**Tax Insight** M. Casey Murdock,2014-03-01 Tax Insight: For Tax Year 2012 will teach you to take control of life's biggest expense—taxes. In your lifetime, you will spend more money on taxes than on anything else. Despite that fact, you likely know the current prices of movies and milk but don't know what your marginal tax rate is. You know where to get the cheapest gallon of gas to save a buck or two, but you don't give a thought to the tax strategies you should be using right now that would save you thousands. Why? Is it too complicated and confusing? Too unpleasant? In Tax Insight, tax expert Casey Murdock opens up the world of taxes with amazing clarity and simplicity. As you will discover, you have within reach numerous ways to reduce your taxes. With everyday language and real-life examples, Tax Insight will give you the keys to minimizing your tax burden. This book contains information you need even if you have a tax advisor or use a program like TurboTax. Tax professionals are busy and sometimes too cautious, and programs often miss opportunities for you to save money. It's also for those of all ages and income levels, including business owners. Tax Insight: Breaks down the key components of taxes with ease and simplicity. Provides a roadmap to paying as little tax as possible. Helps you know if you should do it yourself or hire a professional. While there are many encyclopedic books on taxes—like J.K. Lasser's Your Taxes—there aren't nearly enough that describe the tax code in plain language. Far more than a rehash of impenetrable IRS "help" documents, Tax Insights is organized the way most people think and presents ideas in clear, simple language. If you buy this book and take advantage of its advice, you will save money.

Budget 2011 Great Britain. HM Treasury,2011-03-23 Budget 2011 sets out the action the Government will take in three areas: maintaining a strong and stable economy; encouraging growth; and delivering fairness. Chapter 1 outlines how the measures in the Budget advance the Government's long-term goals. Chapter 2 provides a brief description of all Budget policy decisions. The decisions have a neutral impact on the public finances, implementing fiscal consolidation as planned. Growth is forecast to be 1.7 per cent in 2011, but the outlook for the public finances is broadly unchanged. Measures are outlined on: personal tax; corporate taxes; tax measures affecting charities; indirect taxes (tobacco, alcohol, fuel and gambling duties, other transport taxes, landfill, VAT); tax reliefs; anti-avoidance; tax administration and banking. Action to promote growth include (a) creating the most competitive tax system in G20, with reductions in corporation tax, simplification of the tax system, and consultation on integrating the operation of income tax and National Insurance; (b) measures to facilitate and support the starting up of businesses - removal of regulatory burdens, implementing Lord Young's proposals on health and safety, expansion of investment schemes and other financial support, streamlining the planning system, investing in science capital development; (c) encouraging investment and exports through establishing 21 new enterprise zones, extra funding for new rail projects and pothole repair; (d) creation of a more educated, flexible workforce, with additional work experience places and apprenticeships. Fairness is addressed through various tax and pension changes. Appendix A examines the impact on households. A number of supporting documents are published alongside the Budget.

**The White Coat Investor** James M. Dahle, 2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection.
