I Am Here Marlys Beider,2019-06-13 Twenty-two-year-old Kuri Berger has made an impactful impression on film and television audiences and is one of the industry's most sought after actors of her generation. For years she's experienced strange hallucinations and heard voices that speak to her in languages she doesn't understand. While filming in Germany, she visits the memorial site of the former concentration camp Dachau where she has an eye-opening encounter with psychiatrist Adam Gold, a compassionate, intelligent man who's dealt with mysterious visions of his own. Though hesitant to disclose their past surreal episodes to the other, they both sense having found a kindred spirit. As Kuri and Adam's love grows deeper with each passing day, they open arcane doors and face puzzling new occurrences. In order to overcome the enigma that pursues them, they must seek the source of their otherworldly connection -- a link that transcends the bounds of time.

I AM HERE ONLY Rachna Vinod,2023-01-16 My love for reading, writing and traveling often takes me to different parts of the my country and the world. Interaction with people belonging to various cultures makes me more and more aware of the fact that whatever be the race, whatever be the culture and whatever be the region, the underlying feelings of the people remain same. Each one is a soldier whether in uniform or civil dress. A soldier in uniform is often described as the one who defends the country and who maintains law and order. The same is expected of a person in civil i.e. to defend his/her family, boundaries of his/her house besides being loyal to the country and maintaining law and order in the society. The agony and joy are felt and expressed in the same way but the reasons for reactions to such situations may differ owing to local dissimilarity. Invariably my writings take generality of characters and places which can be easily be identified in real life in any corner of the world.It is important for me to acknowledge immensely supportive my husband Mr. Vinod Gupta in this journey of words for bringing out I AM HERE ONLY! - Rachna Vinod

Believe That I Am Here Nicole Gausseron,2003 A true account of one woman's conversations with Christ reveals a personal relationship with Jesus. In a small, simple chapel during the celebration of the Eucharist, Jesus revealed his presence to Nicole Gausseron and began speaking to her. The first in a series of three books, Gausseron documents her conversations with Christ. Nicole Gausseron is not a visionary. She was born to a prosperous French family and was educated to be a professor. Translated from French, this volume is a record of Gausseron's first encounter with Christ and many others, kept daily in her petit cahier--her little notebook. Devoid of the reverential tone often found in works of piety, Gausseron's journals read more like Gospel accounts of Jesus' ministry, episodic, terse, and objective. The value of the notebooks lies in their cogent reminder that Jesus lives and seeks a personal relationship with those who believe in him.

Not To Hate But To Love That Is What I Am Here For Heinrich F. Liebrecht,2009-04-13 The fate of a racially persecuted – one of millions. Search for legal and illegal means to emigrate. Denunciation, arrest by the Gestapo, concentration camp, slave labor in the defense industry. The wife of the author commits suicide, because she sees no other way out. The little daughter is sent to the gas chamber, together with her caretaker. After the war's end, with the cruelties of the years still fresh in Liebrecht's memory, Heinrich Liebrecht has written down his path through the hell of the Third Reich without a word of reproach or accusation. He is concerned with reconciliation, not retaliation. The star of kindness may not sink, even in the night of cruelty, that is life's balance for the author, who died at the end of 1989.

I Am Here Marcella Martyn,2011-10-27 I AM HERE offers words received from spirit. Some of the most beautiful and comforting are presented here to you. To my heart, these words exemplify channeled wisdom for changing times. The glory of the heavens shall be unfolded upon the Earth, and will change everything. The brilliance of the light shall in an instant dispel all darkness. All shall be in love. All shall be at peace. All shall be filled with joy. All shall be enlightened and awakened. It shall be done. All debts shall be forgiven. All wounds shall be healed. All disease shall be removed. All prisoners shall be freed. All crimes shall be forgiven. All class systems shall be lifted. All will reunite in love. All will again be as it should be. The time has come at last.

'I am Here', Abraham Said Nigel Rapport,2024-04-01 One of the most significant philosophical voices of the twentieth century – the philosopher of 'the Other' – Emmanuel Levinas' work offers a challenge to the discipline of anthropology that claims knowledge of the human. For Levinas, the 'secrecy' of subjectivity – a fundamental facet of the human condition – demands an ethics of ignorance and not-knowing; the mystery of otherness is only to be approached through 'inspiration'. Can anthropology meet a Levinasian challenge if it would define itself as a science as well as a humanistic documentation of social life? This book endeavours to take Levinasian and anthropological precepts equally seriously and offers a tentative accommodation.

I Am Here and Not Not-there Margaret Avison,2009 This question was put by a registrant: What makes a poet's language distinctive?' We all fell silent, trying to pin it down, then tried to answer. Not just affection for words, which is common to all good writers; not necessarily a matter of cadence, formal structures, rhythm. The answer that came to me, forced out of minutes of dismissing options, was new to me too: It is saying I am here and not not-there''.'

I Am Here Judith Jones Togher, 2021-04 I Am Here: Postcards from My Daughter in Spirit is a heart-wrenching and touching collection of messages from a daughter to her mother, sent from beyond the veil. It is a story of loss, overwhelming grief, and finally healing—through small messages, or what the author calls ‘postcards’—from the other side. Each postcard serves as a reminder that love and connection endure, even in death. With each postcard, Judith Jones Togher’s daughter Suzanne shares her thoughts, wisdom, and love, offering comfort and solace to her mother and readers alike. Suzanne conveys the peace and happiness of the afterlife, while also addressing the grief and loss that her passing has brought. Togher offers the reader advice on how to keep their heart open to receive their own postcards from loved ones, with advice on the use of automatic writing, working with mediums, and understanding dreams. In the chapter ‘Dealing with Grief,’ Togher offers some practical points on how to manage loss. This powerful and inspiring book is a testament to the unbreakable bond between mother and daughter, and the eternal nature of love—as well as a practical guide for those experiencing profound grief. Whether you are facing the loss of a loved one or simply seeking comfort and peace, I Am Here is a must-read for anyone seeking to connect with the spirit world and with their loved ones who have passed on.

I am Here Stephen Grealy, Sandra Spencer, 2021-03-01 A soul filled children’s book, I am Here Love Daddy is to be given, read, and shared to connect with loved ones from all around the world. This book is recommended for parents and family, social service agencies, military personnel, church groups, educators, foster carers, and bereavement support groups to assist kids and adults with separation anxiety or the loss or passing of our children’s loved ones. The book’s goal is the help heal children and all our readers. Social workers, parents, grandparents, brothers, and sisters have all agreed that that I am Here is a great story to assist kids in coping with the pain of separating from their loved ones. In this beautiful, illustrated poem for children of all ages with its whimsical illustrations they learn that they are never alone. It's a somewhat crazy world we live in today. You cannot always be physically present with those you love due to many reasons such as: Armed Services deployment, FIFO jobs, divorced with kids, time away from home or someone you love has recently passed away. I am Here is a story that takes children on a journey of discovery, where they learn that whatever activity they are doing like running, jumping, or simply sleeping that their loved one are there with them. I am here is a lifelong journey of the enduring spirit of love that connects us all and those you love beyond time and space.
