Zagat to Go Zagat Survey,Zagat Survey Staff,2003-11-03 These are the results of the forty restaurant and nightlife guides that Zagat produce yearly, covering cities such as London, Paris, New York, Tokyo and San Francisco to name but a few. To guide the readers to the best watering holes to suit their tastes, moods and budgets, there are a number of category lists, for example, Most Popular, Top Ratings and Best Buys. On the assumption that most people want a quick fix on the places at which they are considering socialising, there are also handy and concise indexes. Theses guides spotlight both centuries old traditional pubs and trendy, minimalist lounges, sumptuous restaurants and clubs. The diversity of venues means that goths, pre-clubbers, lads, families, hen and stag nights and tourists can all have the best of times.

Glenn Beck's Common Sense Glenn Beck,2009-06-16 Glenn Beck, the New York Times bestselling author of The Great Reset, revisits Thomas Paine's Common Sense. In any era, great Americans inspire us to reach our full potential. They know with conviction what they believe within themselves. They understand that all actions have consequences. And they find commonsense solutions to the nation's problems. One such American, Thomas Paine, was an ordinary man who changed the course of history by penning Common Sense, the concise 1776 masterpiece in which, through extraordinarily straightforward and indisputable arguments, he encouraged his fellow citizens to take control of America's future--and, ultimately, her freedom. Nearly two and a half centuries later, those very freedoms once again hang in the balance. And now, Glenn Beck revisits Paine's powerful treatise with one purpose: to galvanize Americans to see past government's easy solutions, two-party monopoly, and illogical methods and take back our great country.
