**Con Artistry** Instafo,Edwin Piers,2017-04-10 Get Inside and Conquer the World of Cons The world can be a deceptive place. There are individuals out there who will do anything to gain something regardless of who they hurt or who they have to

deceive. Unfortunately, this practice is only becoming more of the norm. Scammers and con artists seem to be on the rise just waiting to take anything they can from the general public. Cons are all over the news nowadays. You hear about people losing all of their investments, savings, or retirement money due to a scam that they fell into. Now you may think to yourself “Those poor people. But how could they not see that it was a scam? It’s so obvious!” For that particular scam, that may be true. However, scams aren’t always that easy to spot. Cons have a unique set of skills that can make them very difficult to detect. In fact, there are always going to be different new schemes and big opportunities that pop up every day, making it nearly impossible to keep track of what is legit and what is sham. Then how does one defend against this art of cons? Con Artistry dives head on into the world of cons so that you can safely navigate these treacherous waters without falling prey to them. Pulling back behind this curtain will reveal to you: \* Con-artist methodologies used to get close to their victims \* Red flags signs to watch out for to determine a con artist \* Actions to always have in place to avoid being scammed \* Defense techniques to decipher and lure potential cons out \* Bag of tricks that cons master employed to play their games \* Whistle-blower steps to expose and end the con once and for all \* Insider look into all sorts of cons and how to protect against them \* And much more! Con Artistry will also explore some of the famous schemes and con artists in the past. Often, by examining previous criminals, you can become more aware of how cons operate and target people. From these infamous crooks, you can learn what emotions scammers will exploit and avoid becoming a victim. As a fair warning with this knowledge of con artistry, you promise that you will use it for protection only and not take advantage of other people.

*Florida Scams* Victor M. Knight, 1996-11-30 We all know about Florida's sun, surf, and senior citizen population, but what do we know about its seedy underbelly? It is a fact that Florida's loophole-laden tax laws and laissez-faire attitude have attracted all kinds of swindlers, from the garden variety con man to criminals as infamous as Al Capone. It is also a fact that Vic Knight knows virtually all there is to know about every one of them. As a tenth-generation Floridian, Knight has abundant personal knowledge of Florida history, which augments his wealth of research on scams. Taking the immortal words of his Papa Johnson and Papa Knight, he has compiled a set of Granddaddy's Rules that can help a person see through the smooth-talking jaspers who over the years have bamboozled victims out of billions of dollars. Witty, informal, and sprinkled with down-home Florida vernacular, Knight's tales of the strange educate as they delight. Shady characters like mayor/preacher/convicted felon Oyster King Willie Popham, the fictitious Prince Michael of Austria, and the mysterious fifty-dollar tipper carry off a potpourri of scams involving everything from luxury cars to ostrich eggs to phony tax returns. Knight explains how Boca Raton is a city based on the scam, like Treasure Island, whose very name comes from the scam that put it on the map. These cons attract scores of people because they seem fool-proof; but remember Granddaddy's Rule #3: Nobody ever pulled a rabbit out of a hat without carefully puttin' one in there first. Victor M. Knight, a successful radio-

station owner turned Florida guru, is a busy lecturer and television-show host.
