

# Ice Road Truckers

Alex Debogorski

*King of the Road* Alex Debogorski, 2011-12-13 Inside one of the world's most dangerous jobs with the star of History's top-rated reality show, *Ice Road Truckers*. The highest-rated reality show ever to hit the History channel, *Ice Road Truckers* follows the heart-pounding adventures of the tough-as-nails truckers who risk peril every day to deliver goods and supplies in Alaska and across Canada's frozen north. Alex shares tales of his adventures-and misadventures-in the north, and explain, in his own entertaining voice, how he got to where he is today-working class hero, bona-fide celebrity, and the improbable star of a smash-hit television show. Alex is a natural storyteller who knows how to spin tales about his colorful life growing up in the backwoods. Whether he's recounting tales about his hair-raising confrontations with bears, calculating the strength of newly formed ice, divulging the secrets of providing security in a bar room full of combative, drunken miners, or saving the life of another trucker, he keeps you wanting more. The first inside look at industry legend and fan favorite Alex Debogorski, a devout Christian, father of 11 children, and the world's best known truck driver. Includes thrilling adventures and behind-the-scenes insights that you won't find on the show. Features sidebars that explain the facts about ice roads, from how they're made to when and why they splinter and break. *King of the Road* gives fans of *Ice Road Truckers* a deep look inside the life and times of the show's biggest rising star.

**Ice Road Trucker** Nick Gordon, 2011-08-01 Does driving a 100,000-pound truck across frozen water sound like a smart idea? No, but some people make their living doing this. Ride along with ice road truckers and discover the unique "road" hazards they face.

*On Thin Ice* Hugh Rowland, Michael Lent, 2011 From floating ice to snowstorms - meet the adrenalin junkie and death-defying star of the History Channel and Five USA's hit show *ICE ROAD TRUCKERS*. Every year a fleet of men travel to the Arctic Circle, a region heavily endowed with natural resources. Locating the abundance of natural gas, conflict-free diamonds and gold is relatively easy - but extracting and transporting these goods is another matter entirely. The truckers picked to deliver these precious commodities spend two months traveling hundreds of miles on a naturally formed road of ice. It is one of the most dangerous jobs in the world. For more than 20 years, Hugh Rowland has survived the ice roads like no other. Known by the ice road trucking community as 'The Polar Bear' - a reference to his legendary stamina, strong personality, bearish attitude and prowess on the ice - Rowland has performed amazing feats and survived spectacular wrecks to become the undisputed king of the ice road truckers. Each year when the temperature plummets to -70°C, Rowland leaves his family, home and successful excavation business north of Vancouver, Canada, to drive 1900 miles to Yellowknife, where he throttles up for another ice road season. *ON THIN ICE* traces the history of ice road trucking, the preparation for the trek and follows Rowland through his nine week journey across the infamous Ice Road. From the first snowstorm to the final thaw, this adrenalin-filled book follows his journey to the edge of endurance and back. It's an extraordinary look at an extreme life.

**On Thin Ice** Hugh Rowland, Michael Lent, 2010-06-08 You've watched him battle the odds on History's *Ice Road Truckers*. Now read Hugh *The Polar Bear* Rowland's own storm-by-storm account of surviving and conquering the infamous

ice roads of the Arctic. Join Hugh in the front seat of his truck as he shares his most chilling, adrenaline-fueled tales of the world's most dangerous job. Every year, a fleet of truckers travels beyond the northern equatorial line to the Arctic Circle, battling subzero temperatures and perilous conditions. Though treacherous, it is a region heavily endowed with natural resources. Locating this abundance of natural gas, conflict-free diamonds, and gold is relatively easy; extracting and transporting these goods is another matter entirely. The elite truckers chosen to deliver materials vital to these efforts spend two months traveling distances greater than Western Europe on naturally formed roads of ice that is only sixteen inches thick. It is one of the most dangerous jobs in the world. For more than twenty years, Hugh Rowland has survived the ice roads like none other. Each year when the temperature plummets, Rowland leaves his family in Vancouver, Canada, to drive 1,900 miles to Yellowknife, where he will begin his odyssey. Facing the threat of perilous avalanches, hundred-foot cliffs, and the ever-present danger of cracking through the ice, Hugh must push himself to the limit. The payoff is sweet, but Rowland isn't in it just for the money; he is driven by the camaraderie, the call to adventure, and the chance to battle the odds year after year. From the first snowstorm to the final thaw, *On Thin Ice* traces the history of ice road trucking, chronicles Rowland's preparation for the trek, and follows him through his perilous journey along the infamous ice roads. Take a ride with Rowland as he recounts tales of epic breakdowns and breathtaking heroism that are just a daily part of the job. In this classic battle of man and machine versus cruelest nature, only the strong will survive to see their payday, their families, and the chance to do it all over again . . . on thin ice. WHEN HELL FREEZES OVER . . . You've never experienced winter until you've lived through one in the far north. It starts in October and doesn't let up until mid-April. The temperatures drop to minus 70, with winds blowing 60 miles an hour. At that temperature, you throw a pot of boiling water or coffee into the air and it will instantly vaporize and turn into snow. It's cold as hell, but it's also full of riches: silver, gold, uranium, diamonds, and oil worth tens of billions of dollars. Locating these treasures in the frozen tundra is the easy part. Getting them out of the ground and bringing them from the frozen wasteland to civilization is a lot tougher. That's my job. --From *Ice Road Truckers*

On Thin Ice Hugh Rowland, 2010-12-30 From floating ice to snowstorms - meet the adrenalin junkie and death-defying star of the History Channel and Five USA's hit show ICE ROAD TRUCKERS. Every year a fleet of men travel to the Arctic Circle, a region heavily endowed with natural resources. Locating the abundance of natural gas, conflict-free diamonds and gold is relatively easy - but extracting and transporting these goods is another matter entirely. The truckers picked to deliver these precious commodities spend two months traveling hundreds of miles on a naturally formed road of ice. It is one of the most dangerous jobs in the world. For more than 20 years, Hugh Rowland has survived the ice roads like no other. Known by the ice road trucking community as 'The Polar Bear' - a reference to his legendary stamina, strong personality, bearish attitude and prowess on the ice - Rowland has performed amazing feats and survived spectacular wrecks to become the undisputed king of the ice road truckers. Each year when the temperature plummets to -70°C, Rowland leaves his family, home and successful excavation business north of

Vancouver, Canada, to drive 1900 miles to Yellowknife, where he throttles up for another ice road season. *ON THIN ICE* traces the history of ice road trucking, the preparation for the trek and follows Rowland through his nine week journey across the infamous Ice Road. From the first snowstorm to the final thaw, this adrenalin-filled book follows his journey to the edge of endurance and back. It's an extraordinary look at an extreme life.

**Ice Road Truckers** Clara Cella, 2024-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Without ice road truckers, people in the coldest regions of the world wouldn't be able to survive. These trucks bring the food, fuel, and other necessary supplies to very isolated communities. Learn about brave journeys across frozen roads, and see how truckers stay safe to deliver the goods.

*Denison's Ice Road* Edith Iglauer, 1991 In savage blizzards, blinding whiteouts and 60-below-zero temperatures, steel axles snap like twigs; brakes and steering wheels seize up; bare hands freeze when they touch metal. The lake ice cracks and sometimes gives way, so the roadbuilders drive with one hand on the door, ready to jump. John Denison and his crew waited for the coldest, darkest days of winter every year to set out to build a 520-kilometre road made of ice and snow, from Yellowknife in the Northwest Territories to a silver mine on Great Bear Lake, above the Arctic Circle - this is their story. Edith Iglauer was the first outsider ever to accompany them as they worked. This book, her chronicle of a gruelling, fascinating journey through Canada's north, has sold over 20,000 copies since its first publication in 1974.

Ice Road Truckers in Action Amy C. Rea, 2017 Gives readers an inside look at the dangerous job of ice road truckers. Additional features include a table of contents, a Fast Facts spread, critical-thinking questions, a phonetic glossary, an index, a selected bibliography, an introduction to the author, and sources for further research.

Ice Road Truckers , Ice Road Truckers returns for a second high-tension season, but this time around the job takes them even farther north - 100 miles inside the Arctic Circle. The adventure takes off in Inuvik, a small town where freak blizzards, polar bears, -50°C temperatures, and isolation are all too common. Most dangerous of all are the new ice roads, built not only on rivers, but miles out into the Arctic Ocean! Even slight miscalculations in speed can force the frigid water to crash up through the ice with catastrophic consequences for man and machine. Just how punishing are the conditions? One of the team members quits before he makes it to the ice! You'll be right beside the truckers as they face mountains of ice, deadly cold, extreme hardship, and equipment that collapses under the strain of the elements in these 14 adrenaline-pumping episodes on four DVDs. It's a treacherous, bone-numbing job - just the kind of challenge that keeps this special breed of driver coming back for more.

Ice Roads Michael Canfield, 2016-12-15 Not every road can be perfectly paved and dry. In fact, some roads are made of ice! These ice roads are needed to get supplies to faraway and often dangerous places where snow and ice are constant threats. From truckers battling wintry conditions to deliver construction supplies to people in places like Alaska simply trying to get to work on time, readers will love exploring how people use ice roads to safely drive from place to place. Through full-color photographs showing how these

roads are made and maintained, readers take an inside look at some impressive transportation navigation in some of Earth's deadliest places.

**Mothertrucker** Amy Butcher,2021-11 Amy Butcher was an accomplished college professor, mentor, and writer, but in her own home, she was embarrassed and emotionally burdened by an increasingly abusive relationship. Exhausted and terrified, Amy reached out to Instagram celebrity Joy Mothertrucker Wiebe - the nation's only female ice road trucker. Invited by Joy to ride shotgun, Amy found her escape on a road that was treacherous, beautiful, and exhilarating - an adventurous ride through the Alaskan wilderness that was profoundly life changing.

**The Long Haul: A Trucker's Tales of Life on the Road** Finn Murphy,2017-06-06 "There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

**Megafast Cars** John Farndon,2016-01-01 Jump behind the wheel of the sleekest, swiftest automobiles, both on and off the race track. Prepare to burn up the tarmac in the Bugatti Veyron—the latest version of the first supercar reaches 269 mph (433 km/h)! Race in the Ultimate Aero, whose carbon-fiber body weighs less than its driver. Get an adrenaline rush in the jet-powered Thrust SSC, it carries the world land speed record of 760.343 mph (1,223.65 km/h)! These streamlined supercars blast off the page in true-to-life illustrations alongside facts about top design technology, such as wind-tunnel testing and scissor doors.

**Arctic Trucker** Joseph Alan Gustaitis,2011 Some people do their jobs in Arctic blizzards or fierce storms on the high seas. For some people, crawling through dark caves, climbing into sewers, searching through animal droppings, or even driving a car off a cliff is all in a day's work. Who does jobs like these, why do they do them, and how do they stay safe doing them? You'll find out in Dirty and Dangerous Jobs. Arctic truckers take on the most extreme truck driving in the world. They brave frigid temperatures and snowstorms on dark, lonely roads. At times, they must drive their heavy trucks over frozen lakes-and can hear the ice cracking underneath their wheels. The men and women who choose this job know it is risky, but they love the challenge. Book jacket.

**Eighteen Wheels North to Alaska** Cliff Bishop,2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done. These pioneer drivers never conquered or tamed Alaska's roads and weather, but they learned to operate on the back trails and paths--always making their way to the trip's end. In spite of all the challenges, they never quit. The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers: It is not the critic who counts: not the man who points out how the strong man stumbles or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly, who errs and comes up short again and again, because there is no effort without error or shortcoming, but who knows the great

enthusiasms, the great devotions, who spends himself for a worthy cause; who, at the best, knows, in the end, the triumph of high achievement, and who, at the worst, if he fails, at least he fails while daring greatly, so that high place shall never be with those cold and timid souls who knew neither victory nor defeat. **Eighteen Wheels North to Alaska: A History of Trucking in Alaska** is the story of Alaskan drivers who guided, coaxed, pushed, pulled, plowed, and somehow made it to the end of the road--and beyond--over high mountain passes, whiteout conditions, seventy below zero temperature, through mud, muck, and tundra terrain--even onto the Arctic Ocean ice beyond the shore.

**Diamonds, Gold and Ice Road Truckers** Vanessa M. Truter,2009-11-18 If you have an interest in travelling to parts of the world that are less frequented, then this book is for you! A photographic travel journal of Yellowknife and its immediate surroundings in the Northwest Territories, in the sub arctic north of Canada, with commentary that is both informative, humorous and covers a range of topics, including Fauna and Flora, history, ice road truckers and the people, including quality photographs and a personal account of life in the freezer. This book targets those who are both interested in photography and travel, and opens up a whole new world for those travel enthusiasts who wish to conquer the globe.

**A Trucker's Tale** Ed Miller,2020-04-14 Wit, wisdom, adventure, and revelations from sixty years on the road. They say that only truck drivers experience the true grandeur and landscape of America: the winding mountainsides at sunrise, the first frosts of winter descending on apple orchards, the call of the rising roosters. In *A Trucker's Tale*, Ed Miller gives an inside look at the allure of the work and the colorful characters who haul our goods on the open road. He shares what it was like to grow up in a boisterous trucking family, his experience as an equipment officer in Vietnam, the wide range of vehicles he's mounted, and the daily trials, tribulations, risks, and exploits that define life as a trucker. Ed's vibrant, no-holds-barred tales are hilarious and heartwarming, sometimes cringeworthy or unbelievable--recollections of heroic feats as well as the "fishing stories" that have stretched and shifted from CB radio to CB radio. Many are the results of what he calls, "just plain stupidity." Others bring to light the small acts of kindness and grand gestures that these Knights of the Highway perform each day, as well as the safety risks and continual danger that these essential workers endure. Together they paint a compelling portrait of one of the most important, but least-known industries, and reveal why Ed, and so many like him, just kept on truckin'.

**Roll On** Fred Afflerbach,2012-04-01 *Roll On* celebrates the freedom of the open road. The reader rides shotgun in an aging yet durable Peterbilt diesel rig on an interstate odyssey with longtime independent truck driver, Ubi Sunt. Traversing the Painted Desert, the Black Hills of South Dakota, and through the nation's breadbasket into the gritty northeast, you will meet misfits, wayfarers and dreamers . In the literary tradition of escape and return, and journey to enlightenment, Ubi faces tough choices. The highway is home but the road is changing. And his only daughter offers an ultimatum: Settle down or else.

**The Quality of Silence** Rosamund Lupton,2016-02-16 The gripping, moving story of a mother and daughter's quest to uncover a dark secret in the Alaskan wilderness, from the New York Times bestselling author of *Sister* and *Afterwards*. Thrillingly suspenseful and atmospheric, *The Quality of Silence*

is the story of Yasmin, a beautiful astrophysicist, and her precocious deaf daughter, Ruby, who arrive in a remote part of Alaska to be told that Ruby's father, Matt, has been the victim of a catastrophic accident. Unable to accept his death as truth, Yasmin and Ruby set out into the hostile winter of the Alaskan tundra in search of answers. But as a storm closes in, Yasmin realizes that a very human danger may be keeping pace with them. And with no one else on the road to help, they must keep moving, alone and terrified, through an endless Alaskan night.

Driven Eve Kenin, 2007 Raina Bowen is in a race for her life: battling rival truckers, ice pirates and a deadly maniac with a very personal vendetta. And the gorgeous guy whose hijacked her co-pilots seat isn't exactly helping matters by seducing her with every glance.

undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ice Road Truckers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ice Road Truckers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ice Road Truckers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have

become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Ice Road Truckers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer,

tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ice Road Truckers is one of the best book in our library for free trial. We provide copy of Ice Road Truckers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ice Road Truckers. Where to download Ice Road Truckers online for free? Are you looking for Ice Road Truckers PDF? This is definitely going to save you time and cash in something you should think about.
