Pocatello in Print: From the Archives of the Idaho State Journal Students from Idaho State University's MGT 4499/5599 Class, 2018 Nestled in the Portneuf Gap where the Snake River Plain meets the Rocky Mountains, Pocatello is a regional economic, transportation, and education hub in Southeast Idaho. The Idaho State Journal and its predecessor, the Pocatello Tribune, have been covering events and capturing the spirit of the people in and around Pocatello since 1890. Pocatello in Print: From the Archives of the Idaho State Journal displays photographs that illustrate and celebrate over a century of Pocatello history.

The Guilty Innocent Shannon Adamcik, 2012-10-28 Sixteen-year-old Cassie Jo Stoddard agreed to house sit for relatives on the weekend of September 22, 2006. It was something the teenager had done before...but this time something went terribly wrong. When the family returned home at the end of the weekend they found Cassie lying on their living room floor brutally stabbed to death. Detectives focused on two of Cassie's classmates who had briefly visited her on the night that she was murdered: Torey Adamcik and Brian Draper. Initially both boys denied any knowledge of the crime, but after two separate interrogations, Brian Draper told detectives a chilling story of murder straight out of a horror movie. The two boys were immediately arrested, and a shocking videotape was discovered that seemed to depict the two teens not only planning the cold-blooded murder, but celebrating it. Community outrage was strong and immediate. The public demanded justice. But was the video actually what it appeared to be: a cold-blooded documentary that detailed the plotting of Cassie's murder; or something else entirely? Could anyone uncover the truth in time and convince a jury that sometimes things aren't always what they appear to be? The Guilty Innocent is narrated by Shannon Adamcik, mother of Torey, one of the accused boys. It takes readers behind the scenes of a trial where prosecutors cared more about public opinion than truth, defense attorneys, who had never argued a murder case, were in over their heads, and a young boy's life hung in the balance. The United States is the only country in the world that will charge a juvenile as an adult and sentence them to life without parole. As the mother of one such child, I know exactly what happens when a juvenile is placed in adult court where they cannot defend themselves. They are immediately cut off from all human contact, locked in isolation, and railroaded through a justice system they simply cannot comprehend. Consequently, many of these juveniles are sentenced too much longer and harsher terms than their adult counterparts. I've personally lived through this, and I was compelled to write about it. I began for the simple reason that I had lived through this horrendous ordeal and I ached for someone to confide in. But reliving the most painful part of my life was extraordinarily difficult. Ultimately the only reason that I was able to persevere was my deep belief that the story was important and needed to be told. That is still true. This is a true story and no one can tell it better than the people who lived it. A crime reporter can look at the details of a case, but they cannot tell you how it feels to live through it. I can and I did. I used the pre-trial and trial transcripts, copies of the police reports, the autopsy and DNA reports, and DVD recordings of all of the evidence in the case. I've done copious research. But more importantly, I take readers step-by-step through what it feels like when your 16-year-old son is accused of first-degree murder; all the odds are stacked against him; and his defense is in the hands of attorneys you can't fully trust to come through for you.

Composition Notebook Henriette Wilhelm, 2019-10-22 Are you looking for a fun gift for someone close to you? This is a perfect blank, lined notebook for

men, women, and children. Great for taking down notes, reminders, and crafting to-do lists. Also a great creativity gift for decoration or for a notebook for school or office! Pocatello Portrait, the Early Years, 1878 to 1928 H. Leigh Gittins,1983

Janis Holly George-Warren,2019-10-22 Longlisted for the 2020 Andrew Carnegie Medals for Excellence This blazingly intimate biography of Janis Joplin establishes the Queen of Rock & Roll as the rule-breaking musical trailblazer and complicated, gender-bending rebel she was. Janis Joplin's first transgressive act was to be a white girl who gained an early sense of the power of the blues, music you could only find on obscure records and in roadhouses along the Texas and Louisiana Gulf Coast. But even before that, she stood out in her conservative oil town. She was a tomboy who was also intellectually curious and artistic. By the time she reached high school, she had drawn the scorn of her peers for her embrace of the Beats and her racially progressive views. Her parents doted on her in many ways, but were ultimately put off by her repeated acts of defiance. Janis Joplin has passed into legend as a brash, impassioned soul doomed by the pain that produced one of the most extraordinary voices in rock history. But in these pages, Holly George-Warren provides a revelatory and deeply satisfying portrait of a woman who wasn't all about suffering. Janis was a perfectionist: a passionate, erudite musician who was born with talent but also worked exceptionally hard to develop it. She was a woman who pushed the boundaries of gender and sexuality long before it was socially acceptable. She was a sensitive seeker who wanted to marry and settle down—but couldn't, or wouldn't. She was a Texan who yearned to flee Texas but could never quite get away—even after becoming a countercultural icon in San Francisco. Written by one of the most highly regarded chroniclers of American music history, and based on unprecedented access to Janis Joplin's family, friends, band mates, archives, and long-lost interviews, Janis is a complex, rewarding portrait of a remarkable artist finally getting her due.

Fill the lines, remember your life, don't lose your ideas, and keep reaching higher to live the best life you can. It all starts here, folks, but you'll need your own pen or pencil. Write on!

Ghosts of Pocatello John Brian,2013-08-13 A small Idaho town with larger-than-life spirits is investigated by a founding member of the Scientific Paranormal Investigative Research Organization. From the Native American tribes who first inhabited the land to the gold rush prospectors who flocked to the burgeoning town in the 1860s, Pocatello's legacy is defined by fascinating historical figures and colorful characters. But many restless

souls from the city's past refuse to fade quietly into history. Join author John Brian as he records the voices and visions that haunt Pocatello today. Whether it's the long-dead theater devotee who still attends shows at Frazier Hall, the specter of a woman who evaded a judge at the Bannock County Courthouse, or the many spirits that haunt a farm built on sacred Shoshoni tribal land, this collection proves that the Gate City is flooded with ghosts. Includes photos! "The stories in the book, Brian explains, are not reminiscent of exaggerated late-night horror flicks, but rather, the real life stories from the people who experienced them." -Idaho State Journal

Massacre Rocks Dave Lundgren, 2020-05-17 This is the untold story of the devastating consequences of a misdirected federal response to domestic terrorism in the mid-1800s. Idaho's Massacre Rocks State Park is a crime scene, and the identity of the perpetrators of robbery and mass murder at Massacre Rocks has been successfully suppressed since 1862. The truth has been hidden by a well-orchestrated propaganda campaign. Even some modern-day historians have played a pivotal role in hiding what really happened at Massacre Rocks and the surrounding region. Countless emigrants were victims of mass murder, torture and robbery along the Oregon Trail and at Massacre Rocks, and propaganda successfully steered the federal response to innocent Northern Shoshonis at Bear River. The Bear River Massacre of 1863 was the worst massacre of Native Americans in this country's history. This book delves into some current Native American issues within the region of southeast Idaho and Utah, including the use of redface and Indian-themed mascots in several Idaho high schools. Pocatello, Idaho, has a distinctly relevant connection to the history of Massacre Rocks. The use of the Indians mascot at Pocatello High School illustrates a continuing view of Native Americans that has deep ties with the historical use of Indian themes in America, but also with the Mormon Church. This book traces the influence the Mormon Church had on the common understanding of events that occurred in central Utah and southeast Idaho, from the mid-1800s to today. The suppressed history must be told if there is to be justice. The countless emigrants who were murdered on their way west, and the victims who perished in the Bear River Massacre, deserve to have their stories told. This is a part of their untold story.
