Dharma Vahini N Kasturi,2010-07-01 This little book contains the articles written by Bhagawan Sri Sathya Sai Baba in the series Dharma Vahini for the Sanathana Sarathi, the monthly journal published from Prasanthi Nilayam. They are given here in English; but, it must be said that the original Telugu is simpler and sweeter. It is difficult to express in English the fundamental ideas of Indian culture, for English is strange to the translator and perhaps to many a reader; the English vocabulary does not offer satisfactory equivalents to many words that form the common currency of Indian languages. The reader will, therefore, pardon me for the alloy of abstruseness that might have come into the pure metal of Baba's Telugu clarity. This must be said of this book: It is the authentic Voice of the Divine Phenomenon, that is setting right the moral codes and behaviour of millions of men and women today. So, it merits careful and devoted study. The Lord has declared that when ethical standards fall and man forgets or ignores His glorious destiny, He will Himself come down among men and guide humanity along the straight and sacred path. The Lord has come; He is guiding those who accept the guidance; He is calling on all who have strayed away to retrace their steps. Baba's love and wisdom know no bounds, His grace knows no obstacle. He is no hard taskmaster; His solicitude for our welfare and real progress is overwhelming. May this book reveal to you the Mother's love that has made Baba write it, the Father's authority that backs every injunction therein, the Teacher's illumination that lights up every statement, and the Lord's sublime Universality, which invites you to expand your personality into a great Instrument of service.

Prema Vahini Sri Sathya Sai Media Centre,2022-11-15 Addressing a mammoth gathering at Gudur some years ago, Bhagavan Sri Sathya Sai Baba said, "You will not be wrong to call Me Premaswarupa (Embodiment of Love)." In fact, Baba showers love (prema), seeks love, and establishes love in the heart of the individual, the fabric of society, and the complex of nations. Humanity, which has lost its way and is shivering in terror, unable to control the evil that it has generated by its insane pranks, needs Baba's grace and love to allay its neurosis and bring it back to the light. Baba said twenty-two years ago that He would inaugurate His task of recreating and reforming man on the true basis of dharma when He had completed thirty-two

years of stay here upon the Earth. In 1958, when He reached that moment, He blessed the venture of a monthly magazine, and he named it Sanathana Sarathi, a name full of the fragrance of the Gita and the Lord's role as the charioteer of whoever selects Him as the guide. It is significant that the very first series of articles that Baba wrote for the Sanathana Sarathi was Prema Vahini (Stream of Divine Love). These discourses are collected in this book as they were first presented, in English translation. Truth (sathya), dharma, peace (santhi), and love are the four pillars of the new world of the Sai era, and under Baba's guidance, humanity has to discover peace through love. For that task, this book will be of great help, for while reading it, you are in touch with the very source of love; while translating its message into action, you are visibly led on by the grace of the Lord Himself; while enjoying the thrill of spiritual practice (sadhana) prescribed here, you are responding to the majesty of the very Ocean of Mercy. Ramakatha Rasavahini Volume 2 Bhagawan Sri Sathya Sai Baba, 2014-11-23 This edition of Ramakatha Rasavahini improves on the previous edition. Grammatical errors and typos have been corrected, and some sentences have been rewritten to smooth and clarify the presentation —of course, without disturbing the meaning. Long paragraphs have been split in two to provide easier reading. Sanskrit words have been replaced by English equivalents, to make the text accessible to readers who do not know Sanskrit. The accuracy of the text has been maintained by putting Sanskrit words in parentheses, after their English translations. Several Sanskrit words have made their way into the English language and can be found in most dictionaries —e.g. dharma, guru, yoga, and moksha. These words are mostly used without translation, although their meanings appear in the glossary at the end of the book. Besides definition of Sanskrit words used in this book, the glossary contains descriptions of the people and places mentioned. This edition is being brought out in ebook form, for tablets such as the Kindle, Ipad, and Nook. Clicking on most Sanskrit words, people, and places will take you right to the glossary, where you can find the meaning. A back-button will be available in your reader to take you back to where you were reading. And on these tablets, you generally get to choose a font and font size that suits you. With these changes, we hope that the revised Ramakatha Rasavahini will be of great benefit to earnest seekers in the spiritual realm. Sathyam Sivam Sundaram Sri Sathya Sai Media Centre, 2022-11-08 Sai Ram from Prasanthi Nilayam, Life Story Of Bhagawan Sri Sathya Sai Baba (Biography) offered by Sri Sathya Sai Media Centre

His Story - Childhood Stories of Bhagawan Sri Sathya Sai Baba Sri Sathya Sai Media Centre, 2022-07-15 His Story is a Comic eBook based on Childhood Stories of Bhagawan Sri Sathya Sai Baba. This was the story of the Advent of the Avatar and the early years of His life and mission, a mission that would bring millions to His Lotus Feet to taste the bliss of Divine Love and thus transform their lives. In a letter He wrote to His brother Sri Seshama Raju way back in 1947, Sri Sathya Sai Baba emphatically declared the grand purpose for which He has come. He said: I have a Task: To foster all mankind and ensure for all of them lives full of Ananda (Bliss). I have a Vow: To lead all who stray away from the straight path, again into goodness and save them. I am attached to a Work that I love: To remove the sufferings of the poor and grant them what they lack. I have a reason to be proud, for I rescue all who worship and adore Me. The decades that have rolled by since that epochal letter was written have been witness to the grand manner in which His vision has taken shape. The world-class super-speciality hospitals that offer tertiary level medical care free of charge, schools and colleges that impart values-based education, the mammoth drinking water supply projects and the numerous other service projects undertaken by Him stand as a testimony to His selfless Love and His compassion for humanity. However, even more, significant than these activities have been His tireless efforts towards spreading the message of spirituality and inculcating love and brotherhood throughout the world. Through the Sri Sathya Sai Centers and the Education in Human Values (EHV) programmes, thousands all over the world have sanctified their lives by putting into practice His precepts, and by participating in service programmes such as Narayana Seva (feeding of the poor) and free medical camps. Truly, the Sathya Sai Avatar has heralded a golden era in the history of mankind.

Sanathana Sarathi English Volume 02 (1970 to 1979) Sri Sathya Sai Media Centre, 2022-11-09 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to

disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Sutra Vahini – Treatise on Bramha Sutras Sri Sathya Sai Media Centre, 2022-11-15 An aphorism (sutra) expresses the genus of its meaning in a few

terse words. The Brahma Sutras systematically explain the basic principles of Vedanta, the science of Supreme Reality. When contemplated, they reveal the innermost metaphysical secrets. Today, harmony is the need of the hour. The ephemeral world needs spiritual awareness, and this is what the Vedantins visualise. Vedic scriptures offer comforting counsel. They throw a kindly light. Man has distorted vision: he dotes on apparently real and also non-real phenomena. True vision makes him cognize the universal Being in nature's creations. Realization of this awareness is liberation (moksha). The be-all and end-all of life of the human being is the realization of constant integrated awareness –of Brahman visualized both as the primary, absolute, supreme, unlimited entity and as its subsidiary cosmic creative aspect and mergence in Brahman. In this Stream of Aphorisms (Sutra Vahini) on Brahman, Bhagavan Sri Sathya Sai Baba has lighted the universal lamp of the wisdom of Atma/Brahman (Divine Self). This stream of aphorisms first appeared in serialized form in Sanathana Sarathi. Bhagavan, in His infinite love, elaborated on the “Essence of Brahma Sutras in twelve selected aphorisms”. Bhagavan's sublime and profound words and spiritual wisdom are indeed highly elevating and illuminating. Bathing in this pellucid Stream of Aphorisms, a person develops correct or true vision of Reality, bestowing supreme delight. In the words of Bhagavan Baba, “Acquisition of the higher knowledge alone can fulfill the main purpose of human life. Such knowledge makes one aware that one is not the inert insentient body, etc., but that one is consciousness itself manifesting as the embodiment of being-awareness-bliss (satchidananda). When this truth dawns and is experienced, one becomes a person liberated while alive.” This is the state of realization of the innate nature of a people –the divinity of humanity.

Bhagavatha Vahini N Kasturi, 2010-07-08 This Bhagavatha is a dialogue between a person under the sentence of death and a great saint, who prepared him to meet it. We're all under a sentence of death; our hearts, like muffled drums, are beating funeral marches to the grave. Some reach it late, some soon. We require the counsel of a great saint to prepare us, too, for meeting Death and witness the horizon beyond. The Bhagavatha is a Ganga, emerging from the Lord and merging in Him after a long journey through geographic descriptions, historic annals, philosophic disquisitions, hagiological narratives, epistemological enquiries, and after fertilising the vast valleys of human minds with the pure pellucid waters of Krishna episodes. Bhagavan has come again as Sathya Sai for the revival of dharma among men. One important aspect of that revival is the reestablishment of reverence for the ancient spiritual texts, like the Bible, the Koran, the Zend Avesta, the Tripitaka, the Vedas, and the Bhagavatha. Reverence can spring at the present time only when the inner meanings of the statements and stories are explained in clear, simple, charming style, by the very Person

who inspired the original scripture. Here, in this book, we have His version of that voluminous textbook of devotion (bhakthi) that Vyasa composed at the suggestion of the sage Narada, so that he could win peace and equanimity. This is not just a book, dear reader. It is a balm, a key, a mantra –to soften, solve, and save, to loosen the bonds, to liberate from grief and pain, thirst, and tutelage. Open it with humility, read it with diligence, revere it with devotion, observe its lessons with steadfastness, and reach the Goal that Vyasa reached and Narada attained, that Suka taught and Parikshith learned. What greater recompense can man hope for? N. Kasturi, Prasanthi Nilayam, Guru Pournami 18 July 1970

Upanishad Vahini Sri Sathya Sai Media Centre, 2022-11-15 Bhagawan Sri Sathya Sai Baba has come among humanity and is providing spiritual sustenance and guidance, in order to re-establish truth, justice, peace, and love as the mainspring of individual, social, and national life. Let us read it with care, recapitulate it with earnestness in the silence of our hearts, and practise it with humility and faith in every turn of thought, in every tilt of tongue, and in every digit of deed.
