**Icons** Margaret Stohl,2013-05-07 Ro murmurs into my ear. Don't be afraid, Dol. They're not coming for us. Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon

appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions-which they've always thought to be their greatest weaknesses-may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts-in order to save their future.

**The Triumphant Church** D. H. Stamatis, 2009-12 Iconography is given to us not only through the Fathers of the Church, but also from the Apostles and Jesus Christ Himself. For example, when we paint Jesus as a human we paint Him only because we saw Him as a perfect human among us without sin (Baruch 3). Furthermore, we know that Jesus is more than the Logos. In fact, He is the icon of His Father icon of the invisible God (Col. 1:15), and the refulgence of His glory, the very imprint of His being (Heb. 1:3). Similarly we present God as the Elder, just like Daniel saw Him (Daniel 7); and the Holy Spirit like a dove and fiery tongues as It appeared during the Baptism of Jesus and at The Pentecost. As for the Theotokos, the saints, and angels we painted them not to worship them but to honor them.

We do not pay any attention to the material of the icon but rather we honor the prototype that is painted on the wood, canvas or wall. We honor all of them in the spirit of the seventh Ecumenical Council which defined the honoring of the icons according to the Tradition of the Church, beginning with the first icon of Jesus that was painted without hands (mandilion icon) and the icons of the Theotokos and Peter and Paul painted by St Luke.

**Idols** Margaret Stohl,2014-07-08 The Icons came from the sky. They belong to an inhuman enemy. They ended our civilization, and they can kill us. Most of us. Dol, Ro, Tima, and Lucas are the four Icon Children, the only humans immune to the Icon's power to stop a human heart. Now that Los Angeles has been saved, things are more complicated - and not just because Dol has to choose between Lucas and Ro, the two great loves of her life. As she flees to a resistance outpost hidden beneath a mountain, Dol makes contact with a fifth Icon Child, if only through her visions. When Dol and the others escape to Southeast Asia in search of this missing child, Dol's dreams, feelings and fears collide in an epic showdown that will change more than just four lives -- and stop one heart forever. In this riveting sequel to Icons, filled with nonstop action and compelling romance, bestselling author Margaret Stohl explores what it means to be human and how our greatest weakness can be

humanity's strongest chance at survival.
