I Dreamt of Sausage Corinna Borden, 2011-06-21 Corinna Borden writes of her tumultuous path toward recovery from Hodgkins disease in *I Dreamt of Sausage*. Though it is considered one of the most curable cancers, her search was an arduous one. Borden was not there to follow orders. From the moment of diagnosis, Borden invites the reader into her head. Along with her experiences with the Western system of health and healing, *I Dreamt of Sausage* travels with the author from Ann Arbor, Michigan, to Tijuana, Mexico, as she investigates and experiences alternative forms of cancer treatment. Through her personal journal entries and inner-voice discussions, Borden immerses the reader in the emotional and spiritual challenges of cancer treatment with unflinching honesty. *I Dreamt of Sausage* is divided into three parts: Body, Mind, and Spirit. Body introduces the patient, her diagnosis, and her experiences with chemotherapy. Mind delves further into Borden's frustrations with traditional cancer treatments and her decision to pursue alternative medical care. Spirit illustrates her newfound ability to witness her thoughts in any medical situation and her broader understanding of health. *I Dreamt of Sausage* offers a unique perspective on illness. Borden illustrates the transformation an individual can take from being overwhelmed by physical suffering to choosing internal peace. As Borden says, The story is about recognizing the voices in your head and choosing which ones to listen to. Survival behavior relates to one's personality characteristics. Corinna's book shares many of these factors and makes them easy to understand because she is a native who has lived the problem and can share her experience. It is real and practical and useful for those confronting cancer and other problems. Bernie Siegel, MD, author of *Faith, Hope & Healing* and *365 Prescriptions for the Soul* This is a MUST-read for anyone dealing with cancer or involved with anyone who is. What do you do when your life is shattered by a cancer diagnosis? What forms of treatment do you choose? Why did you get cancer in the first place? Follow one woman's amazing journey as she shares her innermost thoughts and feelings on her quests for wellness. Carolyn L. Mein, DC, author of *Releasing Emotional Patterns with Essential Oils and Different Bodies, Different Diets*

Five European Plays Tom Stoppard, 2018-10-16 Alongside his many major plays, Tom Stoppard has written several highly acclaimed translations and adaptations of works by other writers, which are collected together here for the first time, together with a new introduction by Stoppard. Five European Plays includes adaptations of plays by four major European dramatists—Johann Nestroy, Arthur Schnitzler, Ferenc Molnár, and Václav Havel—Stoppard transports us to settings as diverse as nineteenth-century Vienna and the Czech Republic under communism. From the farcical humor of *Rough Crossing*, which follows two playwrights on a cruise ship who are struggling to finish a musical comedy before the ship docks, to the tender story of love and secrets in *Dalliance*, to the chillingly comic depiction of a writer working in Communist Eastern Europe in *Largo Desolato*, the plays reveal Stoppard as a master of technique, whose language shines in these translations and adaptations just as brightly as in his other works.

The Heavens Are All Blue Dr Finbar Lennon, Dr Kathleen McGarry, 2020-04-02
When Dr Kate McGarry was diagnosed with an advanced cancer of unknown origin she resolved to write a book to chart her experience: as a woman coming to terms with such devastating news and what this meant to her as a wife and a mother but also, crucially, how she experienced cancer and its treatment as a doctor, who had become a patient. As Kate adjusted to living with cancer and underwent treatment, she enlisted the help of her husband, fellow doctor, Finbar to help her write the book but then she sadly passed away on the 5 January 2018. With no writing experience, and wrestling with his own heartache, Finbar set about finishing their story. The result is a touchingly beautiful memoir about love, grief and togetherness. 'A loving memoir of time spent both together and apart ... [Kate's] personal legacy, as a mother, a wife and the life and soul of the party, is recorded beautifully in this moving memoir' Sunday Business Post

The Soul of Jerusalem Rabbi Shlomo Katz, 2014 There is a little land. In that little land, there is a little city. In that city there is a little street, and on that street there is a little wall. When you stand by that Holy Wall, you can hear the footsteps of our father Abraham, and you can hear the trumpet of the Great Day to come. You hear the past and you can hear the future. You can hear the singing of the Levites. Or, you can hear us crying, going into exile. You can hear the six million crying out of the gas chambers, and you can hear the trumpet of the Great Day to come. I was standing one early morning by the Holy Wall, and I was saying Kaddish for my father. But when you stand by that Holy Wall, you say Kaddish for the whole world. Sometimes you feel like saying Kaddish for your own soul, and sometimes you feel like saying Kaddish for tomorrow. Then you hear the words "Yisgadai V'yiskadash Shmei Raba – May G-d's Name become great and sanctified," and you remember there is one G-d, and you know that the Great Morning is coming. You know that day and night will get together. The living and the dead, we and the whole world. This is my song, the song of tears, because on that Great Day the tears will march through the world, and the whole world will join them. The tears will clear the world and prepare the world. Everything will come together. We will all come together. It will be a new morning – a new beginning. In this remarkable and life-changing work, the reader is transported to the Holy Temple in Jerusalem to be inspired by the teachings of Rabbi Shlomo Carlebach zt"l. Masterfully adapted by Rabbi Shlomo Katz (renowned musician and creator of the best-selling and acclaimed *The Soul of Chanukah: Teachings of Rabbi Shlomo Carlebach*), these teachings touch the soul.

So Far from Forfar Dan Makgow Smith, 2008-11 Malcolm Macgow is good at what he does: a Scottish blacksmith. Living in Forfar, Scotland in the 1600's with his son, Ian, they make ends meet. Malcolm comes from a long line of blacksmith's and is teaching his son the trade as well. Although not officially single, he lives his life that way since his wife left him some time ago and has basically abandoned the family. His life takes a sudden

change when a woman, Kate MacPherson, enters his life and turns him completely upside down emotionally. It doesn't take long before he falls madly in love with her. His life takes a turn for the worse when the local magistrate teams up with a group of domineering men who are bent on taking Malcolm's land right out from under him for purposes that are diabolical and not in the best interests of the town of Forfar. Malcolm's brother, Daniel, now living in the American colonies, has his own set of problems when he is accused of being in league with the Salem witch crowd. Daniel had sailed to America to make his own way in life as a fur trader, but fate had other plans for him in the name of an old family nemesis named, Theodore Higginbottom. Fleeing into the wilderness, Daniel evades capture and meets a woman by the name of Logan Moss, who he falls in love with. Eventually Daniel and Logan make their way back to Salem and prepare to make a stand with whatever awaits them there. In the present time, the brother's descendants come together, as family from America travel to Scotland where they discover their long lost relatives some three-hundred plus years later.

My Darling Lemon Thyme's Emma Galloway inspires you to think again. Now available for the first time in the US, popular special diets blogger Emma Galloway's family cookbook, *My Darling Lemon Thyme*, is a collection of 100 recipes that reflect the philosophy that natural, whole food should be flavorsome, fun, and easy to prepare. Beyond just recipes, we savor Emma's stories about life with a young, energetic family too. Meant for anyone who loves great food that is also good for you, these delightfully

fresh recipes are 100% vegetarian and gluten-free—icing on the (naturally sweetened) cake. You'll find foods your grandparents would recognize, not the food-like products humankind has developed to make our lives easier but which seem to make us ever more unhealthy. Beyond any labels, this book is less about eliminating and more about embracing food as it's supposed to be: whole and unadulterated, fresh from the earth, prepared with minimal fuss, and eaten in a way that nourishes our bodies. Emma's personal belief is that everyone can benefit from eating less wheat, meat, and dairy in their diet. But her recipes are not just for those with food intolerances or allergies or for vegetarians. The recipes are for everyone who wants to enjoy a better life and celebrate nutritious, wholesome, real cooking. Quite simply, My Darling Lemon Thyme offers us another way of eating, living, and being in the world, and in the kitchen. Extensive pantry-stocking instructions and a glossary are included.
