Ingress Lavanya Shanivarasanthe, 2024-02-15 Ingress is about crossing paths, drawing parallels, and the influences which seemingly fleeting interactions have in the largesse of human trails society. It examines the human society in multitudes and unseen dimensions, which otherwise go unnoticed, and how the experiences of one can manifest as a demeanour to leave marking imprints on others around them. The stories reflect struggles that seek belonging in the changing times, as well as accepting changes notwithstanding. They narrate love, perseverance, and fragility of the mind immersed in an unbeknownst indulgence of madness. The universality of the subjects explored is bound to reverberate across all sections of readers.

Ingress Mary Ann Poll,2011-11-01 The dark and cold of an Alaska winter settled over Ravens Cove. To boost the sagging economy, Mayor Thomas Orthell brought in a new tourist attraction—an ancient town abandoned for almost a century. The Forgotten Place is rumored to be cursed and to hold the threat of death for any who enter. Now, the town and its curse have made their way to Ravens Cove. As mysterious deaths, legendary entities, and folklore come to life, the town is hurtled into a spiritual battle with a familiar nemesis. The lessons learned during the Iconoclast siege are going to be put to the test—along with the small troop of warriors that have been brought back together to learn a better way to fight and defeat a shrewd and dangerous enemy.

Ingress: The Niantic Project Files, Volume 3 Niantic Inc, Determined to shield humanity from the harmful effects of Exotic Matter (XM), Devra Bogdanovich unleashes a Portal Virus designed to shut down the XM flow in Portals worldwide. The interruption of XM flow drives Roland Jarvis, who is deeply dependent on it, to the brink of death. ADA is also negatively affected. Agents around the globe respond with efforts to eliminate the virus and protect the Portals. Unbeknownst to them, efforts to resuscitate the Portals using a set of ancient objects known as the 'Helios Artifacts' send out a surge of XM to the far corners of the Universe, awakening a long dormant force. Hank Johnson re-emerges from the 'nest' in Afghanistan where his body has been entombed to warn of an ancient entity that has acted as a rival to the Shapers throughout history. His search for answers leads him to India and an encounter that will forever alter his future.

International Review of Chloride Ingress Into Structural Concrete P. B. Bamforth, W.F. Price, M. Emerson, 1997-04-10 The deterioration of reinforced and prestressed concrete structures resulting from the corrosion of the steel reinforcement is a worldwide problem. As long as salt is used for de-icing or structures are built near the coast, chloride will continue to be a primary factor in compromising the durability of a structure. This report deals specifically with the ingress of salt from the environment, which can lead to severe corrosion of reinforcement. It reviews the international state-of-the-art with regard to chloride ingress into concrete and, in particular, considers: - The influence of concreting materials, mix design, curing and environment - methods for the detection of chloride ingress in structures - techniques used for studying chloride ingress

Ingress: The Niantic Project Files, Volume 1 P.A. Chapeau, What is the Niantic Project? In November 2012, a series of leaks began to emerge, revealing a conspiracy that would reshape the destiny of mankind. Exotic Matter Portals, Ordered Data, a mind-altering signal that some say can change the way we think, and Ingress, a government tool camouflaged as a mobile phone game. P.A. Chapeau's Investigation began with revelations about 'The Niantic Project,' a secret government think tank run by a defunct intelligence agency, and continued on, ultimately revealing a hidden movement to co-opt the highest positions of leadership in governments and cultural power-centers worldwide. From the initial discovery of the Niantic Project in The Sphere of Weirdness to the unearthing of a global conspiracy in Operation Cassandra, each document from P.A. Chapeau's daily investigation is presented here, in Volume 1 of The Niantic Project Files.

Ingress: The Niantic Project Files, Volume 4 Niantic, Inc., 2015-12-21 At the start of his latest adventure, Hank Johnson finds himself on a journey back to the 13MAGNUS Nest in Afghanistan. Jahan, the new leader of Anti-Magnus, has taken Hank and Azmati captive with plans to use them to summon the N'Zeer, an ancient force attempting to guide the development of mankind. Meanwhile, Devra Bogdanovich and Hubert Farlowe follow closely behind, with Ezekiel Calvin covertly keeping watch over the course of events. What transpires in the 13MAGNUS Nest has far-reaching consequences for all 13 of the original Niantic Investigators. With their fate still unknown, Volume 4 of The Niantic Project Files presents the correspondences and investigation materials that will help to solve that mystery.

Ingress: The Niantic Project Files, Volume 2 Verity Seke, A year into the investigation, P.A. Chapeau must come to terms with his role in two tragedies: The death of Carrie Campbell, a brave, visionary woman who sacrificed herself to save human civilization from self-destruction, and the

takeover of a human mind by an AI that he helped create. Chapeau walks away, leaving the duty of uncovering the truth about Exotic Matter to the mysterious Verity Seke, and there's much to investigate: An ancient society that has been protecting the secrets of XM-induced immortality, the resurrection of an Enlightened leader, and a desperate movement to save humanity from embarking on a path to its own destruction. From the efforts to resurrect Roland Jarvis in 13MAGNUS to Hank Johnson's Recursion, each document from Verity Seke's daily investigation is presented here, in Volume 2 of The Niantic Project Files.

Ingress: Level 8 Felicia Hajra-Lee, An intense night takes an unexpected turn as the Niantic Project Laboratory located inside of CERN is finally shuttered. But the mysterious origins of Exotic Matter, and its potential for mankind, are too important for the corporations interested in exploiting it, and they converge on what was once the NIA's prized project, intent on getting their hands on the remaining researchers at the facility. However, what starts as a military operation quickly takes a turn into the unknown as other dangerous players with their own agendas also arrive on the scene, intent on turning the chaos to their own advantage, and redefining the future of Exotic Matter.

Ingress: Epiphany Night / Escape from Niantic / The Niantic Pursuit Tycho,2014-03-29
Capable of seeing the present at different points in time, the visionary artist, Tycho, was among the first to see glimpses into the world of Ingress, predicting the death of Roland Jarvis and the event now known as Epiphany Night months before they took place. A ghost artist capable of mimicking the styles of others, Tycho's Ingress Comics 1-3 capture the events of Epiphany Night, Dr. Bogdanovich's escape and 855's cold blooded pursuit, the murder of Roland Jarvis and Hank Johnson's journey into the Congo and in riveting detail.

Ingress Lénore M. Rhéaume, 2015-08-04

The Niantic Project: Ingress , When she first agreed to lead the research team of the Niantic Project, Dr. Devra Bogdanovich knew she was headed into the unknown. What she never could have imagined is where her dangerous, and potentially world-changing, exploration of Exotic Matter would lead her. After the chaos of the evening known as Epiphany Night explodes into murder and betrayal, the NIA seeks other ways to continue the ongoing research while Devra finds herself on the run and ensnared in a game of cat and mouse with the most powerful thinking machine ever created, a detection algorithm known as ADA. As ADA follows her digital trail, Devra is also pursued by both a relentless assassin and a rogue NIA agent. Now determined to restart her quest for understanding this transdimensional building block known as Exotic Matter, Devra recruits a team of her own to stop Niantic and uncover the ultimate truth of XM. Is it the key to unlocking an enlightened future? Or is it a tool for the ultimate enslavement of mankind?
