Saved by a Song Mary Gauthier,2021-07-06 A handbook for compassion... a Must-Read Music Book.” —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of I Know This Much Is True Gauthier has an uncanny ability to combine songwriting craft with a seeker’s vulnerability and a sage’s wisdom.” —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny’s old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn’t until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

Why You Love Music John Powell,2016-06-14 A delightful journey through the psychology and science of music, *Why You Love Music* is the perfect book for anyone who loves a tune. Music plays a hugely important role in our emotional, intellectual, and even physical lives. It impacts the ways we work, relax, behave, and feel. It can make us smile or cry, it helps us bond with the people around us, and it even has the power to alleviate a range of medical conditions. The songs you love (and hate, and even the ones you feel pretty neutral about) don't just make up the soundtrack to your life -- they actually help to shape it. In *Why You Love Music*, scientist and musician John Powell dives deep into decades of psychological and sociological studies in order to answer the question Why does music affect us so profoundly? With his relaxed, conversational style, Powell explores all aspects of music psychology, from how music helps babies bond with their mothers to the ways in which music can change the taste of wine or persuade you to spend more in restaurants. *Why You Love Music* will open your eyes (and ears) to the astounding variety of ways that music impacts the human experience.

I Love Classical Music Marion Billet,2019 Little fingers will love pressing the sound buttons to listen to the beautiful music from a selection of beloved classical composers. Includes pieces from Mozart, Vivaldi, Strauss, Schubert, Tchaikovsky and Paganini.

I Love You Already! Jory John,2015-12-22 From the award-winning creators of *Goodnight Already!*, *Come Home Already!*, and *All Right Already!* Bear can't wait to spend a pleasant day by himself. But his persistent next-door neighbor, Duck, wants to take a morning stroll . . . with Bear. He just wants Bear to like him already. . . Jory John, author of *Penguin Problems* and *The Bad Seed*, and Benji Davies, creator of *The Storm Whale*, join together again to bring us this standout hilarious story of unrequited admiration that will leave children laughing at every page. Perfect for Valentine’s Day or any story time!

I Love Mozart: My First Sound Book ,2019-10 Presents excerpts from six different musical pieces by the composer Wolfgang Amadeus Mozart: Sonata for violin and piano, Clarinet concerto, Sonata facile, Symphony No. 40, Eine kleine Nachtmusik, and, Twelve variations on Twinkle, twinkle, little star.

For the Love of Music John Mauceri,2019 With a lifetime of experience, profound knowledge and understanding, and heartwarming appreciation, an internationally celebrated conductor and teacher answers the questions: Why should I listen to classical music? How can I get the most from the listening experience? A protégé of Leonard Bernstein--his colleague for eighteen years--and an eminent conductor who has toured and recorded all over the world, John Mauceri helps us to reap the joys and pleasures classical music has to offer. Briefly, we learn the way a musical tradition born in ancient Greece, embraced by the Roman Empire, and subsequently nurtured by influences from across the globe, gave shape to the classical music that came to be embraced by cultures from Japan to Bolivia. Then Mauceri examines the music itself, helping us understand what it is we hear when we listen to classical music: how, by a kind of sonic metaphor, it expresses the deepest recesses of human feeling and emotion; how each piece bears the traces of its history; how the concert experience--a unique one each and every time--allows us to discover music anew. Unpretentious, graceful, instructive, this is a book for the aficionado, the novice, and anyone looking to have the love of music fired within them.

Strictly No Elephants Lisa Mantchev,2015-10-27 A sunny, smart, tongue-in-cheek tale. --The New York Times Book Review Sweet and affirming. --Kirkus Reviews When the local Pet Club won't admit a boy's tiny pet elephant, he finds a solution--one that involves all kinds of unusual animals in this sweet and adorable picture book. Today is Pet Club day. There will be cats and dogs and fish, but strictly no elephants are allowed. The Pet Club doesn't understand that pets come in all shapes and sizes, just like friends. Now it is time for a boy and his tiny pet elephant to show them what it means to be a true friend. Imaginative and lyrical, this sweet story captures the magic of friendship and the joy of having a pet.

Love Is Diane Adams,2017-01-24 Perfect for any fond gift or tender moment, this story of a girl and a duckling who share a touching year together will melt hearts old and young. In this tenderly funny book, girl and duckling grow in their understanding of what it is to care for each other, discovering that love is as much about letting go as it is about holding tight. Children and parents together will adore this fond exploration of growing up while learning about the joys of love offered and love returned.

I Love Music Introduction

In today's digital age, the availability of I Love Music books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Love Music books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of I Love Music books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Love Music versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Love Music books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Love Music books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for I Love Music books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, I Love Music books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Love Music books and manuals for download and embark on your journey of knowledge?
