Spiritual Stories from India Chaman Lal,2016-08-09 This classic collection of Indian fables and spiritual stories offers an intimate and joyful glimpse at the deep, mythical tradition of India. India is the Home of Fables, which are usually associated western mind with the Greek slave mentioned by Herodotus, by the name of Aesop. Few people realize that these stories, their special form and technique can be traced to very remote sources in India. The same can be said of Gypsy stories all over the world. The Gypsies are forgotten sons and daughters of India, almost all speaking the North-Indian language, Hindi. Ernest Rhys in his introduction to the Fables of Aesop and others justly remarks, We have to admit that the best fables did not begin with Aesop or in Greece at all. We have, in fact, to go East and look into India and burrow in the 'Tales within tales' of Hitopdesha to get an idea how old the antiquity of the fables actually is.

The Secret Life of Genius John Chambers,2009-06-25 A look at the metaphysical experiences that shaped the lives and work of 24 great men and women from the Renaissance to modern times

- Chronicles the changing relationship with God, nature, and spirituality from the 16th century to the 20th century
- Includes encounters with the paranormal of Ben Johnson, Isaac Newton, Mary Shelley, Leo Tolstoy, Doris Lessing, and Winston Churchill

What role did the esoteric thought of Swedenborg play in the creative output of Honoré de Balzac? Did a supernatural encounter prompt Mary Wollstonecraft Shelley to focus her work

on the theme of immortality? Building on his earlier research on communications with the spirit world that Victor Hugo, author of *Les Misérables*, experienced while in exile on the isle of Jersey, John Chambers now looks at the role occult knowledge and supernatural experiences played in the lives of 24 geniuses. His investigation spans the life and work of William Blake, Helena Blavatsky, and W. B. Yeats, whose esoteric interests are well known, as well as those little suspected of such encounters with worlds beyond ours, including Doris Lessing, Leo Tolstoy, Norman Mailer, Yukio Mishima, and Winston Churchill. Chambers presents more than a collection of anecdotes and newly revealed secrets. His research provides insightful historical context of the decisive turning point that took place with the collapse of Prague, the occult capital of Europe, in 1620, which resulted in the victory of Cartesian reality and Newton's scientific paradigm over the esoteric traditions that flourished until that time. The magical and occult world shown in the lives of these 24 great men and women offers us a glimpse of what could still be ours--a world that though it is now overshadowed by modern scientific and technological principles is yet still visible on the horizon through the visions and paranormal experiences of these geniuses.

A Search in Secret India Paul Brunton, 2018-08-09 A Search in

Secret India is the story of Paul Brunton's journey around India, living among yogis, mystics and gurus, some of whom he found convincing, others not. He finally finds the peace and tranquility which come with self-knowledge when he meets and studies with the great sage Sri Ramana Maharishi. Paul Brunton was a British philosopher, mystic, traveler, and guru. He left a journalistic career to live among yogis, mystics, and holy men, and studied Eastern and Western esoteric teachings. Dedicating his life to an inward and spiritual quest, Brunton felt charged to communicate his experiences about what he learned in the East to others. His works had a major influence on the spread of Eastern mysticism to the West. Taking pains to express his thoughts in layperson's terms, Brunton was able to present what he learned from the Orient and from ancient tradition as a living wisdom. His writings express his view that meditation and the inward quest are not exclusively for monks and hermits, but will also support those living normal, active lives in the Western world.

Secret Native American Pathways Thomas E. Mails, 2012

Eclipse of Evil A.B.N. Dawn, 2005-12-01 Why is backward Millstone village, squeezed in a valley of New Mexico's Sacramento Mountains, ostracized from neighbor towns? Why do villagers stare like mummies doomed to mindless terror? Why do they shun stunning Silver Lake gorged with trout? Are ghastly rumors products of superstition and ignorance, or is a diabolical recluse linked to sinister crimes? Such questions haunt three vacationing college freshmen and test their integrity. Events emotionally, mystically, and dangerously bind them to a mysterious loner whom they gallantly, perhaps foolishly, strive to vindicate. In their struggle they uncover the truth, hidden behind a fog of mystical power and hatred, and become entangled in a

snare of sinister events and confusing leads. They must consider the emotional instability and supernatural powers of the old recluse. They must consider the motives of a beautiful Apache woman who seems to match the paranormal abilities and apparent, generous nature of the loner. They cannot ignore a shifty sheriff who bends the law and covers evil deeds. They cannot overlook the remnants of a dissolved cult in the old fishing lodge where they are staying, nor can they disregard old Stella who uses her status and magicians tricks to wield power over Millstone folk. In their struggle to redeem good, the three friends honor, faith, and courage are severely tried by subversive evil. The dichotomous clash escalates from sorrow, to betrayal, to tragedy, to ultimate triumph.

Rolling Thunder Doug Boyd,1974 An advocate for Native American rights, as well as for ecological harmony, Rolling Thunder traveled widely and was in great demand worldwide for his insight and teachings. He himself joked that he had to make it rain and thunder in order to clean the polluted air before he spoke in a new city. Speaking before spiritual, ecological, psychological, and healing gatherings, Rolling Thunder participated in conferences ... Often controversial, and regarded even militant at times, Rolling Thunder was known for being outspoken and telling it like it is. The Great Spirit guides me to tell people what they need to know, not what they want to know, he often said. Never making claims for his special powers, he reminded those who called him a medicine man, or who spoke of his healing abilities, that All power belongs to the Great Spirit.-- from www.unexplainedstuff.com.
