaded with quirky counsel on sticky problems and endless anecdotes.

Midnight Rambler James Swain,2008-08-26 Explosive. Pulse-pounding. Heart-racing. From the bestselling author The Wall Street Journal hails as "one terrific writer," Midnight Rambler is the breakout thriller of the year—a brawny, brainy novel of suspense that pairs James Swain's trademark smooth-as-silk prose with a plot bigger and bolder than anything he's done before. In South Florida, Jack Carpenter is infamous. He's the cop who busted the notorious serial killer Simon Skell—aka the Midnight Rambler—and sacrificed his badge and marriage in the process. Haunted by the Skell case, Carpenter now works as an abduction specialist in Fort Lauderdale, reuniting families with their missing children. But the body of one of the

Midnight Rambler's victims has just been uncovered—and forensic evidence suggests Carpenter jailed the wrong man. With Skell just days away from release, the tarnished hero must reopen the case that shattered his life and the lives of eight murdered women. As waves of heat and rain wash over the steamy streets, Carpenter races against the clock to reaffirm the case against Skell. Yet the deeper he digs, the more he starts to realize that Skell is just one piece in a terrifying puzzle of predation and murder, just one player in a shocking conspiracy that ranges across the state of Florida. And as the relentless Carpenter draws the net tighter, his enemies prepare to spring a devastating final surprise. From the seaside bar that Jack Carpenter calls home to the glittering tourist kingdom in Orlando to the funky jungle of Coconut Grove, James Swain unleashes a wild ride into the heart of evil—with the Rolling Stones' "Midnight Rambler" as the throbbing, terrifying soundtrack.

NTC's Dictionary of American Slang and Colloquial Expressions Richard Spears, 2000-02-01 The revised and updated third edition of this comprehensive slang dictionary has more than 800 new expressions. Realistic example sentences—provided for each sense of every entry—show how expressions are used in current, everyday American English. Pronunciations and cautionary notes are provided as needed, and a Phrase-Finder Index helps users locate entries quickly.

My Booky Wook Russell Brand, 2010-05-18 Russell Brand learned early on to make a joke of fear and failure. From a troubled childhood in industrial Essex, England, to his descent into addictions to alcohol, drugs, and sex in the seamy underbelly of London, Brand has seen his share of both and miraculously lived to tell the tale. In *My Booky Wook* he leads readers on a rollicking journey through his disastrous school career, his infamous antics on MTV, and his multifarious sexual adventures. But this irreverent memoir is a story not simply of struggle but also of redemption, a testament to the difficulty of discovering what you want from life and the remarkable power of a bloody-minded determination to get it. *My Booky Wook* is a giddy trip through the brilliant mind of one of Britain's most valuable exports.

The Hidden Miracle W.T. Sheppard, *The Hidden Miracle* is a multifaceted novel that blends spirituality, urban romance, and themes of trauma and resilience into a rich narrative. It explores complex emotions and human connections while delving into themes of deception, jealousy, and faith. Skillfully written, it evokes a range of emotions and encourages readers to reflect on their own lives. This beautifully crafted work is a memorable read that transcends genres and resonates with diverse audiences.

Taking Down a Boss Shmel Carter,2023-11-28 Keena and Kim met in a group home and have been best friends ever since. They both have the mindset of money over men, and they don't play where they lay. They set brothas up and rob them, disappearing without a trace. Keena, the brains of the two, sets up the biggest lick of their lives in Miami. If they can pull this one off, they can retire and live the good life. Peter, who everyone calls Black, is not an easy target. He is different from all the others that they have set up, and Keena is having second thoughts. Kim has a big secret that Keena knows nothing about. Will the secret cost them everything? Watch this riveting story unfold as these Queen City queens take you down a dark path of betrayal, lust, and turmoil on the hot streets of Miami. Will the girls be able to pull this off, or will they die trying?

The Christian Atheist Craig Groeschel,2010-03 The Christian Atheist, by recovering Christian Atheist Craig Groeschel, is an honest, hard-hitting and eye-opening look into the ways people believe in God but live as if he doesn't exist. From his own lapses in faith as a young man to the painful self-admission he had to make as an established pastor, Groeschel's own journey will immerse you and challenge you into a deeper, Christ-filled life.

The Death of a Bookie Guy Beaulieu,2009-11-15 No one had seen anyone or heard a sound when the body of Louis-the=snake Billings, the number one bookie was dropped on the floor smack in the middle of Jacob Schriber's office. A private detective, Jacob couldn't allow anyone to get away with that.

The Devil's Jump Peter Doyle,2011-11-01 August 1945: the Japanese have surrendered and there's dancing in the streets of Sydney. But Billy Glasheen has little time to celebrate; his black marketeer boss has disappeared, leaving Billy high and dry. Soon he s on the run from the criminals and the cops, not to mention a shady private army. They all think he has the thing they want, and they'll kill to get hold of it. Unfortunately for Billy, he doesn't know what it is . . . but he'd better find it fast. Set in Australia in the years following World War II, Peter Doyle's novels brilliantly explore the criminal underworld, political corruption, and the postwar explosion of sex, drugs, and rock'n'roll.

Born to Lose Bill Lee,2011-02-03 A gripping, true story of one man's forty-year struggle with compulsive gambling and his hard-won recovery. My history of gambling really began before I was born. So opens Born to Lose, Bill Lee's self-told story of gambling addiction, set in San Francisco's Chinatown and steeped in a culture where it is not unheard of for gamblers (Lee's grandfather included) to lose their children to a bet. From wagering away his beloved baseball card collection as a youngster to forfeiting everything he owned at black jack tables in Las Vegas, Lee describes what

gambling addiction feels like from the inside and how recovery is possible through the Twelve Step program.

Tracks of Time Christopher Bober,2023-01-27 Everyone wants to escape from reality. Art dealers Charles and Deanna Packard obtain what turns out to be a perfect tool for this when they purchase a component from the original New York Pennsylvania Station. This segment of a marble stair is a time portal that enables them to shift into 1939 whenever they are in its original location. Moving through the past like specters and returning whenever they choose is fantastic, but it comes with a price. This portal was created by a German physicist who discovered a flawless method of time travel and bi-location. Learning what the Nazi government planned, he left Germany for the US in 1939. After demonstrating his discovery in Washington, he found no government can be trusted with such power, and had to use his discovery to escape German and American agents in Penn Station. Dr. Schaumberg has been traveling through time as an observer for eight decades, incapable of completing his lifecycle out of fear of what would be released if his discovery becomes known. Researching his name online raises alarms. Dr. Schaumberg is still listed as a person of interest. Art dealers and their graphic artist son are researching an obscure physicist who demonstrated an item of 'extreme military importance'. The feds wonder why. The Packard's and Schaumberg have to employ a diversion to end government interest in what would fast be an abused power. The purchase of a rare artifact takes the Packard's on a unique adventure, and you take it with them. *Tracks of Time* brings a twist to the theory of time traveling, while bringing to life an era of hope and fear just before all out war.

The Rookie Bookie L. Jon Wertheim,Tobias J. Moskowitz,2014-10-07 Using the tips, truths, and stats they explore in their New York Times bestseller *Scorecasting*, two dads pack super sports savvy and important math and financial concepts into a fun and heartwarming first novel for kids. New kid Mitch Sloan wants to fit in, but his nerdy love of statistics and making money isn't winning him any friends in his sports-loving town--until he finds the perfect way to attain instant popularity. But running a football betting ring at school eventually turns sour, and Mitch loses the only real friend he's made. He'll have to win her back by using his brainpower for good and helping the school football team achieve victory--if they'll listen to the advice of a former bookie!

Babylon South Jon Cleary,2013-05-20 In 1966 Sir Walter Springfellow, head of Australian intelligence, vanished mysteriously and without a trace. As a young constable, Scobie Malone investigated the disappearance. Years later some bones are found up in the hills which are presumed to be Sir

Walter's, and Detective Inspector Malone finds himself back on the case. His first task is to break the news to Venetia Springfellow, Sir Walter's glamorous widow, whose ruthless ambition has made the Springfellow Corporation a hugely successful company. Then comes news that there has been another death in the family, and one of the Springfellows is to be charged with murder. The police commissioner turns out to have every reason for taking a close interest in the case, but emotional involvement results in his putting unfair pressure on Scobie Malone. Always a straight cop and a decent man, Malone finds his divided loyalties extremely troubling.

THE FIRST PILLAR OF LOVE Erwin E. Sniedzins, 2023-07-12 Erwin Sniedzins, a loving father and businessman in Canada, is horrified and saddened when he discovers his wonderful one-year-old daughter Sarah, normal at birth, suddenly doesn't respond to the world around her. Later, Erwin reads about a condition called Rett Syndrome that affects only girls. He thinks he has found the answer. Dr. Rett diagnoses Sarah with the genetic disorder he discovered called Rett Syndrome. Erwin and his wife Marg first experience hope, then great fear, when they learn there is no cure. Erwin's determination and passion for helping Sarah, as well as girls like her and other families that suffer from the disease, becomes his life mission. He tenaciously seeks answers to his questions: How to raise international awareness about Rett Syndrome? How do we educate the Medical community to make them aware of the disease and enhance global research? How to raise the funds necessary to unlock the nightmare of Rett Syndrome? Erwin finds an answer and makes a courageous decision: Climb the tallest and grandest mountain in the world, "Qhomolungma," which in English is "Mount. Everest." He quit his 18-year executive position at Xerox, a global leader in photocopy machines and established the Canadian Rett Syndrome Association (CRSA) to raise national awareness and funds. Along this complicated, long, arduous journey, he becomes a charity leader who encounters opposition from the people he is trying to help - resistance that sorely tests a father's resolve to reach "Qhomolungma." From Chinese hearts, he finds much generosity to relieve the bitterness of fighting such fierce and counterproductive battles. Despite sleepless nights and anxiety, Erwin and his CRSA team plan to put on a high-society fundraising gala charity called the "Climb for Hope" ball. The Ball became another considerable challenge. How do you organize a huge gala event? It helped that he had attended many elaborate fundraising gala dinners. Could he get 600 to 800 people to be present at the Climb for Hope Ball at \$150 to \$350 each to help raise funds for the expedition and parent support? Who could help to make it successful? The answer came from New Zealand.

Better Betting with a Decent Feller Carl Chinn, 1991 Today, branches of chains such as William Hill and Ladbrokes are familiar sights in high streets across Britain, and betting takes place on all sorts of events - from horse-racing to general elections, from football-match results to the likelihood of snow falling on Christmas Day. Yet until 1961 street bookmakers were illegal, and old prejudices are slow to fade away. A stigma is still attached to bookmaking, and for many people bookmakers remain a disreputable and shady lot. This book sets out to examine why this is the case. Social historian Carl Chinn was himself a bookmaker, like his father and grandfather before him, and therefore brings his own unique perspective to this lively and highly readable account of the profession's history, from its origins among the sharpsters who hoodwinked punters at racecourses, to the illegal street bookies who offered the working class a tantalising escape from poverty, to the growth of leisure empires such as Coral and William Hill.

Immerse yourself in the artistry of words with Crafted by is expressive creation, Discover the Artistry of **I Hate My Bookie** .
