The Ministry, Vol. 10, No. 07 Various Authors, 2006-10-01 This issue of The Ministry presents the first nine messages given during the 2005 spring term of the full-time training in Anaheim, California. The general subject of this series of messages is Noah, Daniel, and Job--Patterns of Living an Overcoming Life on the Line of Life to Fulfill the Economy of God. In order to see the significance and intrinsic revelation of these three men in the Old Testament, we need to consider Ezekiel 14:14 and 20 which says, Though these three men, Noah, Daniel, and Job, were in the midst of it, they would deliver only their own souls by their righteousness, declares the Lord Jehovah and Though Noah, Daniel, and Job were in the midst of it, as I live, declares the Lord Jehovah, they could not deliver even a son or daughter; they would deliver only their own souls by their righteousness. The Triune God esteems these three men--Noah, Daniel, and Job--because they are patterns of living an overcoming life on the line of life to fulfill the economy of God. To present such patterns is the best way to foster, nurture, and cherish others in living a holy life for the church life and to promote, develop, and

cultivate their growth in the divine life for the building up of the Body of Christ. We need such patterns of living an overcoming life. Last of all, we include a report concerning two recent trainings in West Africa.
