Hiroaki Samura's Emerald and Other Stories ,2013 Hiroaki Samura's Emerald and Other Stories collects seven powerful short pieces from the manga maestro that have appeared in various Japanese magazines. In 'Emerald,' Samura tells his first explosive adventure set in the Wild West, and a series of humorous vignettes about two motor-mouthed teen girls is woven through several other riveting tales. A masterful storyteller bounces around genres and time periods in this unique collection! -- from publisher' sweb site.

Ohikkoshi Hiroaki Samura,2006 These stories are told with the same bold, kinetic art style and brilliantly paced storytelling that Samura's Blade of the Immortal epic is famous for. The main offering, Ohikkoshi, follows the turbulent paths of several twenty-something art students as they fall in love, fall in lust, play in rock bands, ride motorbikes, eat, sleep (together), and try to avoid making life decisions while drunk. This romantic comedy is a Japanese art school confidential packed with absurd humor, obscure death metal references, and some expertly placed, dramatic revelations.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I've never met a person I couldn't call a beauty.New things are always better than old things.I'm still a commercial artist. I was always a commercial artist.
