The Ride of a Lifetime Robert Iger,2019-09-23 #1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including: • Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming. • Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity. • Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale. • Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal"

Iger writes. “Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives.”

Waiting for My Ride Willie Simon,2015-10-02 Each day I wake to see the light of day. Be it a good day or a not-so-good day or a bad day, I realize it is the best day of my life, and I will rejoice in that day. I will not worry about yesterday or tomorrow. Yesterday will never come again, and tomorrow will be twenty hours, fifty-nine minutes, and fifty-nine seconds away. The closest I will ever get to tomorrow is twenty three hours, fifty-nine minutes, and fifty-nine seconds. With life, all things are possible. If I have life, I must LIVE.

The Ride Jaci J,Dana Hook,Margreet Asselbergs,2014-10-31 Tank It had always been about the ride. My love for the ride is what fuels me. It's what drives me. That freedom of the open road in front of you with not a damn thing holding you back is what I crave. I don't need much, shit I don't want much out of life. My bike, my club, my brothers, my money, and occasionally a warm and willing women in my bed is what I need. I liked my life that way. It works for me. I enjoyed the familiarity of it. But slowly things were changing. I can feel that change in the air. It's everywhere. There comes a point in your life where things just change. No matter how much I fight it. No matter how hard I hang on, it's changing. Whether by choice or not. For better or worse it gets turned upside down on its fucking head. The moment I laid eyes on her shit changed forever. Things were on their way to changing, but fuck if she didn't tip that shit right over. She hit me like a blow to the chest crippling me. Rocking my world. That girl completely blew everything I thought I wanted to shit. She took me on a wild ride and for better or worse she changed everything for me. Lil The loud rumble of pipes fills me with a sense of home. Deep gruff male voices remind me of nights spent sitting at the bar listening to the guys tell me stories. The smell of leather, grease, and smoke brings back memories of hot summer days spent around the compound. The sound of classic rock makes me want to dance. A group of rough and mean men makes me smile. Seeing a beautifully crafted bike makes my heart beat a little faster. A man in leather always makes me hot. The feel of the vibration through my body from a perfectly tuned bike takes me right back to my old life. Some things never change. Sometimes those things are never meant to change. Although much hadn't changed since I left, a few things had. The loss of loved ones, the addition of new ones. With one new addition to life things changed for me forever. My life will never be the same. He changed it all.

Honey, Do You Need a Ride? Jennifer Graham,2014-04-28 The hardest thing about running isn't the running. It's getting yourself out the front door. This is particularly true for anyone who is overweight, who doesn't look like a runner, but more like someone who ran out of gas on the way to pick up a pizza. Someone who looks like she needs a ride home. Jennifer Graham's been there. She's still there, actually. She started running to lose weight, and she did lose a

little, but not enough to ever fit in the size 12 silk dress that still hangs in her closet, apparently doomed to be forever unworn. But no matter. Along the way, Graham learned that running -- not weight loss -- is the fast track to joy. It's also the best way to motor over the speed bumps of life, whether they be excessive procreation, a difficult divorce, or runaway donkeys headed for the school bus. Graham, a columnist for The Boston Globe, writes candidly about the indignities of being a plus-sized runner in a sport dominated by long, lean shirtless wonders. But she believes that everyone who can run should run (and if they can't, they should walk as long and as fast as they can.) How? It's this simple: Put on your most comfortable clothes, and your most comfortable shoes, and walk somewhere, even if it's just to the mailbox. Then run back to where you started, slowly. The next day, do it again, only go a little bit farther. And farther yet, the next day. Keep it up, listening carefully to your body about when it needs to work and when it should rest. One day, you'll run a 5K, or a marathon, or at least will be able to retrieve your mail with lightning speed. But first, buy a copy of this book, and let Jennifer Graham entertain you every step of the way. --

----- Praise for Honey, Do You Need a Ride? Jennifer writes like an old friend speaks, in a voice you know and love. Her descriptions of running heavy, whether with added weight or added burdens, make her experience universal to runners and non-runners alike. Her overcoming spirit makes you want to cheer for her, run with her, or eat a pint of ice cream with her! Ultimately, it's not the size of the body but the size of the heart that counts. And this runner's heart is huge. --Kristin Armstrong, mother of three, Contributing Editor for Runner's World,Mile Markers: The 26.2 Most Important Reasons Why Women Run Here's to the mid-pack runners, the back-of-the-pack shufflers, the start-slowly-and-taper-off champions. Just remember: there's a lot more of us than there are of them (those tall skinny Shirtless Wonders). And Jennifer Graham tells our story beautifully, with unflinching honesty and laugh-out-loud humor. --John the Penguin Bingham, author of The Courage to Start, No Need for Speed, and An Accidental Athlete Jennifer Graham might be surprised when the sinewy running tribe she longs to conform to becomes readers of her book, because you don't have to be a 'fat runner' to enjoy this moving memoir. If you've ever fallen in love with running; if running is a constant companion; if running has been a lifeline through bad times, then you'll identify with Graham's story. Okay, maybe not the donkeys or the paranormal coaching, but when you're done reading you'll wish you could join Graham on a run, just so you can hear more. --Kara Douglass Thom, author of Becoming an Ironman and Hot (Sweaty) Mamas: Five Secrets to Life as a Fit Mom Jennifer Graham is the hilarious, pee-your-pants running partner you wish you had. She'll make you want to move to Boston just to pound out a few miles alongside her and slam down a ginormous hot-fudge sundae with her post-run. If you love running, laughing, eating, and reading in equal measure, you'll love this book. --Eileen Button, author of The Waiting Place: Learning to Appreciate Life's Little Delays
