**Miniature Needle Painting Embroidery** Trish Burr,2015-02 Annotation. Trish has always been fascinated by miniature art and for years has had a yen to try and embroider smaller pieces. There is something so endearing about little paintings with all the detail and form of a larger piece, not to mention the fact that they are much quicker to stitch! Here she has compiled fresh and appealing designs that depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on.

**Who I Was with Her** Nita Tyndall, 2020-09-15 A beautiful, poised, and thought-provoking debut about love, loss, coming out, and discovering living life on your own terms. —New York Times bestselling author Kathleen Glasgow There are two things that Corinne Parker knows to be true: that she is in love with Maggie Bailey, the captain of the rival high school's cross-country team and her secret girlfriend of a year, and that she isn't ready for anyone to know she's bisexual. But then Maggie dies, and Corinne quickly learns that the only thing worse than losing Maggie is being left heartbroken over a relationship no one knows existed. And to make things even more complicated, the only person she can turn to is Elissa—Maggie's ex, and the single person who understands how Corinne is feeling. As Corinne struggles to make sense of her grief and what she truly wants out of life, she begins to have feelings for the last person she should fall for. But to move forward after losing Maggie, Corinne will have to learn to be honest with the people in her life...starting with herself.
