The Charlotte Anthony Mysteries Box Set. Books 1-4 Meg Wolfe,2017-02-21 The first four Charlotte Anthony Mystery novels in one box set. The Charlotte Anthony novels are traditional, character-driven amateur detective mysteries where the past informs the present, and a small town in the American Midwest is connected to the larger world in often surprising ways. An Uncollected Death introduces Charlotte Anthony, a forty-something divorcée, single mother and magazine editor who suddenly finds herself an empty-nester, unemployed, and on the verge of bankruptcy. She gratefully takes the job of editing the journals of Olivia Bernadin, a long-lost nouveau roman author. Things rapidly deteriorate, however, when she finds Olivia left for dead the first day on the job--and herself a suspect in the crime. In An Unexamined Wife, plans for an idyllic holiday in Aspen are disrupted by the discovery of a dead professor in his lab full of suspicious-looking plants. Once again, Charlotte joins forces with Detective Barnes to solve a murder that is anything but straightforward. Potential motives and suspects are many and the prof's complicated love life only adds to the confusion. An Undisclosed Vocation begins with startling events: An explosion. A death. The destruction of a popular Elm Grove business. Charlotte Anthony, caught up in the ensuing chaos, wonders what the victim meant when he said he knew something that could get us both killed. In An Uncharted Corpse, the strange appearance of a mummy at a conference sets off a chain of events with repercussions that go far beyond the staid world of academia. A suspicious death, a secret code, and a powerful sect combine to intimately connect the past to the present.

After the Revolution Robert Evans,2022-05-10 What will the fracturing of the United States look like? After the Revolution is an edge-of-your-seat answer to that question. In the year 2070, twenty years after a civil war and societal collapse of the old United States, extremist militias battle in the crumbling Republic of Texas. As the violence spreads like wildfire and threatens the Free City of Austin, three unlikely allies will have to work together in an act of resistance to stop the advance of the forces of the white Christian ethnostate known as the Heavenly Kingdom. Out three protagonists include Manny, a fixer that shuttles journalists in and out of war zones and provides footage for outside news agencies. Sasha is a teenage woman that joins the Heavenly Kingdom before she discovers the ugly truths behind their movement. Finally, we have Roland: A US Army vet kitted out with cyberware (including blood that heals major trauma wounds and a brain that can handle enough LSD to kill an elephant), tormented by broken memories, and 12,000 career kills under his belt. In the not-so-distant world Evans conjures we find advanced technology, a gender expansive culture, and a roving Burning Man-like city fueled by hedonistic excess. This powerful debut novel from Robert Evans is based on his investigative reporting from international conflict zones and on increasingly polarized domestic struggles. It is a vision of our very possible future.

Reflections from My Heart Patsy Christofferson,2010-01-06 This poetry was written while working as a Substance Abuse Counselor. My clients felt they had reached the bottom. They felt like everyone saw them as worthless. I saw them respond to anyone that would take the time to truly believe they could get well, and become productive members of society, to find love and acceptance once again. The last section was written after I retired and I began writing about my feelings, about my experiences as we traveled.

Tomorrow 4 Sale! Oladele Madamidola,2017-08-22 Buying and selling take place every day, everywhere and all the time – destinies are sold and bought after rigorous negotiations in the market places of the world. Wondering why and how people could descend so low as to buy and sell destinies, the author of this motivational piece for teenagers and parents realised that both buyers and sellers are simply unconscious actors; the market, a stage. However, buyers are fewer than sellers in the market places of destiny – more and more people sell their tomorrow in the uncertainty of TODAY. This book is devoted to giving reasons tomorrow must be sold...!

Rescue My Heart Jill Shalvis,2012-11-06 A man and woman with a complicated past find a second chance at romance in this Animal Magnetism novel from New York Times bestselling author Jill Shalvis. After a tragic stint in the National Guards, Adam Connelly returns to Idaho and to Belle Haven, the animal shelter he owns with his brothers. All Adam wants is to be alone. Then he opens the door to the past–the woman whose heart he once broke. Still gorgeous, still tough-as-nails, but this time, unusually vulnerable. Holly learned the hard way to never depend on a man for anything. Now, of all men, Adam is the last one she wants to see, and the only one she needs. Her father has gone missing in the Bitterroot Mountains and she could use someone with tracking skills to help find him. For Holly and Adam, each with their ghosts, a trek this desperate, this unpredictable, and this intimate, will have its share of risks—including opening their hearts one more time.
