Joan Holub

Apple Countdown Joan Holub, 2009-02-01 Apple facts and counting combine in this fun trip to the apple orchard. Field trip today—to the apple farm! Count 20 name tags, 19 kids on the bus, and 18 miles to the farm. There are 14 cows and 13 ducks (10 white and 3 black) and 12 rows of apple trees. Count the apples in your sack, count 3 pies to eat (divided into 20 pieces), and all too soon it's 2 p.m., time to go! But wait—Lee has a number 1 surprise. Joan Holub's creative countdown, from 20 to 1, includes grouping and simple addition. Her multicultural students enjoy all that the apple farm has to offer, from counting the cows and ducks to picking different varieties of apples. The inside cover of this cheerful book is filled with apple facts.

Countdown Ben Mikaelson, AWARD-WINNING AUTHOR BEN MIKAELSEN *DANGER IN SPACE!* Separated by country and culture, will danger unite Elliot, a young astronaut, and Vincent, a Maasai herder? When NASA selected Elliot to be the first teen in space, he eagerly anticipated the day he would board the space shuttle Endeavour. After intense preparations, Elliot never expected anything to go wrong on his voyage, but when danger threatens, the only contact he has, via shortwave radio, is with Vincent, a Maasai boy in Kenya. The two can't agree on anything. When the Endeavour makes an emergency landing on the coast of West Africa and Elliot's life is hanging in the balance, can he and Vincent reconcile their cultural differences and become friends? Mikaelson weaves a provocative message through his novel and blends two fast-paced stories into a single, powerful whole.

Private Eye, 1981

How To Write a Novel HowExpert, Jennifer-Crystal Johnson, 2012-06-04 If you have a passion for writing and you want to learn How To Write a Novel then get a copy of this guide. • The writing process is a little bit different from one person to the next, but fundamentally, it's very similar. When someone sits down to write, there tends to be an awkward "uninspired" moment in the beginning, when you begin to get over the doubt and the thoughts of not knowing what to say and then jump into it anyway. Usually once you've gotten a few sentences out – sometimes a paragraph or two – you suddenly slip into, the zone: that inspired and motivated place where the work comes out effortlessly and you can just keep going for pages and pages. • This book isn't about telling you how to write or making assumptions that everyone goes through the same process. Quite the contrary - I'd like to point out right now that not every writer will follow a process. Some follow no process at all. I'm here to simply share some things that work for me and help me to keep my ideas and thoughts organized so the stories make sense. There are a number of ways to do that, and I'll cover some of my favorites in this eBook. • Most people write for themselves, and many people don't necessarily publish a book. But those who want to write a novel and are intimidated by the idea are the people I'm writing this book for. • One of the questions I ask myself the most is, "Why is it so hard to stay inspired?" Maybe you get stuck on a part of the book or the thought of 90,000 words scares you. Either

way, there are some little tricks and activities you can do in order to maintain a steady focus and inspiration. • For some reason, people have this misconception of authors and writers, that writers just sit down, type up a perfect manuscript the first time around, and then sit back and relax as the royalties roll in. In reality, writers brainstorm, take notes, make outlines, do research either in person or online - or at libraries, verify information, ask questions, and have to have the ability to remove chunks of their work from their document if it's excessive. • And with no boss looking over your shoulder to be accountable to, an author has to be accountable to him or herself, not to mention be a self-starter. • It takes discipline and patience, not to mention determination, but if you're serious about writing a novel, then keep reading!

bestselling author presents his most important book since *The Automatic Millionaire* and gives Canadians the knowledge, the tools, and the mindset to get out of debt — forever. Let David Bach show you how.

Zero Hour: A Countdown to the Collapse of South Africa's Apartheid System Geoffrey Hebdon, 2022-07-15 This enlightening book focuses on the history of how the ethnic groups of Africa, eventually joined by white colonizers from Europe, created the seedbed for the hateful apartheid system in Southern Africa. The reader learns how apartheid began, the dehumanizing effects it had on the black population, and how it was finally abolished in its 'zero hour' in 1994. Written by historian, writer and researcher Geoffrey Hebdon, this is the second in a series that covers the experience of a British citizen who emigrated to South Africa during that era, and records in vivid detail his responses to the apartheid system and how South Africa and neighbouring countries evolved after apartheid was abolished. As well as the first European settlers and the white Afrikaners' attempted

enslavement of the black population, the book also covers the Zulu wars, the Anglo-Boer wars and individuals who supported apartheid such as Cecil Rhodes and the whites-only National Party of South Africa. Also covered are prominent leaders of the African National Congress (ANC) and the black revolutionaries who fought against apartheid, many of whom gave their lives or served life sentences for their “struggle”, including Nelson Mandela, who became South Africa’s first black president after serving years in prison.

Sometimes the Truth Hurts (Before It Sets You Free)

Denise Gambone, 2023-05-26 Fortunes and misfortunes, experiences and adversity endured in life are sometimes the result of choices we make, sometimes due to events we have no control of. My name is Denise. These are my stories. It was a time of clashing values, the end of the freewheeling 60s, the beginning of the tumultuous 70s, and the evolving 80s. Told in her distinctive style, *Sometimes the Truth Hurts* are stories of loss, rebellious youth, stubborn independence, and determination to overcome adversity and achieve a secure and better place in life. Unexpected outcomes, irony and humor resonate throughout, reflecting perseverance of the human spirit. Some stories may be considered controversial, but are told openly and honestly without moral judgement, life lessons, contemporary and timeless, rendered unabashedly from the heart and soul.

Countdown Matt Phillips, 2019-04-26 Welcome to California. Weed is legal. Grow it. Sell it. Smoke it. Eat it. But the money you make off it—there's the rub. Bank it, and the Feds will ask questions. Keep it around, and you'll get robbed. LaDon and Jessie—two hustlers who make selling primo weed a regular gig—hire a private security detail to move and hold their money. Ex-soldiers Glanson and Echo target the cash—they start a ripoff business. It's the wild, wild west. Except this time, everybody's high. With their guns and guts, Glanson and Echo don't expect much trouble from a mean son-of-a-gun like LaDon Charles. But that's exactly what they get. In this industry, no matter how much money there is for the taking—and no matter who gets it—there's always somebody counting backwards...to zero. From acclaimed pulp writer Matt Phillips, *Countdown* is a head-spinning hit of Southern California's lucrative and not-quite-regulated marijuana industry. Praise for *COUNTDOWN*: "A slab of rare pulp, served nice and bloody. *Countdown* reads like an homage to Elmore Leonard from one of the hottest new voices on the crime fiction scene." —Anthony Neil Smith, author of *Yellow Medicine* and *All the Young Warriors* Praise for the Books by Matt Phillips "Matt Phillips speaks fluently the language of the dispossessed... His whiskey-soaked prose can at times be as slick as a man slinging snake-oil, and other times as brutal as a baseball bat to the head." —Eryk Pruitt, author of *Hashtag* and *Dirtbags* "Phillips' writing is so multi-layered and deep... An author to watch out for." —Regular Guy Reading Noir
