International Ombudsman Institute,Linda C. Reif

The International Ombudsman Yearbook International Ombudsman Institute,Linda C. Reif,1998-03-01 The International Ombudsman Yearbook is the only publication devoted to ombudsman issues. The public sector ombudsman is now found at all levels of government in many countries around the world, both in established and consolidating democracies. The ombudsman is an independent office, traditionally appointed by the legislative branch, to investigate poor administration of government. More recently, some ombudsman offices have been given human rights protection responsibilities. The International Ombudsman Yearbook contains articles written from legal or public administration perspectives which address issues of interest to the contemporary ombudsman and to all persons with an interest in the institution. Compiled and edited by the International Ombudsman Institute, the organization composed of over 130 ombudsman members located worldwide, the Yearbook will be of interest to lawyers, scholars, ombudsman office personnel and government entities wherever ombudsman offices are located or contemplated.

GAME THEORY FOR MANAGERS CHADHA, ALKA,2020-07-01 The new edition of the book has been streamlined for effective reading and clarity. It explains the concepts of game theory in a way that is easy to understand and will be useful for the students of MBA programmes. It will help the readers to think strategically in interactions that they may encounter as managers. The book uses a mix of mathematics and intuitive reasoning for efficient learning outcomes. The case studies dwell on diverse issues such as politics, diplomacy, geopolitics, movies, sports, health care, environment, besides business and economics. Each chapter includes Solved Examples, Summary, Key Words and Exercises. The second edition of the book has expanded the text and included more diagrams for a clearer understanding of concepts such as mixed strategy games, duopoly games, strategic moves and coalition games. It has also updated case-studies on current topics including corona virus pandemic, oil crash, trade war, arms race escalation, etc. TARGET AUDIENCE Management Students
