Parts Unknown Lynne Heitman,2014-07-06 Black market airplane parts put countless lives at risk in this terrifying thriller: “The best white-knuckle ride I’ve taken in a long time” (Lee Child). Alex Shanahan has accepted a new job with a Detroit start-up airline when the death of her friend John McTavish takes her on a detour to Miami. But her trip turns perilous when Alex connects John’s murder to the lucrative world of black-market airplane parts. Now Alex must walk into the darkest corner of the business she loves, where profits are valued over the lives of a planeload of passengers—and murder is the solution when millions are at stake. In a world where one faulty part can bring down an airline and catastrophe is an acceptable risk, Alex must tread carefully, because every step she takes could be her last. “Fast-moving and as fascinating as a natural disaster, the novel is suspenseful and electric and has the appeal of an insider story. Ms. Heitman is a former airline employee of fourteen years, and her words ring true.” —The Dallas Morning News “An intricate and explosive thriller . . . One of the year’s most notable.” —Publishers Weekly “Heitman melds the maze of today’s airline industry with intrigue and mystery.” —John Nance

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.
