Make Money by Selling E-books Mete Barlas,2019-07-01 Passive income is a type of work that enables us to reach our financial freedom by intelligently evaluating business opportunities in the digital world. So why passive? In this type of work, we create our system down to the smallest detail and then spend very little time on it. Then, we expect our system to generate revenue for us. Therefore, such methods are generally referred to as Passive Income. In this book, we explained in detail the basic issues such as E-books, preparing E-books and selling E-books, which are a good example of earning passive income. You can make big profits by writing your own book and selling it in markets with millions of readers. Take your place in the growing e-book market! In this e-book we will teach you how to fish instead of giving you a fish. We will show you how to write an E-book that will appeal to people without any literary knowledge.From design to book cover, page layout, selling it on the largest sales platforms and marketing the book in a variety of ways, you will learn each detail of creating an e-book that people would love to buy.

Making the Most of Your Money Now Jane Bryant Quinn,2009-12-29 Named the best personal finance book on the market by Consumers Union, Jane Bryant Quinn's bestseller Making the Most of Your Money has been completely revised and updated to provide a guide to financial recovery, independence, and success in the new economy. Getting your financial life on track and keeping it there -- nothing is more important to your family and you. This proven, comprehensive guidebook steers you around the risks and helps you make smart and profitable decisions at every stage of your life. Are you single, married, or divorced? A parent with a paycheck or a parent at home? Getting your first job or well along in your career? Helping your kids in college or your parents in their older age? Planning for retirement? Already retired and worried about how to make your money last? You'll find ideas to help you build your financial security here. Jane Bryant Quinn answers more questions more completely than any other personal-finance author on the market today. You'll reach for this book again and again as your life changes and new financial decisions arise. Here are just a few of the important subjects she examines: • Setting priorities during and after a financial setback, and bouncing back • Getting the most out of a bank while avoiding fees • Credit card and debit card secrets that will save you money • Family matters -- talking money before marriage and mediating claims during divorce • Cutting the cost of student debt, and finding schools that will offer big merit scholarships to your child • The simplest ways of pulling yourself out of debt • Why it's so important to jump on the automatic-savings bandwagon • Buying a house, selling one, or trying to rent your home when buyers aren't around • Why credit scores are more important than ever, plus tips on keeping yours in the range most attractive to lenders • Investing made easy -- mutual funds that are tailor-made for your future retirement • What every investor needs to know about building wealth • How an investment policy helps you make wise decisions in any market • The essential tax-deferred retirement plans, from 401(k)s to Individual Retirement Accounts -- and how to manage them • How to invest in real estate at a bargain price (and how to spot something that looks like a bargain but isn't) • Eleven ways of keeping a steady income while you're retired, even after a stock market crash • Financial planning -- what it means, how you do it, and where to find good planners Page by page, Quinn leads you through the pros and cons of every decision, to help you make the choice that will suit you best. This is the single personal-finance book that no family should be without.

The Post Office Rabindranath Tagore,2021-11-16 The Post Office Rabindranath Tagore - The Post office is a story of an eight-year-old boy who is terminally ill and is confined inside his house by the family physician. He sees the outside world only through his window. He talks to the passers-by and engages them in eager conversations. Flower seller's daughter Sudha has made a promise of bringing flowers for him. Watchman tells him that the big building with the flag is the king's new Post office. He imagines that he will receive a letter from the King and based on that he constructs an imaginary world for himself. He dreams of being the royal postman and awaits the king's visit.

I Prophecy Tracy Quintana,2016-05-04 I Prophecy: Breakthrough (Prophecy means to bubble up; to pour forth words abundantly; to speak by divine inspiration.) The hand of the Lord was upon me, and carried me out in the spirit of the Lord, and set me down in the midst of the valley which was fully of bones, and caused me to pass by them round about: and, behold, there were very man in the open valley; and, lo, they were very dry. And he said unto me, Son of man, can these bones live? And I answered, O Lord God, thou knowest. Again he said unto me, Prophecy upon these bones (Ezek 37:14). God spoke to me at the end of 2010 and said, Tracy, there are some things I desire to release into this generation to cause the atmosphere to change, shift, and be realigned so that I may reflect my heavens upon the earth and reflect my likeness upon my people! Therefore, I have called you in this hour to be my mouthpiece and to prophecy and declare my glory in all the earth! Then he said to me, Prophecy and dont stop! This book is a compilation of prophecies posted on Facebook from that time forward (2010). I pray that this book opens up your heart and gives you a greater understanding of just how powerful the Word of the Lord is when spoken out of your mouth and believed in your heart. It has the ability to move a mountain, calm any storm, and change any situation.

your relationship with money and start building serious wealth, More Money Now will show you how.” —Jeremy Schneider, retired at 36, founder of Personal Finance Club #1 New Release in Budgeting and Financial Risk Management Nicole Victoria is a CEO, money coach, and financial literacy advocate. She didn’t grow up with wealth, but she learned the secrets to financial security. Now Nicole specializes in helping 20 and 30 something women gain financial freedom. Money isn’t everything, but everything takes money. Maybe you have debt (hellooo student loans + credit cards). You feel like you’ll always be playing catch up. Tried to get help before, tried to budget, followed traditional advice...but it just doesn’t work for you? You’re stressed and overwhelmed, feeling stuck, and don’t know where things went wrong. Bad news first. The advice that worked for our parents doesn’t work for us! Times have changed. The average person in their 20s has racked up \$23,872 in debt, and this number jumps to \$62,658 in their 30s. And it gets worse: 79% who budget fail 54% live from paycheck-to-paycheck 80% of Americans are in debt 40% could not handle a \$400 unexpected expense 64% don’t have enough money to retire Now, the good news. Maybe money has always seemed complicated, and you believe that because you’re not good with math, you can’t be good with money. But, you don’t need to be good at math, born rich, or have a 6-figure salary to successfully build wealth. Learn the rules that enabled Nicole to: Pay off \$40,000 of debt in 18 months Pay for her wedding in cash Save \$100k by 25 Buy her dream home Feel financially stable enough for kids Build \$500k net worth in her 20s Grow her net worth to over \$1M at 30 Read books like The Woman’s Guide to Successful Investing, Twenties in Your Pocket, or Financial Security for Dummies? Off-Centered Leadership Sam Calagione,2016-02-12 Find out what happens when companies stop competing and start collaborating. Off-Centered Leadership considers an innovative approach to business by exploring what happens when companies stop competing and start collaborating — both externally in the marketplace and internally in building a culture of communication, trust and alignment. Brimming with lessons on entrepreneurship and culture from the founder of Dogfish Head Craft Brewery, one of the fastest growing independent brewery in the country, members of his leadership team and external mentors from the worlds of business and art, this game-changing text turns competition on its head by showcasing how competing organizations can work together—and with other local businesses—to reach a common goal. The text dives into how Dogfish Head has blazed a new trail through the development of a revolutionary business model that has called upon musicians, community organizations, and even other breweries to keep product development fresh and create engaging customer experiences. This book documents and addresses the growing pains a company experiences as it evolves from the awkward early start up years into a mid-sized sustainable company with hundreds of co-workers. Calagione is candid in sharing his personal leadership challenges and success and calls on other seasoned vets inside and outside the company who inform and influence the journey of growth and creative expression Dogfish Head is on. This book is rich with practical information entrepreneurs and business people can apply to their own professional journeys. Competition has long been the name of the game in the business world, but what if there was a different way to approach business? The collaboration over competition approach to business has been proven to foster positivity, productivity, and, ultimately, success. By partnering with your competition instead of trying to outsell them, you could actually create a memorable customer experience that will have people coming back for more! Internally as well the dogfish approach has evolved and is not traditional org chart driven top down leadership. Calagione shared the challenges of evolving from a founder-driven entrepreneurial

company where he was the sole creative and strategic director into a more collaborative collective where he is now one of many creative and strategic voices in the company. Discover the methods and approaches dogfish head has used to grow a rich diverse leadership team and evolve from a company basing decisions on the gut and whims of a founder to one with a more robust wholistic strategic approach in a way that allows them to stay creative and maintain their irreverent off-centered culture. Discover how ditching your competitive nature and embracing collaboration can allow you to better serve your customers Explore innovative solutions to the challenges that today's businesses face Consider how your company can grow through the collaboration over competition business model Leverage the experiences of other companies to truly understand how collaboration can contribute to your business success Off-Centered Leadership is a groundbreaking book that explores the power of collaboration within the business world.

You Are a Badass at Making Money Jen Sincero, 2018-04-03 “A cheerful manifesto on removing obstacles between yourself and the income of your dreams.” —New York Magazine From the #1 New York Times bestselling author of *You Are a Badass®*, a life-changing guide to making the kind of money you’ve only ever dreamed of. *You Are a Badass at Making Money* will launch you past the fears and stumbling blocks that have kept financial success beyond your reach.
