The Dartmouth Literary Monthly ,1895

Comrades in Camp Ralph Victor,1913 On a camping trip in upstate New York, the theft of their horse leads the Comrades into an even greater mystery.

Paradigms of Justice Denise Celentano,Luigi

Caranti,2020-10-28 This book explores the relation between redistribution and recognition, two key paradigms in the contemporary discourse on justice. Combining insights from the traditions of critical social theory and analytical political philosophy, the volume offers a multifaceted exploration of this incredibly inspiring conceptual couple from a plurality of perspectives. The

chapters engage with concepts such as universal basic income, property-owning democracy, poverty, equality, self-respect, pluralism, care, and work, all of which have an impact on individuals' recognition as well as on distributive policies. An important contribution to the field of political and social philosophy, the volume will be useful to scholars and researchers of politics, law, human rights, economics, social justice, as well as policymakers.

Southern Planter ,1912

Ideas, Influence, and Income Tanya Hall,2018-05-27 A

comprehensive guide to writing, publishing, and launching your book—and monetizing your content Are you considering writing a book to boost your visibility and credibility? Or just trying to figure out how to use the book you already have to build more influence and income? No matter where you are in the process, Ideas, Influence, and Income is your field guide to using a strategic and successful publishing experience as the groundwork for a larger plan to monetize your content. Designed for experts and thought leaders and written by Greenleaf Book Group CEO Tanya Hall, this book will teach you how to

- Get clarity on your message and audience
- Develop your manuscript and choose a publishing

option • Build your author platform and presence through social media, publicity, influencer marketing, and partnerships • Launch your book with the bang that it deserves • Use the content you've developed to create new income streams beyond the book These are the tools and strategies Hall has used to launch the 1000+ titles represented by Greenleaf Book Group, an independent publishing company that has made the Inc 500/5000 Fastest Growing Companies in America list seven times. A book is the holy grail of content marketing, and approaching it strategically from the outset ensures a return on the time, energy, and money behind it. Ideas, Influence, and Income is a must-have resource for authors seeking a smarter way to get the most out of publishing.

The Hong Kong Letters Gill Shaddick, 2019-03-29 In the late sixties when the Beatles are top of the charts and Twiggy is hitting the catwalk, Gill embarks on a life-changing journey to Hong Kong. Mao's revolution is at its height. Vietnam has become America's longest war with no end in sight. But it's at an ad agency under insane direction where Gill finds her battles and learns to stand her ground. In this spirited memoir, where Mad Men meets Han Suyin's *A Many-Splendoured Thing*, Gill recreates a Hong Kong of the imagination. Attractive and naïve, wined and dined by Hong

Kong's elite, she gravitates towards camaraderie outside the world of advertising and money, and adventure follows. A weekend sail goes awry when a yacht with her on board strays into the waters of Communist China. A full-scale sea and air search mounted from Hong Kong can find no trace. Yet Gill is very much alive. With her friends, she is reciting from Mao's Little Red Book with no idea what fate awaits her or how long she will be held. The Hong Kong Letters is part memoir, part travelogue. Gill introduces us to characters that fiction couldn't have invented any better and transports the reader to another time and place, a reminder that anyone can fit the experiences of a lifetime into two short years.

A Marketing Guide to Getting Your Idea Published Using Amazon & Create Space Pod Scott Rauvers, 2015-06-06 Read select 7 chapters free at: www.mightyz/pod.html Thousands of beautifully written works fall through the cracks of traditional publishing every day. Recently Bowker stated the number of books published daily in the USA is over 3,500 books and growing. This is creating a demand for today's authors to have strong voices and quality tools to engage their readers. With thousands of books published daily, it is a tough world out there for aspiring writers to get noticed. It is also getting tougher for discerning readers to find good books. Since 2012 there has been an avalanche of self publishing tools, bringing down the price of books printed using POD to between \$2.00 and \$7.00 per book. Many authors teaching self publishing are reluctant to share their secrets, or have outdated resources, not this author. This modern edition, published in 2015, includes up to date tools not found anywhere else. Every writer knows their most valuable commodity is time. Written by an author with 12 POD titles during the last 5 years, totaling over 2,000 pages, this seasoned writer has dedicated this guidebook to beginners in POD publishing, teaching anyone how to profit from their writing. Whether you are new to self publishing or a seasoned

writer, use this guidebook and in as little as one week or less, watch more of your books sell. Maybe you are already an author, having written a few titles of your own, yet are searching for a valuable guide to discover the latest self-publishing and marketing strategies. Perhaps you have published free articles online and want to learn how to merge them into a hardcover book. If you have mastered a particular skill, there are people out there who are looking for what you have to offer. Learn how to;

- * Generate Multiple Revenue Streams
- * Increase your Royalty Payments
- * Use Social Media to Sell More Books
- * Harness the Power of the Next Generation of Cloud Software Writing Tools
- * Avoid Mistakes First Time Author's Make
- * Create Your own E-book
- * Create an Audio Book
- * Find A Translator for your book
- * Use Quality Author Tools
- * Get Your Book Reviewed
- * Sell Your Book by Direct Mail
- * Conduct Book Tours
- * Place Your Book Sales on Autopilot

Self Publishing connects us to our creativity. Whether you are new to writing, an experienced author, a high power executive wanting to learn what's new, or are a stay at home mom wanting to publish your first recipe book, A POD Publishing Manual. Free Marketing Strategies for Experienced Amazon Authors is dedicated to you!

About the Author Currently I live in writer's paradise; Portland,

Oregon, the location of the world famous Powell's Bookstore.

Powell's is the largest independent bookstore in the world, covering approximately 1.6 acres of books, and buying approximately 3,000 books A DAY. By attending hundreds of author signings at Powell's City of Books, I've developed a keen eye of what makes a good book and combined them all into this book so anyone can use them to write POD books that sell. I also the author of more than 12 POD books totaling over 2,000 written pages in the last 5 years.

Partial Listing of Chapters Chapter 2 Why Authors Are Choosing Pod Chapter 3 Comparing The Features Of The Most Widely Used Pod Publishers Chapter 4 Reviewing Pod Publishers That Cost Less Than \$5 To Print Your Book Using Amazon Chapter 8 How To Receive Numerous Author Discounts Chapter 9 Using The E-Book Market To Sell E books Chapter 11 Online Methods To Promote And Sell Your Book Chapter 12 Secrets To Using Comment Boards Chapter 14 Secrets Of Using Direct Mail Chapter 20 Understanding The Book Review Process Chapter 24 Reviews of over 50 Writers Cottages, Emergency Assistance Funds, Resources and Retreats for Writers Chapter 25 Reviews Of Quality Resources For Pod Authors

Russia and the Idea of the West Robert D. English,2000 In

most analyses of the Cold War's end the ideological aspects of Gorbachev's new thinking are treated largely as incidental to the broader considerations of power. English demonstrates that Gorbachev's foreign policy was the result of an intellectual revolution. He analyzes the rise of a liberal policy-academic elite and its impact on the Cold War's end.

Operation Ivy Bells Robert G. Williscroft, 2019-08-16 Saturation Dive Team Officer-in-Charge (OIC) Mac McDowell faces his greatest challenge yet, leading the team into a critical Cold War mission. With a security clearance above Top Secret, Mac and his off-the-books deep-water espionage group must gather Russian intel to avert world war. Join nuclear-submariner Mac as he extreme-dives to a thousand feet, battles giant squids, and proves what brave men can achieve under real pressure, the kind that will steal your air and crush the life out of you. *Operation Ivy Bells: A Mac McDowell Mission* updates the popular bestseller by Robert G. Williscroft, a lifelong adventurer who blends his own experiences with real events to craft a military thriller that will take your breath away.

The Federal Reporter ,1901 Includes cases argued and determined in the District Courts of the United States and,

Mar./May 1880-Oct./Nov. 1912, the Circuit Courts of the United States; Sept./Dec. 1891-Sept./Nov. 1924, the Circuit Courts of Appeals of the United States; Aug./Oct. 1911-Jan./Feb. 1914, the Commerce Court of the United States; Sept./Oct. 1919-Sept./Nov. 1924, the Court of Appeals of the District of Columbia.

Human Transit, Revised Edition Jarrett Walker,2024-02-06

Transportation expert Jarrett Walker believes that transit can be simple, if we focus on the underlying geometry that all transit systems share. In Human Transit, Revised Edition, he provides the basic tools and critical questions needed to make smarter decisions about designing and implementing services, refreshed with updated information and examples. The first edition of Human

Transit, published in 2011, has become a classic for professionals, advocates, and interested citizens. No other book explains the basic principles of public transit in such lively and accessible prose, all based on a respect for your right to form your own opinion.

Walker's goal is not to make you share his values, but to give you the tools to clarify and advocate for yours. Walker has updated and expanded the book to deepen its explanations. His ongoing work as a network planning consultant has provided a wealth of new examples, images, and tools. New topics include the problem with specialization; the role of flexible or "demand response" services; how to know when to redesign your network; and responding to tech-industry claims that transit will soon be obsolete. Finally, he has also added a major new section exploring the idea of access to opportunity as a core measure of transit's success. Whether you are a professional or a concerned citizen, the revised edition of this accessible guide can help you to achieve successful public transit that will enrich any community.

The Humour of Russia Ethel Lillian Voynich, Ethel Lilian Voynich, 1895

Information and Communication Technologies and Sustainable Development Stanislav Dovgyi, Oleksandr Trofymchuk, Vasyi

Ustimenko,Larysa Globa,2023-12-19 The book highlights the most important research areas in ICT, their impact on e-society, environment sustainable development, namely analytics, security, geoinformation systems, and mathematical modeling. The studies contain a discussion on artificial intelligence in various spheres of society, practical implementation of the IoT, geoinformation systems, and remote sensing of the earth. The book focuses on improving services providing, system architecture for SDN, forecasting social and environment sustainable development based on global information space, a new approach to radio electronics systems for the novel cloud infrastructure implementation. The results are used for novel systems and to promote new approaches for e-societies. The book offers a valuable resource for specialists of R&D organizations, the management of state administration who are involved in sustainable society development, professors, university lecturers, Ph.D. students, and bachelor and master degree students.

The Metal Era Kashyap Sreekumar,2021-04-07 Jay, a twelve-year-old boy from the corner of Queens Street, uncovers deep secrets about the Earth and will have to step up to a new responsibility which he cannot deny. The fate of planet Earth and

all his friends are in his hands. Will he be able to answer the call of destiny, or will he live in denial? Jay has no positive choice...
