Big Billion Startup: The Untold Flipkart Story Mihir Dalal,2019-10-06 The definitive account of India's biggest startup that redefined e-commerce, entrepreneurship and the way we shop and live. IIT graduates Sachin Bansal and Binny Bansal founded out of a Bangalore apartment what would become India's biggest e-commerce startup. Established in October 2007, Flipkart began as an online bookstore and soon came to be known for its 'customer obsession'. As the startup's reputation grew, so did its value, with venture capitalists in India and abroad lining up to invest heavily in the company that stood for bold ambition, unabashed consumerism and the virtues of technology. Investigative journalist Mihir Dalal recounts the astounding story of how the Bansals built Flipkart into a multi-billion-dollar powerhouse in the span of a few years and made internet entrepreneurship a desirable occupation. But it is also a story of big money, power and hubris, as both business and interpersonal complexities weakened the founders' control over their creation and forced them to sell out to a retailer whose dominance they had once dreamt of emulating. Flipkart's auction involved some of the corporate world's biggest names, from Jeff Bezos, Satya Nadella, Sundar Pichai to Masayoshi Son and Doug McMillon, an ironic testimony to the strength of what the Bansals had forged. Based on extraordinary research, extensive interviews and deep access to key characters in the Flipkart story, Big Billion Startup is the riveting and revealing account of how Sachin and Binny Bansal built and sold India's largest internet company.

The Evolution of Policing Melchor C. de Guzman,Aiedeo Mintie Das,Dilip K. Das,2013-11-25 Drawn from recent proceedings of the International Police Executive Symposium (IPES), this volume explores major policing initiatives and evolutions across the globe and presents practical insights on how police are retooling their profession. The book discusses the trends in evolving police roles among democratic and democratizing states, the impact of community-oriented policing, innovations occurring in police training and management, and issues relating to ethics, technology, investigations, and handling public relations. The book also examines challenges to police practices, such as terrorism, decentralization, and the policing of indigenous and special population groups.

The Emerald Atlas John Stephens,2011-04-05 A strong . . . trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way.—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophecy is true—what they do can change history, and it's up to them to set things right. A new Narnia for the tween set.—The New York Times [A] fast-paced, fully imagined fantasy.—Publishers Weekly Echoes of other popular fantasy series, from Harry Potter to the Narnia books, are easily found, but debut author Stephens has created a new and appealing read . . .—School Library Journal, Starred Review

E-policing ,2001 This research report analyses the impact of information technology on policing, using the QPS as a case study. It examines the extent to which the implementation of information technology has modified the accountability structure and the occupational culture of policing and whether information technology has significantly altered police practices at the street, supervisory and management levels.

Reunion Planner Phyllis A. Hackleman,2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, Reunion Planner is one book you won't want to be without. Reunion Planner leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

Shopping Centers and Other Retail Properties John R. White,Kevin D. Gray,1996-03-15 Shopping centers and other forms of retail properties continue to be among the soundest real estate investments in North America. But retail property is a highly specialized field of real estate development with a unique and complex set of legal, financial, development, management, and marketing variables about which investors and developers must possess a sound working knowledge. Now this book arms you with that knowledge, and much more. The most comprehensive, authoritative, up-to-date resource of its kind, Shopping Centers and Other Retail Properties covers every vital aspect of negotiating, buying, selling, developing, managing, and marketing shopping centers and other retail properties. Editors John R. White and Kevin D. Gray, of the leading real estate consulting firm Landauer Associates, and an all-star team of experts in the field of shopping center and retail property development, share everything they know about: * All important legal issues * Investment and feasibility analysis * Valuation requirements and performance measures * Planning, designing, and renovating retail properties * Developing and investing in local and community shopping centers, highway retail centers, and regionals and super regionals * Operating and managing retail centers * Mortgage financing and financing through public and private equity issues * Space marketing and lease terms * Macro and micro market analysis * And much more Shopping Centers and Other Retail Properties is an indispensable working resource for both new and experienced retail property investors and developers as well as those who work with them, including attorneys, accountants, analysts, appraisers, planners, managers, brokers, and consultants. Timely insights into an industry undergoing tremendous change.-- For both newcomers and seasoned professionals in retail property investment, this book provides a wealth of vital information on every aspect of developing and managing shopping centers and retail properties. Written by an all-star team of specialists in the field, Shopping Centers and Other Retail Properties: * Provides expert guidance on financing, developing, operating, and managing shopping centers and other retail properties * Covers analysis of retail market demand, investment and feasibility analysis, appraisal, mortgage financing, financing by equity, new planning formats, and

much more * Serves as an indispensable working resource for investors, developers, attorneys, accountants, analysts, appraisers, planners, managers, brokers, and consultants. An authoritative work that will be immensely useful to anyone interested in retail real estate. -- Retail developments have become the key investments now targeted in real estate. No two people have commanded more respect for expertise than this book's editors. There are many, many books attempting to guide readers in this field. In my experienced view, none compares to the excellence and usefulness of this text. --

Dangerous Women Virginia Brilliant, Kimberly L. Dennis, Mary D. Garrard, 2018 -Dangerous Women presents works from the rich holdings of the John and Mable Ringling Museum of Art that explore different artists' responses to the women of the Bible -Evokes a politically charged theme celebrating the strength of women and their ability to take back power in adverse circumstances -Features contributions from leading scholars of feminist and Renaissance art -Accompanies exhibition at the Patricia & Phillip Frost Art Museum and the Cornell Fine Arts Museum (September 8 - December 30, 2018) The Old and New Testaments are full of compelling female characters: good wives and bad, courageous heroines, and deceptive - sometimes deadly - femmes fatales. Dangerous Women presents works from the rich holdings of the John and Mable Ringling Museum of Art that explore different artists' responses to the women of the Bible. Paintings by Pietro da Cortona, Francesco Cairo, and Fede Galizia and others stand as a reminder of how dangerous biblical women have continued to loom large in the modern imagination. These stories in this volume show how narratives of power are constructed, interpreted, and continue to evolve over the course of time. While some women saved their people, were paragons of virtue, or repented, others were purveyors of sin, harlots, and seductresses. Even if it was through their misbehavior, all of these women - from Mary Magdalene, to Judith and Esther, to Salome and Potiphar's Wife - shaped biblical history. Ibibo Parking Wars Introduction

In today's digital age, the availability of Ibibo Parking Wars books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ibibo Parking Wars books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ibibo Parking Wars books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ibibo Parking Wars versions, you eliminate the need to spend money on physical copies. This not only saves you money but also

reduces the environmental impact associated with book production and transportation. Furthermore, Ibibo Parking Wars books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ibibo Parking Wars books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ibibo Parking Wars books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ibibo Parking Wars books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ibibo Parking Wars books and manuals for download and embark on your journey of knowledge?
