The Travel Detective Peter Greenberg, 2005-05-03 Renowned travel authority and NBC Today show travel editor Peter Greenberg shares his insider secrets.

Americans now travel more than ever before. Yet as our traveling has increased, the service we receive from airlines, hotels, and other agencies has deteriorated dramatically. Industry surveys reveal what you already feel: growing dissatisfaction among travelers of every age, income, and education level. We've been abused by the travel experience. Peter Greenberg is here to help. The Travel Detective tells you the things most travel agents can't or sometimes just won't tell you. In his characteristic friendly and conversational tone, Greenberg tells how to find the secret walk-up fares that can save air travelers hundreds, if not thousands of dollars on last minutes flights; which coach seats on which planes are better than first class; the secret rule to know to avoid being bumped from a flight, which cruise ship brochures lie; which credit card companies are fastest and slowest to come to your aid in a foreign land, or worse, in the U.S.,; which hotels have the best and the worst fire and crime safety records, and how you can protect yourself; how to negotiate the best hotel room deal; which hotels have the worst water pressure in their showers (and better yet, how you can get great water pressure, even at those hotels); and much, much more. Accessible and entertaining, The Travel Detective gives you the information and tools you need to make every trip an affordable pleasure. From the Trade Paperback edition.

Flora Trade Between Egypt and Africa in Antiquity Ilaria Incordino, Pearce Paul Creasman, 2017-05-31 In recent decades, study of the ancient Egyptian natural world and its classification has adopted innovative approaches involving new technologies of analysis and a multidisciplinary general view. This collection of papers focuses on one particularly important aspect of foreign trade: the importation of aromatic products. Contributors present the results of the latest researches into the origin and meaning of foreign aromatic products imported in Egypt from the south (Nubia, Punt, Arabia, Horn of Africa) from the beginning of the Dynastic period. The quest for aromata has been of crucial importance in Egypt, since it was closely connected with economic, political, ideological, religious, and mythic spheres. Through archaeological research, epigraphic analysis, and iconographic investigations new evidence is explored supporting the most likely hypothesis about the sources of these raw materials. The study of related documents has revealed possible linguistic links between ancient Egyptian and other ancient African languages, and a strong link between aromata and the divine world through the

creation of many Egyptian myths. The references to some specific aromatic products (ti-shepes, snetyer, ankyw, hesyt) have been subject to careful lexicographic analysis, with special reference to Old Kingdom occurrences. Iconographic and field investigations documented here seek to better define the Egyptian way of representing the 'foreign' world and the value of its products in the spheres of Egyptian religiosity and rising Pharaonic ideology.

The Most Wonderful Week of the Year Roy Berger,2013-11-21 Roy Berger never lost his desire to be a professional baseball player. Sadly, his baseball dream was cut short by a lack of talent and a high school coach without the foresight to see the potential Berger had, relegating him to the bench. After years of playing catch with his sons or first base in the beer leagues, he thought his days of competing at a higher level were long gone. That is, until the ripe age of fifty-seven, when his dreams became a reality at fantasy baseball camp. For those with the energy and the resources, fantasy baseball camp affords players an incredible opportunity: the chance to play baseball just like a major leaguer. Through Roy's experience, we go inside some of baseball's most hallowed halls and sacred spaces as he suits up, trains, and plays in the same spots where greats like Roberto Clemente, Al Kaline, and Derek Jeter have, culminating with playing at the home of the Pittsburgh Pirates, beautiful PNC Park. So take a trip around the bases for four weeks over four years, as Berger becomes a Pittsburgh Pirate, Detroit Tiger, and a New York Yankee. He proves that anyone blessed with good health and the ability to write a check can do it, too.
